1. Is this a new requirement or a recompete? If a recompete, can you provide the current contract number and contractor name for reference? **This is a re-compete for FA488722P0002 Awarded to Idemma**
2. Is the Catholic Music Director role currently being performed by a paid contractor, a chapel volunteer, or is the position vacant? **Paid sub-contractor**
3. If a current individual (contractor or volunteer) is performing this role, does the agency intend to continue utilizing that person, or is the agency open to new personnel? **It is up to the new awardee to fill the role. Awardee can be provided the incumbent sub-contractors info after award if there is mutual interest.**
4. Will there be a transition period with the incumbent contractor or current volunteers following contract award? **That will be up to the awardee and the current contractor.**
5. Will the Government accept proposals where the required services are performed by a qualified subcontractor under the prime contractor, with the prime maintaining full responsibility for contract performance? **Yes, that is the current set-up**
6. Can the Government provide the anticipated recurring schedule (days and approximate times) for weekly rehearsals and worship services? **Scheduling will be coordinated with Chapel Staff. See Paragraph 7 of PWS**
7. Are funeral services, memorial services, weddings (if applicable), Holy Days of Obligation, and other special liturgies included within the estimated 150 annual events identified in the PWS? If not, can the Government provide an estimated annual quantity of these additional services? **Yes, they are included in the estimated units**
8. Does the Government provide all required music licensing subscriptions (e.g., OneLicense, CCLI, GIA, Breaking Bread), or is the contractor expected to furnish these resources? **Government provided.**
9. Will the Government provide the music library, presentation software, A/V equipment, and other resources necessary to perform the services identified in the PWS, or is the contractor expected to furnish any of these items? **Government Provided**

10. Can the Government estimate the expected frequency and typical duration of meetings referenced in Section 5.9? If meetings are not included within the estimated 150 annual events identified in the PWS, can the Government provide the anticipated annual number of meetings? **Yes, meetings are including in the 150 events and it is expected that meetings would be expected at 4 per year.**

11. Section 5.7 references providing arranged, improved, and scored music. Does the Government anticipate original musical arrangements, or will existing published arrangements generally satisfy this requirement? **existing published arrangements generally satisfy this requirement**
