WARNING: PRIOR TO DIGGING
Plan Ahead Call 811 or 1-800-632-4949 THREE business days before you dig.

Should you suspect a Natural Gas LEAK Call Piedmont 800-752-7504

Third party utilities such as Duke Energy, Piedmont Gas, ONWASA, CABLE or AmeriGAS etc., may not be displayed.

NOTE: Contractors must provide locating services as specified. Not all Base utilities are displayed.

MCB Camp Lejeune & MCAS New River Organizations / Units should call 910-451-3001 for assistance.

MCB Camp Lejeune & MCAS New River Telecom Locates call: 910-451-3100 for assistance.

CALL 911 FOR EMERGENCIES

Map generated by PWD GIS using the Camp Lejeune Installation Geographic Information System.

Questions regarding map content should be directed to the Public Works Department

FOR REFERENCE ONLY
FOR OFFICIAL USE ONLY (FOUO)
NOT TO BE USED FOR UTILITY LOCATES

Although every effort has been made to ensure the accuracy of information, errors and conditions originating from the various sources used to develop all GIS data may be reflected in the data supplied. The requestor must be familiar an aware of data conditions in the field and ultimately bears the responsibility for the appropriate use of the information that is supplied. Field verification of all data is required for all projects and construction. This information is deemed proximate and is not guaranteed. The GIS data may have possible errors in the location and type specific to utilities. This information does not depict all possible resources such as 3rd party data nor all types of utilities. There are no guarantees on the original map scale, data collection methods, display or accuracy of data.
