SITE VISIT

A **Site Visit** has been scheduled for **10:00 A.M, Central Time, August 5, 2026**, Offeror(s) will meet at the Main Gate Badging Office at the intersection of Kirk Road and Pine Street**.**

The meeting provides an opportunity to discuss and clarify the RFP. However, nothing said or represented in the meeting shall be deemed to modify RFP requirements unless followed by a written amendment.

Except for those already having a Fermilab Access badge, anyone attending the Site Visit must fill out an Access Request form (see link below) at least seven (7) days before the scheduled date. Onsite access approvals are dependent on citizenship status and the location(s) being visited. In addition, please review the Business Visitor Registration Instruction Instructions and Directions below. The technical representative contact for this Site Visit is **Jack Kelly, jkelly@fnal.gov, 630-840-5674.**

Upon request approval, the individual will receive an informal invitation letter with a QR code, which is required to be presented at the security gate, otherwise, access to Fermilab will be denied.

When checking in at the Security Gate House, the individual will be required to present a Valid Driver's License (Real ID) and the informal invitation letter with the QR code, and the Visitor and Business Visitor Attestation Form. If the Driver's License is not Real ID compliant, one of the appropriate REAL ID documents (https://www.tsa.gov/travel/security-screening/identification) is required.

Masks are required to be worn when the Community Covid Level of "high" exists. Individuals are then required to wear a KN-95 or N-95 mask. Unfiltered cloth masks are not permitted to be worn alone but can be worn over a Level 2 medical mask (double mask).

Please note that when entering Fermilab:

- No weapons, firearms, or ammunition (regardless of concealed and carry permit) are allowed on-site.
- No explosives or any other apparatus or material hazardous to the public or property are allowed on-site.
- Illinois Rules of the Road are to be followed while driving on Fermilab's premises.
