MEMORANDUM FOR RECORD

SUBJECT: Name Brand Justification, W50S80-26-Q-0023 – Vindicator Maintenance

1. The purpose of this memorandum is to document the Name Brand justification for the Vindicator Maintenance requirement, W50S80-26-Q-0023.

2. Requirement Information:

a. Funding Type: [redacted]

b. Estimated Price of Name Brand Service: [redacted]

c. Description of Requirement: Annual maintenance and wellness checks on the 102nd IW Vindicator systems to meet accreditation security requirements. ICD 705 v1.5 Tech Specs; DoDM 5105.21 v2

d. Demonstrate, in Detail, Why This Specific Item or Service, is the Only One That Meets Your Requirements: The security alarm system is required to operate properly and as certified in order for facilities to remain accredited. Vindicator certified technicians are the only personnel authorized to perform other than admin maintenance on these systems

3. Has this requirement been previously procured: Yes, W50S80-23-F-0002 and W50S80-25-P-A025

4. Contracting Officer Determination: In accordance with 10 USC 3406(c)(5) as implemented in RFO 16.505(a)(4)(iii) Items peculiar to one manufacturer, the Vindicator system already exists in the facility, the unit is expanding the existing system, therefore we must stick with the brand. It is determined in the best interest of the Government to solicit to all Platinum, Gold, and Silver partners of Honeywell Vindicator via a combined synopsis and solicitation on SAM.gov in accordance with the RFO Subpart 12.202.
