Disclaimer: This is a Sources Sought notice for information and planning purposes only. It does not constitute a Request for Proposal (RFP) or Invitation for Bid (IFB). The Government will not reimburse any costs associated with responding to this notice.

1. Overview

The 628th Contracting Squadron is conducting market research to identify capable sources for an upcoming IDIQ contract for rubber removal and paint striping. The information gathered will be used to determine the acquisition strategy, including the potential for a Small Business set-aside.

- **Anticipated Contract Type:** Firm-Fixed Price (FFP) IDIQ
- **NAICS Code:** 237310 (Highway, Street, and Bridge Construction)
- **Small Business Size Standard:** $36.5 Million
- **Magnitude of Requirement:** Total IDIQ value between $1,000,000 and $5,000,000.
- **Task Order Range:** Minimum $3,000 to Maximum $1,000,000.
- **Anticipated Period of Performance:** Five years and six months (Base year + four option years + one 6-month extension).

2. Scope of Work

The contractor shall furnish all labor, equipment, materials, transportation, supervision, and testing required to accomplish rubber removal and paint striping on all runways, taxiways, and associated pavements.

Work includes, but is not limited to:

- Rubber removal (via water-blasting, shot-blasting, sandblasting, or chemical means)
- Removal of existing painted markings and joint sealant materials
- Re-facing of joint sealant reservoirs
- Application of airfield painted markings

- Application of joint sealants (self-leveling silicone, tooled silicone, & preformed neoprene)
- Incidental related work

Specific requirements, performance times, and task scopes will be negotiated and identified in individual delivery orders.

3. Submission Requirements

To minimize the burden on industry, please limit your capability statement to 3-5 pages. Please provide the following information:

1. **Company Profile:** Company name, CAGE code, UEI number, and point of contact (name, phone, email).
2. **Socio-Economic Status:** Indicate your business size under NAICS 237310 and any applicable socio-economic categories (e.g., 8(a), HUBZone, SDVOSB, WOSB).
3. **Intent:** A brief statement of your intention to submit a proposal as a prime contractor if a solicitation is issued.
4. **Relevant Experience:** Briefly describe up to three (3) recent projects (within the last 5 years) similar in size, scope, and complexity. Please include:
    - Contract number(s) and project title(s)
    - Dollar amounts and completion dates
    - Approximate percentage of work self-performed
    - Customer point of contact details
5. **Bonding Capability:** Evidence of your ability to bond up to a minimum of $5,000,000.

4. How to Respond

Please email your capability statements to the primary Point of Contact (POC) no later than **August 26, 2026, at 4:00 PM EST**.

5. Important Notes for Industry

- **System for Award Management (SAM):** All prospective contractors must be actively registered in SAM.gov to be eligible for award.

- **Solicitation Availability:** A formal solicitation, Statement of Work (SOW), and drawings are anticipated to be available on or about **September 30, 2026**, via SAM.gov. Hard copies will not be provided.
- **Updates & Amendments:** Interested parties are strongly encouraged to "Follow" the notice on SAM.gov to receive automated alerts regarding any amendments or updates.
- **Limitations on Subcontracting:** If this requirement is set aside for small businesses, RFO 52.219-14 *Limitations on Subcontracting* will apply. The prime contractor must perform at least 15% of the cost of the contract (not including the cost of materials) with its own employees.
- **Funding Availability:** Funds are not presently available for this effort. No award will be made until funds are available. The Government reserves the right to cancel this requirement at any time.
- **Eligibility:** Contractors that are debarred, suspended, or proposed for debarment are excluded from receiving contracts.
