AMENDMENT NO	DATE

C. The following is to provide guidance to Offerors for scheduling and conducting a site visit:

SITE VISIT

1. Purpose. A site visit is scheduled to allow prospective Offerors the opportunity to visually inspect the existing Ascom Telligence nurse call infrastructure, cable pathways, room configurations, server room location, and the 107 Hill-Rom beds requiring interface, across the locations identified in Section B.1 of this solicitation. Failure to attend the site visit will not excuse an Offeror from any requirement of this solicitation, nor will it be grounds for a claim after award concerning site conditions that reasonable due diligence would have revealed.

2. Date, Time, and Location.

Dates Available for Site Visits: The week of August 10, 2026 (August 10, 2026, through August 14, 2026).

Time: The scheduled site visit shall last no more than two (2) hours.

- Structure: An 8-level, 2,335-space parking garage connected to the VA Primary Care Annex via a covered walkway and healing garden

3. Registration Requirement. Due to hospital security and escort requirements, all attendees must register no later than three (3) business days prior to the site visit (and no later than August 11, 2026, to be able to schedule a site visit on the last day of site visit availability) by emailing the following to Erica Chames at Erica.Chames@va.gov and Albert “Al” Jones at Albert.Jones3@va.gov.

- Full legal name of each attendee
- Company name
- Valid government-issued photo ID information (form of ID to be presented on-site)
- A point of contact phone number

No walk-ins will be permitted. Attendees not on the registration list may be denied facility access.

4. Access and Escort. Because this is an active VA medical facility, all attendees will be escorted by VA personnel at all times. Attendees shall not independently access patient care areas, IT closets, the server room, or clinical units.

5. Conduct in Clinical Areas. Because portions of this facility are active inpatient/clinical care units:

- Attendees shall comply with all infection control precautions (hand hygiene, PPE as directed).
- Attendees shall not photograph, record, or interact with patients, patient information, or patient care activities.
- Photography of infrastructure (wiring, room control boards, server racks) may be permitted only with prior written approval from the COR; VA reserves the right to prohibit photography in any area.
- The Government reserves the right to reschedule, shorten, or terminate the visit, or remove any attendee, without notice, if patient care needs require it.

6. No Information Beyond the Solicitation. Any verbal information provided during the site visit is for informational purposes only and does not modify the terms of this solicitation. Only written amendments issued by the Contracting Officer are binding. Offerors should not rely on verbal statements made during the site visit.

7. Questions Arising from the Site Visit. Questions arising from the site visit shall be submitted in writing to Contract Specialist Richard.Melton2@va.gov and Contracting Officer Diana.Armesto@va.gov no later than August 17, 2026, at 3:00pm Eastern. Answers of general applicability will be issued via amendment to all prospective Offerors.

8. SDVOSB Set-Aside Note. As this is a total SDVOSB set-aside, all attendees representing an Offeror should be prepared to identify their firm's SDVOSB status/UEI if asked, though this is not a condition of site visit attendance.

9. The Government is not responsible for any cost incurred by industry in conducting the site visits and developing quotations in response to this solicitation. All costs associated with responding to this solicitation will be solely at the interested Offeror's expense.
