4. The statutory authority permitting other than full and open competition is 10 U.S.C. 3204(a)(1) as implemented by FAR 6.103-1.

5. The Government requires spare parts that are form, fit, and functionally interchangeable with those currently used on the supported end item or weapon system. The acquisition is restricted to the following source(s) of supply, which are the only source(s) known to have the capability of furnishing the required supplies and the only source(s) currently approved by the design control activity.

CAGE	COMPANY NAME
076M6	AMZ Alabama Inc.
45152	Oshkosh Corp.
11083	Caterpillar Inc.

The use of the authority at 10 U.S.C. 3204(a)(1) is based on:

[X] AMC 1. Suitable for competitive acquisition for the second or subsequent time.

The following AMSC descriptions are-available in DFARS PGI 217.7506 Part 2.

[X] *AMSC B.* This part must be acquired from a manufacturing source(s) specified on a source control or selected item drawing as defined by the current version of DoD-STD-100. Suitable technical data, Government data rights, or manufacturing knowledge are not available to permit acquisition from other sources, nor qualification testing of another part, nor use of a second source part in the intended application. Although, by DoD-STD-100 definition, altered and selected items shall have an adequate technical data package, data review discloses that required data or data rights are not in Government possession and cannot be economically obtained. If one source is available, AMCs 3, 4, or 5 are valid. If at least two sources exist, AMCs 1 or 2 are valid.

On 23 March 2026, the Product Specialist of record certified the accuracy of the approved source(s) and applicable AMC/AMSC codes. A copy of the certification is attached.

6. The following efforts are being taken to ensure that offers are solicited from as many sources as practicable:
[X] The acquisition will be synopsized on or about with the solicitation for a period of 10 days,
[ ] A synopsis exception cited in FAR 5.101(b) applies (Explain): _____.
[X] Dealers of the approved source(s) will be solicited.
[X] The solicitation will be posted to the DLA Internet Bid Board System for a minimum of 10 days

[X] Other (Explain): The presolicitation notice will be combined with the solicitation notice in accordance with FAR 12.202(b). The combined synopsis will be issued for 10 days in accordance with FAR Table 5-3.

7. I hereby determine that the anticipated cost to the Government will be fair and reasonable.

A price analysis will be conducted based on a comparison of proposed prices received in response to the solicitation and/or a comparison of proposed prices to historical prices paid. Certified cost or pricing data, when required by FAR 15.403-3, and data other than certified cost or pricing data, will be requested and obtained as necessary to establish a fair and reasonable price, and a cost analysis may be performed on the data submitted.

8. Market Research/Efforts to Obtain Competition:

The Acquisition Specialist began this project April 2025. Initially, the approved sources for this item were limited to only AMZ Alabama and Oshkosh. After issuing the original sources sought notice in SAM.gov and issuing Market Surveys, Oshkosh appeared to be the only interested party. The Acquisition Specialist conducted in-depth market research through several email conversations [redacted] Acquisition Specialist issued a Market Survey to AMZ, Oshkosh, and Caterpillar and issued a Sources Sought Synopsis. The Sources Sought Synopsis was issued on 27 February 2026 with responses due 06 March 2026. Oshkosh and Caterpillar did not respond. [redacted] It recommended soliciting the item as it has been prior will lookout for the opportunity on DIBBS. Due to the lack of interest, the Government issued the Market Survey to Carter Machinery, a large Caterpillar Dealer. [redacted] In response to the Market Survey, it stated it is interested in supplying this item to DLA [redacted] Carter Machinery is considered a large business with over 3,600 employees. The dealer is an approved source by Caterpillar, Inc. [redacted]
