NWW-NWP-FY26-31 UNDERWATER DIVE SERVICES

IDIQ UNIT PRICE SCHEDULE

Note: It is estimated that all jobs performed under this contract will require a minimum 5-person crew as described in item 0001.

Most jobs will require dive depths of less than 100 feet and will be 1 to 2 days in duration.

The intent of this contract is to provide diver-directed emergency/time critical underwater services as required for the Walla Walla and Portland District for the period of base year of this contract. There are four option years.

PRICE SCHEDULE FOR WALLA WALLA, WASHINGTON

			Base Year	OY1	OY2	OY3	OY4
Line Item	Description	Unit of Measure	Unit Price	Unit Price	Unit Price	Unit Price	Unit Price
0001	Basic Dive Day (8 hrs): Using surface supplied air (SSA), employing a 5 person dive team comprised of: (1) non-diving dive supervisor, (2) divers, (1) standby diver, (1) tender, . Include all associated dive equipment and tools, dual lock dive chamber, camera/monitoring with DVD recording capability. (Standard length of individual dive shift per calendar day is (4) four hours, maximum of three four-hour dive shifts per 12-hour work day allowed.)						
0001AA	Standard dive up to 50 feet deep	Per Day					
0001AB	51 – 100 feet deep	Per Foot					
0001AC	101 – 150 feet deep	Per Foot					
0001AD	151 - 200 feet deep	Per Foot					
0002	Additional Qualified Diver added to the 5 person dive team for a basic 8 hour work day.						
0002AA	Standard dive up to 50 feet deep	Per Day					
0002AB	51 – 100 feet deep	Per Foot					
0002AC	101 – 150 feet deep	Per Foot					
0002AD	151 - 200 feet deep	Per Foot					
0003	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the dive site. Note: Time required to do this does not constitute part of the dive day.						
0003AA	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the Dworshak dive site.	*1 per each task order					
0003AB	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the Lower Granite dive site.	*1 per each task order					
0003AC	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the Little Goose dive site.	*1 per each task order					
0003AD	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the Lower Monumental dive site.	*1 per each task order					
0003AE	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the Ice Harbor dive site.	*1 per each task order					
0003AF	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the McNary dive site.	*1 per each task order					
0003AG	Mobilization and demobilization for equipment, divers, dive chamber, and other necessary equipment to the Lucky Peak dive site.	*1 per each task order					

0004	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dams**						
0004AA	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, Dworshak dive site.**	*1 per each task order					
0004AB	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, Lower Granite dive site.**	*1 per each task order					
0004AC	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, Little Goose dive site.**	*1 per each task order					
0004AD	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, Lower Monumental dive site.**	*1 per each task order					
0004AE	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, Ice Harbor dive site.**	*1 per each task order					
0004AF	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, McNary dive site.**	*1 per each task order					
0004AG	**Mobilization and demobilization of workboat (dive boat) to USACE Walla Walla District Dam, Lucky Peak dive site.**	*1 per each task order					
0005	**Dive Boat capable of accommodating dive crew, 2 Corps of Engineers personnel and all necessary equipment. Boat must have sufficient freeboard and horsepower to navigate the Snake River.**	Per Day					
0006	**Welding supplies and consumables**	Per Hour					
0007	**Overtime pay rate-Dive supervisor.**	Per Hour					
0008	**Overtime pay rate-Diver**	Per Hour					
0009	**Overtime pay rate-Tender**	Per Hour					
0010	**Overtime pay rate for standby diver**	Per Hour					
0011	**Overtime pay rate for ROV Pilot/Operator**	Per Hour					
0012	**Overtime pay rate for Pilebuck**	Per Hour					
0013	**Remote Operated Vehicle Crew: includes ROV pilot and operator, 8 hours per day, truck, fuel and per diems.**	Per Day					
0014	**Remote Operated Vehicle: A Class II or III, HD ROV Package Refer to section 3 CONTRACTOR PROVIDED SPECIAL UNDERWATER EQUIPMENT**	Per Day					
0015	**Additional Equipment Required based on an individual task order requirement: The Mark up percentage to be added**	%					
0016	**Mobilization and Demobilization of Modular Floats & Skiff to dive site.**						
0016AA	**Mobilization and Demobilization of Modular Floats & Skiff to Dowrshak dive site.**	*1 per each task order					
0016AB	**Mobilization and Demobilization of Modular Floats & Skiff to Lower Granite dive site.**	*1 per each task order					
0016AC	**Mobilization and Demobilization of Modular Floats & Skiff to Little Goose dive site.**	*1 per each task order					

0016AD	**Mobilization and Demobilization of Modular Floats & Skiff to Lower Monumental dive site.**	*1 per each task order					
0016AE	**Mobilization and Demobilization of Modular Floats & Skiff to Ice Harbor dive site.**	*1 per each task order					
0016AF	**Mobilization and Demobilization of Modular Floats & Skiff to McNary dive site.**	*1 per each task order					
0016AG	**Mobilization and Demobilization of Modular Floats & Skiff to Lucky Peak dive site.**	*1 per each task order					
0017	**Pilebuck Crew: includes 8-hour Pilebuck (4-man) crew to set up and assemble the floats and to place equipment onto floats.**	Per Day					
0018	**Modular Floats 13' x 30' : includes floats to accommodate dive spread and skiff with outboard**	Per Day					
0019	**Modular Floats 32' x 30' : includes floats to accommodate dive spread and recompression chamber and skiff with outboard.**	Per Day					
0020	**Basic Dive Day (8 hrs): Using surface supplied air (SSA-NITROX/Mixed Gas), employing a six-person dive team comprised of (1) non-diving dive supervisor, (3) diver, (1) standby diver, (1) tender, . Include all associated dive equipment and tools, dual lock dive chamber, camera/monitoring with DVD recording capability.**						
0020AA	**Standard dive up to 50 feet deep**	Per Day

		Total /Year					
		Total Base and Option Years					

***Each task order will have only one mob/demobilization charge whether it runs one or several days.**

As prescribed at FAR 31.205-46, travel costs incurred for travel in the Continental United States, Alaska, Hawaii, The Commonwealth of Puerto Rico, and territories and possessions of the United States, shall not exceed on a daily basis the maximum per diem rates in effect at the time of travel as set forth in the Joint Travel Regulations, Volume 2, DoD Civilian Personnel, Appendix A, prescribed by the Department of Defense. Lodging and per diem apply to jobs that run more than one day. Each task order will allow for these costs based on number of days over the first day and be part of the task order pricing proposal.
