    If not, how many option years would you be willing to price? (circle one) 1 2 3 4
    If less than four (4) option years, why?

Additional Commercial Item Questions

1. If you have designated this item as a commercial item, please provide evidence of actual sale, lease, or license of this item to the general public. (Example: proof of sales to commercial accounts; invoices to commercial accounts; any other proof of commercial application, either the end item or components of the item itself)

2. If you have designated this item as a commercial item because it has evolved through advances in technology or performance, but it is not yet available in the commercial marketplace but it will be available in time to satisfy the Government's delivery requirements, please provide evidence to satisfy this timetable.

3. If you have designated this item as a commercial item, but it requires modifications of a type customarily available in the commercial marketplace, or minor modifications of a type not customarily available in the commercial marketplace, but made to meet the Governments requirements, please provide evidence of the customary availability of in the commercial marketplace or the technical relationship between the commercial item and the minor modifications to meet the Government's needs. (For the latter, attach drawings or comparison of the characteristics of the commercial item and the modified item, as appropriate; or similar item / NSN and showing that the item is similar or "almost the same" as the requested item.)

4. Any combination of items meeting 1, 2, or 3 above that are of a type customarily combined and sold in combination to the general public, please provide evidence to this customary combination being sold to the general public.

5. Any item or combination of items that would meet 1, 2, 3, or 4 above but for being transferred between or among separate divisions, subsidiaries, or affiliates of a contractor, please annotate how the item meets 1, 2, 3, or 4.

6. Please provide a copy of any Commercial Warranty that applies to this item.

7. Please provide any price list, catalog, or web link that demonstrates the commercial aspect and use of this item.
