The attached preliminary plans are being furnished to aid prospective Offerors in identifying the location and type of work for this project. The project will be advertised during a period when viewing of the project may not be possible due to snow. Therefore, prospective Offerors are encouraged to view the project during fall as conditions permit. After October 31, 2026, access

may be weather dependent; contact the Clearwater County Road & Bridge Department for current road conditions at (208) 476-4813. No Federal Highway Administration personnel will be available for show-me tours.

Bid Schedule - The work will be solicited and awarded under one bid schedule.

Project Location and Type of Work - All project work is in Clearwater County, Idaho. The project is located along Dent Bridge Road between milepoint 0.3 to milepoint 5.0 (approximate). The work consists of full-depth pavement reclamation, asphalt concrete pavement, shoulder reconditioning, signing, striping and select areas of guardrail improvements and deep patch repair.

Technical Questions – All technical questions must be submitted by email wfl.plans-spec@dot.gov .

General Questions - Contact our office at wfl.contracts@dot.gov or at 360-619-7520.

Special Notice - Fall Weed Inspection May be Necessary

The upcoming contract will require select borrow, unclassified borrow, and aggregate to be secured from commercial sources. These commercial sources must be certified through the North American Weed Free Forage Program or similarly recognized certification process approved by the Federal Highway Administration.

Solicitation documents - Documents will be available during the winter of 2026/2027. Please monitor the SAM site (www.sam.gov) for actual date of solicitation release. To receive automatic notification through SAM, you must be logged in and select the "Follow" feature. For more information go to How do I follow items on SAM.gov?.

Thank you for your interest in this project.
