PROJECT NO. N/A	DUE DATE: 08/18/2026

TITLE OF PROJECT:
LOW-VOLTAGE SWITCHGEAR WITH INTEGRATED ATS

Bidders must acknowledge this Amendment prior to the hour and date set forth in the solicitation by one of the following methods:

1. By completing the SARC and PUR-466, or
2. By email.

If by virtue of this Amendment you desire to change a bid already submitted, such change may be made by telegram or letter, provided such telegram or letter makes reference to the Solicitation and this Amendment and is received prior to the time set for opening.

The above reference Solicitation is amended as follows:

1) This amendment adds the following clarification: This solicitation is for equipment only. Do not include pricing for installation.

2) This amendment provides an answer to the following question:

Question: Referencing Proposed System Schematic – Drawing 2 and project description. Can we take exception to the description noting: “switchgear with integrated ATS”.

Answer: A separate ATS is acceptable.

All other terms and conditions remain unchanged.
