**NOTICE TO PROSPECTIVE BIDDERS**

**RE:** WA NP OLYM 12(8), Hurricane Ridge Rockfall Mitigation MP 9.4
Solicitation No. 69056726B000010

The attached preliminary plans are being furnished to aid prospective Bidders in identifying the location and type of work for this project. The project will be advertised during a period when viewing of the project may not be possible due to winter conditions. Therefore, prospective Bidders are encouraged to view the project during fall as conditions permit. Check the Olympic National Park website (Olympic National Park (U.S. National Park Service) for current road conditions. No Federal Highway Administration personnel will be available for show-me tours.

**Project Location and Type of Work -** All project work is in Olympic National Park, Clallam County, Washington.

- **Hurricane Ridge Road** –Work includes installing a rockall mitigation system.

**Technical Questions** – All technical questions must be submitted by email wfl.plans-spec@dot.gov .

**General Questions** - Contact our office at wfl.contracts@dot.gov or at 360-619-7520.

**Solicitation documents** - Documents will be available during the winter of 2026/2027. Please monitor the SAM site (www.sam.gov) for actual date of solicitation release. To receive automatic notification through SAM, you must be logged in and select the "Follow" feature. For more information go to How do I follow items on SAM.gov?.
Thank you for your interest in this project.
