ADDENDUM TO FAR 52.212-1:

Price submission must be completed using page 3 of the Combined Synopsis/Solicitation in order to be considered for this requirement.

Technical submission must be completed using a secondary document. The Technical information shall be clear, concise, and include sufficient detail for effective evaluation and for substantiating the validity of stated claims. Quotes shall not simply rephrase or restate the Salient Characteristics or contain general statements such as "Standard procedures will be employed." Proposals shall provide convincing rationale addressing how the technical portion of the offer meets solicitation requirements. Offerors shall assume the Government has no prior knowledge of the offeror's experience. The Government will base its evaluation on the information presented in the offer.

All documents are required to be submitted electronically for evaluation purposes via e-mail to daric.giles@us.af.mil and 97CONF.PKA.Contracting@us.af.mil. Offeror will input unit prices for the listed items pertaining to each CLIN.
