Description

This is a combined synopsis/solicitation for commercial products or services prepared in accordance with Federal Acquisition Regulation (FAR) Part 12. This announcement constitutes the only solicitation. Quotes are being requested, and a separate written solicitation will not be issued.

Solicitation number 15BCTS25Q00000016 is issued as a request for quotation (RFQ). The Federal Bureau of Prisons, CTS Contracting Office, Washington, D.C. is seeking quotes from sources that have the ability to provide community-based outpatient substance use disorder, and mental health treatment services for male and female Adults in Custody (AICs) residing at the local Residential Re-entry Center (RRC) and on home confinement in Great Falls, MT. Simplified acquisition procedures are being used and anticipated award date is October 1, 2026.

This acquisition is set aside for small business concerns. This solicitation incorporates provisions and clauses by reference. The full text of provisions and clauses may be accessed electronically at www.acquisition.gov.

The associated North American Industrial Classification System (NAICS) code for this procurement is 621420, with a small business size standard of $19,000,000. The product or service code is G004. The government will award an indefinite-delivery contract resulting from this combined synopsis/solicitation to the responsible offeror whose offer, conforming to the synopsis/solicitation, will be most advantageous to the government (as determined by the solicitation evaluation criteria).

Services

The contractor shall be capable of providing outpatient substance use disorder and mental health treatment services to offenders confined in community-based programs in Great Falls, Montana area.

These services shall be in accordance with the Federal Bureau of Prisons (BOP) Community Treatment Services (CTS) Statement of Work, dated September 2022.

The period of performance is for a one-year base period estimated to begin on October 01, 2026 with four (4) one-year option periods, with services ending (if all options years are renewed) on September 30, 2031. These services required for this contract include a Base Year, Option Year One, Option Year Two, Option Year Three, and Option Year Four.

Place of Performance

The location where services are to be provided must be within a 10-mile radius of the U.S. Post Office at 3400 9th Avenue S, Great Falls, MT 59405 and within a half (1/2) mile walk to a local public transportation stop.

All references to Residential Re-Entry Center (RRC) and Community Correctional Center (CCC) shall be treated equally for the purpose of this contract.

Deliveries

In accordance with Federal Acquisition Regulation (FAR) 16.505, and the clause located in FAR 52.216-18, Ordering, states that any supplies or services to be furnished under this contract shall be ordered by issuance of task orders by a warranted Contracting Officer in the CTS Contracting Office.

Freedom of Information Act

The Freedom of Information Act (FOIA) and its amendments have resulted in an increasing number of requests to Federal Agencies for copies of Technical/Management and Business Proposals from other than Government sources. The offeror should identify information in its Technical/Management and Business Proposals the offeror believes should be withheld from these sources, on the basis the proposals consist of "trade secrets and commercial or financial information obtained from a person and privileged or confidential" (exemption (b) (4) of the FOIA). This identification will assist in the decision by a responsible federal official to disclose or withhold the requested information.

If an offeror considers elements of its proposal to be exempt under FOIA, ensure the following notice is annotated on the title page of the quote:

Elements of this document, as identified on individual pages, are considered by the submitter to be privileged or confidential trade secrets or commercial or financial information not subject to mandatory disclosure under the Freedom of Information Act. Material considered privileged or confidential on this basis is contained on pages ____.

The offeror must annotate each individual item it considers privileged or confidential under the FOIA exemption with the following notice:

The data or information is considered confidential or privileged, and not subject to mandatory disclosure under the FOIA.

All information in an offeror's quote not designated may be subject to automatic public disclosure if it is requested under the FOIA. It must be emphasized that under the FOIA no information is automatically exempt from public disclosure. However, no disclosures will be

made without careful evaluation, giving due regard to the need for safeguarding material considered privileged or confidential by the offeror. It is Department of Justice policy to withhold whenever possible material that is genuinely privileged or confidential.

Billing Information

The Government will make payment on a monthly basis via Electronic Fund Transfer. Invoices with the contract number should be submitted electronically to BOP-RSD-CRBCTS-BILL-KC-S@bop.gov. Contractors that are classified as a small business are required to indicate their small business size status on each invoice submitted for payment.

Award Without Discussions

Award will be made to the quoter whose quotation offers the best value to the government, considering technical capability and lowest price technically available. Quoters are advised an award may be made without discussions. The Contracting Officer cannot overemphasize the necessity for the initial quotation of a quoter to provide the Government with sufficient information identifying the quoter's best terms from a cost or price and technical standpoint.

Community Treatment Services Decisional Rule Criteria Lowest Price Technically Acceptable:

Each quotation will be initially reviewed to determine that all document submission requirements listed under Addendum to FAR 52.212-1, Instructions to Offerors-Commercial Items, are met. By using the documentation submitted with each quotation, an initial review will also be conducted to determine whether it meets the minimum requirements contained in the Decisional Rule Criteria below. Any quotation not meeting these criteria shall not receive consideration for award.

Quotes must clearly demonstrate at the time of submission, unless otherwise stated, the capability to meet the Decisional Rule Criteria below. Quotes will be rated "Acceptable" or "Unacceptable" based on the Decisional Rule Criteria. Quoters receiving an "Unacceptable" rating will be advised of their elimination from the procurement. Quoters receiving an "Acceptable" rating shall be considered for award.

Quoters who fail to furnish any of the below submission requirements shall be excluded from consideration:

COMMUNITY TREATMENT SERVICES 2022 - DECISIONAL RULE CRITERIA – LPTA

1. **Staffing Requirement: The Quoter must have key personnel to meet the solicitation requirements. The Quoter must ensure all personnel providing clinical services to Bureau offenders meet the experiential, educational, and appropriate licensure/certification as required by the state authority where the services will be rendered.** [SOW 5.1]
    a. Submit the Technical Personnel document that identifies the position and responsibility of all personnel proposed to meet or exceed the minimum staffing requirements of key personnel in table 1a below. All key personnel and administrative positions must be identified on this document. [SOW 5.2]
    b. Submit copies of current and valid professional licenses for key personnel who will provide direct clinical services to Bureau offenders. Clinical licenses submitted must be listed in table 1b below and must correspond to the respective clinical duties performed. [SOW 5.4]
        i. Staff licenses for medical staff (e.g., medical doctor, physician assistant, nurse practitioner) must meet the standards of practice established by the applicable state's professional regulatory board in the state where services will be rendered.
        ii. If submitting a non-medical license that is not listed in table 1b, complete the Mental Health/Behavioral Health Professionals Scope of Practice Summary. Any licenses other than those listed below will be reviewed on a case-by-case basis.
        iii. If unable to produce an original license, provide a license verification sheet with a copy of a government-issued photo identification card for the staff member.
    c. Submit the Clinical Experience document for all key personnel who will be providing direct clinical services and list total clinical experience working with a criminal justice population providing substance use disorder, mental health, or sex offender treatment services.
    d. Submit resumes for key personnel listed on the Clinical Experience document. Resumes must show documented experience working with a criminal justice population providing substance use disorder, mental health, or sex offender treatment services and must correspond to information submitted on the Clinical Experience document. Documented experience on a resume must include brief descriptions of the type of clinical services provided working with a criminal justice population. [SOW 5.3]
    e. [SOW 5.4.5]

2. **Operational Requirement – Cognitive Behavioral Therapy (CBT): The Quoter must demonstrate adherence to the CBT model of treatment or other evidence-based programming compatible with CBT.** [SOW 2.2]

a. Submit two cognitive behavioral methods or techniques that will be used with Bureau offenders in the delivery of Community Treatment Services (CTS). Limit response to listing the methods or techniques that will be used; do not provide explanations or descriptions of the methods or techniques, unless not a widely known form of treatment. [SOW 2.2.1]

3. **Operational Requirement – Crisis Interventions: The Quoter must provide emergency crisis intervention assessments, when necessary. The Quoter must have the ability to provide a crisis intervention evaluation and submit a report, contract line-item number (CLIN) 6000, within 24 hours of the request made by CTS staff.** [SOW 4.3.9]
    a. Identify on the Technical Personnel document which key personnel are able to conduct a comprehensive diagnostic interview and provide the written report within 24 hours of referral for emergency crisis interventions.

4. **Facility Requirement – Proposed Location(s): The Quoter must provide treatment at performance sites that meet the specified restrictions, space requirements, ADA compliance guidelines, and that do not present safety risks to the community.** [SOW 7.1 & 7.2.1]
    a. List addresses for all proposed performance sites, including subcontractors, where the following services will be provided: substance use disorder and mental health, which must be within a 10-mile radius of the U.S. Post Office at 3400 9th Ave South, Great Falls, MT 59405 and within a half (1/2) mile walk to local public transportation.
    b. Submit a deed, lease, bill of sale, option or intent to lease, or option to buy in the name of the Quoter, or subcontractor, if applicable, for all addresses listed in 4a.
    c. Provide the methods and means that will be used to ensure individual and group rooms are private and allow for confidentiality during treatment sessions. [SOW 7.1.1]
    d. Submit an office diagram (see attached example) for each proposed performance site listed in 4a. The diagram must identify all rooms that will be used for counseling space and services, i.e., individual, group, or psychiatric treatment rooms, as well as space used for a waiting, lobby or reception area. The location of the restroom facilities should also be identified. [SOW 7.1.1]
        i. Specify on the office diagram the number of individuals each group room can comfortably accommodate. Therapeutic group rooms must be primarily dedicated to treatment or reserved for outpatient community treatment services.
    e. Complete and submit the attached Americans with Disabilities Act (ADA) Checklist for each proposed performance site listed in 4a. [SOW 7.1.1]
    f. Complete and submit the attached Local Areas of Concern document for each proposed performance site listed in 4a. This document must identify the following areas of concern that are within: 500 feet. This must include the same space and/or same building, of each proposed performance site, and include a plan to mitigate risk to children and other vulnerable populations:
        i. Schools, day-care centers, playgrounds, developed or improved parks, athletic fields, churches, school bus stops, and any facilities/businesses that primarily care for/educate/entertain minors or other vulnerable populations. [SOW 7.2.1]

5. **Facility Requirement – Facility License: The facility must be appropriately licensed and/or certified to provide all required services on, or by, the contract effective date by the state authority where services will be rendered.** [SOW 7.4]
    a. Submit the required state facility license and/or certification to provide all treatment services at the proposed performance site(s) listed in 4a.
        i. If in the process of obtaining a valid license, submit the completed application, provisional license, official email correspondence, and/or other official documentation as proof. Documentation must show that the Quoter may begin services on, or by, the contract effective date.

To facilitate the award process, all quotes must include a statement regarding the terms and conditions herein as follows:

"The terms and conditions in the solicitation are acceptable to be included in the award document without modification, deletion, or addition."

OR

"The terms and conditions in the solicitation are acceptable to be included in the award document with the exception, deletion, or addition of the following."

Quoters must list exception(s) and rationale for the exception(s). Quoters that reject the terms and conditions of the solicitation may be excluded from consideration.

Submission must be received no later than September 3, 2026, by 2:00 p.m. (EST). Late submissions will be treated in accordance with the solicitation provision at FAR 52.212-1(c). Only E-mailed quotes will be accepted to **sjones2@bop.gov**.

Any questions or concerns regarding this solicitation should be forwarded in writing via e-mail to **sjones2@bop.gov**, and **r1carroll@bop.gov**.

All responsible sources may submit a quote, which will be considered by the agency.
