Limitations on Subcontracting (Feb 2026) (Deviation 2026-O0038)

(a) This clause does not apply to the unrestricted portion of a partial set-aside.

(b) *Definition. Similarly situated entity*, as used in this clause, means a first-tier subcontractor, including an independent contractor, that-

(1) Has the same small business program status as that which qualified the prime contractor for the award (*e.g.*, for a small business set-aside contract, any small business concern, without regard to its socioeconomic status); and

(2) Is considered small for the size standard under the North American Industry Classification System (NAICS) code the prime contractor assigned to the subcontract.

(c) *Applicability.* This clause applies only to-

(1) Contracts that have been set aside for any of the small business concerns identified in 19.000(a)(3);

(2) Part or parts of a multiple-award contract that have been set aside for any of the small business concerns identified in 19.000(a)(3);

(3) Contracts that have been awarded on a sole-source basis in accordance with sections 19.105, 19.106, 19.107, and 19.108;

(4) Orders expected to exceed the simplified acquisition threshold and that are set aside for small business concerns under multiple-award contracts, as described in 8.4 and 16.5;

(5) Orders, regardless of dollar value, that are set aside in accordance with sections 19.105, 19.106, 19.107, and 19.108 under multiple-award contracts, as described in 8.4 and 16.5; and

(6) Contracts using the HUBZone price evaluation preference to award to a HUBZone small business concern unless the concern waived the evaluation preference.

(d) *Independent contractors.* An independent contractor shall be considered a subcontractor.

(e) By submission of an offer and execution of a contract, the Contractor agrees that in performance of a contract assigned a North American Industry Classification System (NAICS) code for-

(1) Services (except construction), it will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service portion of the contract;

(2) Supplies (other than procurement from a nonmanufacturer of such supplies), it will not pay more than 50 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both supplies and services, the 50 percent limitation shall apply only to the supply portion of the contract;

(3) General construction, it will not pay more than 85 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count towards the prime contractor's 85 percent subcontract amount that cannot be exceeded; or

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

Award will be made using the lowest price technically acceptable (LPTA) process in accordance with FAR Parts 12 and 15. Award will be made to the responsible offeror on the basis of the lowest evaluated price of offers meeting or exceeding the acceptability standards for non-cost factors. Award may be made without discussions with offerors (except communications conducted for the purpose of minor clarification). Therefore, each initial offer should contain the offeror's best terms from a technical and price standpoint. However, the Government reserves the right to conduct discussions if it is later determined by the contracting officer to be necessary. Award will be made on an all or none basis.

Technical Approach

Risk Management Framework

Past Performance

Price

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

Addendum to Evaluation - Commercial Product and Commercial Services

ADDENDUM TO FAR 52.212-2 EVALUATION - COMMERCIAL SERVICES

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation is the best value to the Government, price and other factors considered. Award will be made using the Lowest Price Technically Acceptable (LPTA) source selection process.

The following factors shall be used to evaluate offers:

Factor 1 - Technical Approach

Factor 2 - Risk Management Framework (RMF)

Factor 3 - Past Performance

Factor 4 - Price

Except for communications conducted for the purpose of minor clarification, the Government intends to evaluate the proposal and award a contract without discussions. Therefore, the proposal should contain the offeror's best terms from a technical capability, past performance, compensation plan and price standpoint. However, the Government reserves the right to conduct discussions if it is later determined by the Contracting Officer to be necessary.

Factor 1 - Technical Approach

Technical capability ratings reflect the Government's confidence in the offeror's ability, as demonstrated in its written technical proposal, to perform the requirements stated in the solicitation. The Government will make an independent judgment of the probability of success. The following ratings will be used in evaluating each offeror's written technical proposal:

Acceptable - Proposal clearly meets the minimum requirements of the solicitation.

Unacceptable - Proposal does not clearly meet the minimum requirements of the solicitation.

Factor 2 - Risk Assessment Framework

Risk Management Framework (RMF) Compliance: The following adjectival ratings will be used in evaluating the offeror's RMF capability:

Acceptable - Demonstrated willingness and ability to comply with the DHA Cybersecurity RMF Requirements and completion of Attachment 3 Medical Device Risk Assessment Form - MDRA.

Unacceptable - Failure to comply with the DHA Medical Device Risk Assessment Form completion (MDRA), Attachment 3.

Factor 3 - Past Performance

The following ratings will be used to determine degree of performance risk associated with the proposal. In the case of offerors for which there is no information on past contract performance or where past contract performance information is not available, the offeror will not be evaluated favorably or unfavorably on the factor of past performance. In this case, the offeror's past performance is unknown and assigned a rating of "neutral" which results in an Acceptable rating for this factor.

Acceptable - Based on the offeror's past performance record, the Government has a reasonable expectation that the offeror will successfully perform the required effort, or the offeror's performance record is unknown.

Unacceptable - Based on the offeror's past performance record, the Government has no reasonable expectation that the offeror will be able to successfully perform the required effort.

Factor 4 - Price

The Government will evaluate for price reasonableness. The proposed price will be evaluated on the bottom-line price for the entire effort, inclusive of all options. A price is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person in the conduct of competitive business. The Government may use various price analysis and procedures to ensure a fair and reasonable price. Some of those techniques are, but not limited to, comparison of proposed prices received in response to the solicitation and/or comparison of proposed prices with the Independent Government Estimate. Price must also be determined to be fair and reasonable.

A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area of the United States.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror may claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service (IRS) Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It [ ] is [ ] is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 [ ] a full exemption, or [ ] partial or no exemption [Offeror must select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the IRS as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to https://www.irs.gov/help/tax-law-questions.

(End of provision)
