Combined Advertisement/Solicitation for Commercial Items – Utility Cars

The U.S. Embassy Caracas has a requirement to purchase **Utility Cars**. Please note that this is a combined synopsis/solicitation for a commercial item, prepared in accordance with the format FAR 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; offers are being requested and a written solicitation will not be issued.

The solicitation number is **19VE3026Q0006** and is issued as a Request for Quotation (RFQ).
The solicitation/contract will include all applicable provisions and clauses in effect through FAC 2026-01 March 13, 2026.

Items to be acquired are:

CLIN	Description	Quantity	Unit of Measure	Price USD	Total USD
0001	Utility vehicle Brand: Club car or equal* Model: Carryall 700 or equal* Specs: - 4 x 2 Utility vehicle- Electric type - 2 seat - Electric motor 48-volt DC / 3.7 hp (2.7kW) rated, Peak 20 hp (14.9 kW). / Max torque: 71 Ft-Lbs (96.2 N-M) rated at 1450 Rpm. - Transmission: Direct drive, dpub;e reduction helical gear. / Gear Selection: Foward/ Neutral/ Reverse. / Gear ratio: 12.32:1 - Battery: Eight 6-volt flooded lead acid / Charger: DeltaQ QuiQ (1 kW High Frequency) - Steering: Self-adjusting Rack and Pinion - Front Suspension: Independent leaf spring with dual hydraulic shocks / Suspension Rear: Semi-independent leaf spring with dual hydraulic shocks. - Exterior color: dark gray body panels / Seatings: gray seatings. / Instrument panel: Electric. - Real body Configurator: long cargo box - Park Brake: Foot Operated, Multi-lock / Brakes: 4-wheel mechanical drum - Body & Finish: ArmorFlex with automotive paint/clearcoat / Body rear: Aluminum. / Tires: Premium 20 x 10-10, 6-ply - Wheelbase: 99.1 In (251.7 cm) - Overall height: 47.1 In (119.6 Cm) / Overall Length: 137.5 In(349.3 cm) - Max width (front) 36.6 In (92.9 Cm)/ Ground clearance: 536 In (14.2 Cm)	01	each		

	- Track width (Front): 36.6 In (92.9 Cm) /Track Width (Rear) 39.5 In (100.3 Cm) - Bed Dimensions: L X W X H 64.5 x 47.5 x 10.5 in (163.8 x 120.6 x 26.6 cm) - Vehicle curb Capacity: 1500 Lbs (680.3) - Bed Capacity: 1000 lbs (454 kg) / Total Payload Capacity: 1500 lbs (680 kg) / Towing capacity: 1500 lbs (680 kg) - Speed: 5-17 Mph (8-27 Kph) - Wheelbase: 99.1 in (251.7 cm) / Ground clearance: 5.6 in (14.2 cm) / Black canopy / Long cargo bx - Long cargo box / Hinged Windshield - Battery Capacity Indicator / On-Board Hi-Freq Charger, US. - Extra heavy-duty 3 leaf spring front suspension - 4-wheel brakes. / Non-Cab side mirror set - VersAttach or similar Bed-Mounted Ladder Rack (Pair) - Tail lights, brake lights, turn signals and horn. Heavy duty front brush guard / headlight guard for heavy				
0002	Utility vehicle Brand: Club car or equal* Model: Carryall 1700 or equal* Specs: - 4 x 4 Utility vehicle Engine: Kawasaki 4-cycle, industrial grade. / Displacement: 675 CC./ Cylinders: Twin. / Valving: Overhead valve. / Cooling: Air cooled. / Horsepower: 20.1 Hp (15.0 KW) rated at 3400 RPM. / Max torque: 36.5 Ft-Lb (49.5 N-M). / Lubrication/ Oil filter: Pressure lubrication: spin-on oil filter. / Governor: Automatic Ground speed sensing. / Fuel delivery system: Carburetor. / Fuel Capacity: 6.5 Gal (24.6L). / Transmission: Continuously variable transmission (CVT) with intellitrak automatic 4-wheel drive. / Gear selection: Forward/neutral/reverse. / Powertrain: gars. / Exterior Color: Dark gray body panels. /Seating: Black front and rear bench seats. / Rear body config: Aluminum locking toolbox cargo. / Bed lift: Manuel Bed lift. / Tire and wheels: 25” heavy duty all-terrain tires. / Canopy: Canopy top kit, black. Gear ratio: 5.39:1 forward; 7.79:1 Reverse; 3.3:1 Differential. / Ignition: Transistorized magneto. / Battery: 12 Volt 500 CCA; 105 reserve	3	ea		

	capacity. / Headlights: two 55-watt halogen. / Steering: Self-adjusting rack and pinion with adjustable tilt. / Suspension front: Independent double a-arms with coil-cover shocks. / Suspension rear: Semi-independent 4-link suspension with coil-cover shocks. / Brakes: Twing piston, hydraulic disc (front); single piston, hydraulic disc (rear). / Park brake: foot-pedal activated, mechanical disc. / Tires: 25 x 10.5-12 4-Ply rated all terrain. / Body (front and finish): GE Geloy high impact, scratch resistant injection molded color with automative finish. / Body (rear): Molded plastic over aluminum frame. / Wheelbase: 114 in (289.5 cm) / Overall Height: 82.3 In (209 cm). / Overall length: 154 In (391.2 cm). / Max width: 58.5 In (148.5 cm). / Windshield: Split fold down windshield. / Bumper/ guard protection: tube bumper. / Lighting options: Standard light package. / VersAttach or similar Bed-Mounted Ladder Rack (Pair)				
	* Reference or equal models or part numbers				
			Grand Total (USD)		

F.O.B Destination: U.S. Embassy Caracas Attn: SUVI Global Services.11380 NW 34th St. Miami, FL 33178
Delivery Date: No more than 30 days after the award.
Set Aside: No set aside or small business standard applies to this acquisition.
NAICS Code: 441110, 441120

Additional Requirements:
• **Warranty**: Awarded Contractor will provide US Embassy Caracas with a description of the Standard Warranty conditions and expiration date. Warranty should be at least one (1) year.
• **Specifications/ datasheet**: Offerors must present catalog, brand name, manufacturer number and/or specifications of the equipment offered.
• **New equipment ONLY**, NO grey market or refurbished products. Items never used nor altered in any way.
• This Request for Quotation (RFQ) does not commit the U.S. Government to make any award, and the U.S. Government may cancel this RFQ or any part of it.
• Award will be made to the lowest-priced, technically acceptable offeror. The Government will evaluate complete bids first. If no complete, technically acceptable bids are received, the Government reserves the right to evaluate partial bids and make award on a lowest-priced, technically acceptable line-item basis.

DOSAR 652.239-801 DISCLOSURE OF AI USE CLAUSE (DEVIATION) (SEP 2025)

(a) *Definitions*. As used in this clause-

Artificial Intelligence (AI): The term "artificial intelligence" has the meaning provided in Section 238(g) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019.

i. This definition of AI encompasses, but is not limited to, the AI technical subfields of machine learning (including deep learning as well as supervised, unsupervised, and semi-supervised approaches), reinforcement learning, transfer learning, and generative AI.

ii. ii. This definition of AI does not include robotic process automation or other systems whose behavior is defined only by human-defined rules or that learn solely by repeating an observed practice exactly as it was conducted.

iii. For this definition, no system should be considered too simple to qualify as covered AI due to a lack of technical complexity (e.g., the smaller number of parameters in a model, the type of model, or the amount of data used for training purposes).

iv. This definition includes systems that are fully autonomous, partially autonomous, and not autonomous, and it includes systems that operate both with and without human oversight.

(b) **Disclosure of AI Use in Contract Performance.** When the Contractor or any of its subcontractors, vendors, or agents intends to incorporate AI into the performance of the contract, the Contractor shall provide the following disclosures in its offer:

Disclose the intended use of AI and provide a description of the AI system or capability and its purpose within the contract scope; specify whether the system was developed internally, acquired from a third party, or is publicly/commercially available; indicate if the AI system will process PII or be used in ways that may affect privacy, civil rights, safety, or public interaction; detail the governance, oversight, and human-in-the-loop mechanisms to be applied; and describe any applicable testing, evaluation, risk management, or bias mitigation measures that have been or will be implemented.

These disclosures must be updated promptly to the Contracting Officer during the period of performance upon any new use of AI or significant material change to the existing AI capability, its functionality, its use case, or its data inputs/outputs during the life of the contract.

The Government reserves the right to review the proposed AI use, request additional safeguards or controls, and/or disallow its use if it is deemed inconsistent with agency policy, legal requirements, or federal AI governance standards.

(End of Clause)

System for Award Management (SAM) Registration: In accordance with FAR 52.204-7 and FAR 52.204-13, offerors must be registered in the System for Award Management (SAM), https://www.sam.gov, at the time of offer submission and at the time of contract award. Offerors shall provide their Unique Entity Identifier (UEI) and, if awarded a contract, maintain an active SAM registration with current and accurate information throughout contract performance and through final payment.

If there are any questions regarding this solicitation, please submit them in writing by email to: CaracasProcurement@state.gov no later than ***COB August 7, 2026***.

Offers are due by ***August 29, 2026, 5:00p.m (local time).*** All responsible sources may submit an offer that shall be considered. If there are any questions regarding this solicitation, please contact CaracasProcurement@state.gov.
