(Signature of person authorized to sign)		*(Signature of Contracting Officer)*	

Continuation of block 14. DESCRIPTION OF AMENDMENT/MODIFICATION

The purpose of this amendment is to formally update and correct the solicitation package as follows:

1. **Performance Work Statement (PWS) Revision:**
   - Section 4.5.2 (Tooling and Test Equipment): This section has been revised and updated in its entirety.
   - Regulatory References: All Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS_ references within the PWS have been updated in accordance with (IAW) the Revolutionary FAR Overhaul (RFO) and the Overhauled DFARS (R-DFARS).
   - The revised PWS, dated 8 January 2026, is attached hereto and superseeds all previous versions.

2. **Cross Reference Matrix Attachment Correction:**
   - Administrative Correction: This amendment formally provides and incorporates the Cross Reference Matrix as Attachment 5 to the solicitation.
   - Section L&M Alignment: While the Cross Reference Matrix was previously referenced in Section L and Section M, the physical attachment was inadvertently omitted and referenced under an incorrect attachment number in the original package. This action resolves that administrative discrepancy.

Except as provided herein, all other terms and conditions of the solicitation remain unchanged and in full force and affect.
