DESCRIPTION

Notice of Intent to Sole-Source an Acquisition

Pursuant to 41 U.S.C. § 3304(a)(1) and FAR 6.302-1(b)(1)(i), the Government anticipates entering sole-source procurement negotiations with Regan Technologies to provide Extended Maintenance Cancer Treatment Center Hardware at the William S. Middleton Memorial VA Hospital, Madison, Wisconsin. Regan Technologies is a certified verified service-disabled Veteran-owned small business (SDVOSB). They can maintain support for the existing hardware infrastructure at Madison VA's Cancer Treatment Center. Presently, Regan Technologies is already providing support for the infrastructure they established at the center.

The above-cited authority and associated justification is made based on the determination that Government's requirements for this contract can only be satisfied by one source with unique capabilities. Any other business or person may identify their interest and capability in fulfilling this requirement by responding to this Notice by e-mail to sylvia.iloh@va.gov no later than 4:00 p.m. local time, Thursday, August 13, 2026. This Notice of Intent is not a request for competitive quotes/proposals; however, all communications received by the deadline will be considered by the Government. Information received because of this Notice will be considered solely for the purpose of determining whether to conduct a competitive procurement. A determination by the Government not to open this requirement to competition is solely within the discretion of the Government. No solicitation document is available at this time.
