RE: QUESTIONS & ANSWERS 2
RFQ # 0973-27-25

To Whom It May Concern:

The purpose of this letter is to answer questions regarding the above-referenced RFQ.

Question 1: May a prime contractor that subcontracts all clinical delivery satisfy the reference and past-performance requirements using the proposed licensed clinical subcontractor's same or similar references and records?

Answer 1: The Offeror must submit references of agencies and/or private organizations that were provided the same or similar type of treatment and other services identififed in the this RFP within the past 3 years with the Offeror (prime contractor). If the Offeror does not have any monitoring/compliance/audit/performance reports, or other certification of compliance reports (e.g. private practice), the Offeror shall explicitly note this in writing with an explanation of why no such repors exist. Monitoring/compliance/audit/performance reports for proposed subcontractors are not required.

Question 2: Must the prime itself maintain an operational clinical facility in San Luis Obispo County if all services will be performed at the named subcontractor's compliant local site?

Answer 2: No.
