(f) Bonding Capacity (per contract)
(g) Type of small business, *e.g. Services Disabled Veteran Owned Small Business, 8(a), HUBZone, Women Owned Small Business, Small Disadvantaged Business, or Small Business*
(h) Listing of your highway/bridge construction experience within the last 3 years where you were the prime contractor for work of similar type and scope. Include contract numbers, titles, locations, dollar amounts.

Requirement

The proposed contract action is for a firm-fixed-priced construction contract. This project is to rehabilitate the Riley Creek campground road to extend the service life. This work consists of: Aggregate base, paving, striping and pavement repairs of the Riley Creek. This project is located approximately 125 Miles SW of Fairbanks, AK.

NAICS Code 237310, Highway, Street, and Bridge Construction apply to this procurement with a size standard of $45 million.

The project is anticipated to go on advertisement in Fall 2026 with construction in Spring 2027.

Estimated Price Range: Between $5,000,000 and $10,000,000.

Response:
Responses to this Sources Sought Notice should include all information requested in (a) through

(h) above.

Determination by the Government not to compete this proposed contract action based on responses to this notice is solely within the discretion of the Government.

The Government is not obligated to nor will it pay for or reimburse any costs associated with responding to this sources sought synopsis request. This notice shall not be construed as a commitment by the Government to issue a solicitation or ultimately award a contract, nor does it restrict the Government to a particular acquisition approach.

Any offeror capable of providing this service shall respond to this Sources Sought by responding to the MS forms or e-mail to wfl.contracts@dot.gov no later than September 3, 2026, 1400 PST.
