1	B08 - page 59 of 67	We note that the solicitation states, “If available, offerors may submit completed evaluations from the Contract Performance Assessment Reporting System (CPARS) in lieu of the Past Performance Questionnaire.” For projects where completed Past Performance Questionnaires (PPQs) have already been obtained for prior federal pursuits, will the National Park Service accept those previously completed and signed PPQs in lieu of the attached Past Performance Questionnaire, provided they relate to the same projects being submitted for this solicitation? Or is it the Government’s expectation that a new questionnaire be completed using the attached form specifically for this procurement?	PPQs from past projects are acceptable as long as they are related to the same project and no more than 12 months old from August 13, 2026.	2
2	B08 - page 59 of 67	Under Factor 3, Past Performance, the solicitation states: "Submit Past Performance information for the same projects submitted under Factor 1 using the attached Past Performance Questionnaire." We noted that Factor 1 addresses the Technical Approach, while Factor 2, Technical Qualifications and Specialized Experience, requests submission of 3–5 relevant project examples. Can the Government confirm whether the Past Performance Questionnaires should correspond to the project examples submitted under Factor 2 rather than Factor 1?	The Goverment confirms it should be factor 2	2
3	Section L	In Section L. It currently has Key Personnel as Factor 4, where in Section M Factor 4 is Safety. Can NPS Confirm factor 4	Section L Factor 4 is Safety	2
