Question #	Question	Answer	Date Received
1	For Exhibit A line A004, the quantity is listed as 6 Each. The referenced Sorinex P00254 Farmer Walk Handles are supplied as a pair. Please confirm whether the requirement is for six individual handles (three pairs) or six pairs.	Exhibit A has been corrected. The desired quantity is 6 PAIR, or 12 EACH. See updated file "Exhibit A rev1 - Price Schedule and Purchase Description".	8/10/2026
2	Exhibit A lines A058, A065, and A066 state that the products must be compatible with item 0050. A050 is a barbell. Please confirm whether the intended compatibility reference is A044, the power rack.	Confirmed. The reference to item 0050 was incorrect and has been updated to A044. See updated file "Exhibit A rev1 - Price Schedule and Purchase Description".	8/10/2026
3	Lines A031 and A032 state that the Speed-X systems must clip or attach to the offered cord attachment system. Please clarify whether a separate anchoring/attachment system is required as part of the quotation and, if so, which Exhibit A line contains that requirement.	A separate anchoring/attachment system is not required. These items must clip/attach to a currently owned Perform-X anchoring/attachment system. See updated file "Exhibit A rev1 - Price Schedule and Purchase Description".	8/10/2026
4	Please confirm that partial awards may be made at the individual Exhibit A line level (A001-A070), notwithstanding CLIN 0001 being identified as one Group.	Confirmed. Individual awards may be made at the Exhibit A line item level.	8/10/2026
5	Please confirm that the requirement is supply and FOB-destination delivery only and does not include assembly, installation, floor anchoring, drilling, or mounting of equipment such as A044 or A067.	Confirmed. This requirement is only for provision/delivery of the items.	8/10/2026
6	Please confirm that freight to the Madison delivery location should be incorporated into the individual Exhibit A unit/extended prices.	Row 73, item A071, was added to Exhibit A for quoters to add shipping or freight charges, for use if shipping or freight charges are not incorporated into individual prices. Individual line item shipping prices are not required. See updated file "Exhibit A rev1 - Price Schedule and Purchase Description".	8/10/2026

7	For Buy American/Balance of Payments certification purposes, please advise whether country-of-origin information should be identified by each Exhibit A line when the contractual CLIN is 0001.	This information must be provided at the item level for each separate product identified on Exhibit A. All are considered COTS items. Column O was added to Exhibit A for quoters to identify country of origin for each item. Alternatively, quoters complete the provision at DFARS 252.225-7000. See updated file "Exhibit A rev1 - Price Schedule and Purchase Description".	8/10/2026
