TECHNICAL EXHIBIT (TE) 8

REPRESENTATIVE LIST OF CONSUMABLES

Contractor-Furnished Consumables. The Contractor shall furnish, at their own expense, any consumable materials required to support maintenance operations. Any consumable materials onboard at turnover and provided as part of the initial onboard inventory will be available to the Contractor on a one-time basis only. The Contractor may procure all consumable materials from commercial sources or opt to procure consumable materials from the Naval Supply System as a cash customer. A representative listing of Contractor furnished consumable items is provided below.

*NOTES:

(1) This consumables list is not intended to be all-inclusive, but is provided to indicate the range and types of items that may be required. The Government does not warrant or represent that any of these items will be onboard craft/work shop at time of delivery.

(2) The Contracting Officer is the sole authority to determine what category of property a given item will be listed in.

(3) Any necessary HAZMAT not provided by the government is the responsibility of the contractor.
