Jefferson Lab
Thomas Jefferson National Accelerator Facility

July 31, 2026

To: All Interested Bidders

Jefferson Lab (JLab), a Department of Energy National Accelerator Facility in Newport News, VA, managed and operated by SURATech, has issued the revised, unrestricted solicitation for the **Hall C Air Conditioning (A/C) Replacement**. If you are interested in competing for award, you must register for this requirement to access all solicitation documents on the Jefferson Lab Solicitation Bulletin Board at https://misportal.jlab.org/ul/bus_ops/

If you are not interested in providing a proposal, please send a "No Bid" email notification to me.

Please reference Solicitation No. **SURATech-26-R453399A** on all communication to SURATech related to this solicitation.

Please note the following:

- Offerors must attend a site visit to be eligible for award of a subcontract from SURATech resulting from this solicitation. Please follow the site visit instructions included in the RFP to register as a Visitor to Jefferson Lab no later than **August 10, 2026**.
- Questions regarding the solicitation must be submitted in writing to me no later than **August 20, 2026**.
- Proposals are due no later than **4:30 p.m. August 27, 2026**. Please note that award on initial offers can be made. Therefore, any issues or questions should be resolved prior to submission of bids.

Should you have any problems opening a file or have any questions, please send an email or call me at the number below.

Sincerely,

Sharon Williams
