The request for Quotation (RFQ) number is N66604-26-Q-0211.

This requirement is being solicited as a 100% small business set-aside as concurred with by the NUWCDIVNPT Office of Small Business Programs. The North American Industry Classification System (NAICS) Code for this acquisition is 334511– Search, Detection, Navigation, Guidance, Aeronautical, and Nautical System and Instrument Manufacturing. The Small Business Size Standard is 1,350 Employees.

The Naval Undersea Warfare Center Division, Newport (NUWCDIVNPT) intends to award a firm fixed price (FFP) purchase order for the following Nexyn Corporation items on a Brand Name only basis. These parts are proprietary to Nexyn Corp and they are the only parts that have been tested and proved to be Fleet ready. All current maintenance and operational instructions are only applicable to these parts. Also, all current operators are trained to use these parts. An alternate would require extensive document revisions and retraining for operators. Offerors shall complete the pricing for both ordering periods below. Failure to price all items may render the quotation incomplete.

This solicitation requires registration with the System for Award Management (SAM) prior to award, pursuant to applicable regulations and guidelines. Registration information can be found at www.sam.gov.

Offerors shall include price, payment terms, delivery terms, and the following additional information with submissions: Offeror Point of Contact (including phone number and email address); Offeror CAGE Code; and Offeror SAM UEI.

The Government's method of payment will be electronic payment via Wide Area Workflow (WAWF).

Award will be made based on the Lowest Price Technically Acceptable quote. In order to be determined technically acceptable, offerors shall:
(1) Quote the required brand name item, no substitutions, in the required quantity;
(2) Provide verifiable proof of supply chain traceability from the Original Equipment Manufacturer (OEM).

COUNTERFEIT REPORTING. The contractor shall immediately, upon awareness of any instance of counterfeit and suspect counterfeit materiel, notify the contracting officer in writing. Additionally, within 60 days of awareness, the contractor shall file a Government-Industry Data Exchange Program (GIDEP) report of all instances of counterfeit and suspect counterfeit materiel. Prime contractor shall flow this requirement down to its subcontractors and suppliers at all tiers and shall report subcontractors' findings to the KO and GIDEP within the timeframes specified above.

The Government will also consider past performance information on the Supplier Performance Risk System (SPRS) where negative information within SPRS may render a quote being deemed technically unacceptable.

Quotes shall be submitted to Elizabeth Peckham at elizabeth.a.peckham2.civ@us.navy.mil. Quotes received after the published closing date are late and may not be considered for award. Any questions regarding this RFQ must be submitted in writing to Elizabeth Peckham at elizabeth.a.peckham2.civ@us.navy.mil no later than 2:00 PM EST on August 11, 2026. Questions received after this deadline will not be considered.
