CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS

BLK 7: The electronic receiving report shall be annotated with the Lot Number, National Stock Number and Nomenclature. The electronic receiving report shall also be annotated to reflect if additional submittals are to be furnished or if this is the final submittal of data. The electronic receiving report shall be used only for this data item; do not combine other data item submittals with this requirement. Electronic receiving report required via internet Wide Area Work Flow (WAWF) at: https://wawf.eb.mil.

BLK 9: DISTRIBUTION STATEMENT B. Distribution authorized to U.S. Government agencies; CTI & Export Controlled. (Date of Contract Award). Other requests must be referred to AFLCMC/EBHJ.

WARNING - This document contains technical data whose export is restricted by the Arms Export Control Act (Section 2751 of Title 22, United States Code) or the Export Control Reform Act of 2018 (Chapter 58 Sections 4801-4852 of Title 50, United States Code). Violations of these export laws are subject to severe criminal penalties. Disseminate in accordance with provisions of DoD Directive 5230.25 and DoD Instruction 2040.02.

BLK 10,12,13: Submit after successful Lot Acceptance Test and prior to delivery of each production lot.

BLK 14: A sample ADC or "draft" will be generated and submitted for each part number/NSN produced under this contract using the Worldwide Ammunition-data Repository Program (WARP) system to ensure general format and content is acceptable prior to final ADC submittals. Sufficient hard copies of final version ADCs shall be generated for each individual production lot from the Worldwide Ammunition-data Repository Program (WARP) such that at least one hard copy per production lot shall be provided with each individual CLIN shipment/destination. An electronic copy for each production lot shall be submitted/uploaded with the electronic receiving report through WAWF to AFLCMC/EBHJ using DoDAAC FA8213.

16. REMARKS

BLK 4: Follow format per DID. Incorporate the following applicable requirements:

a. Dimension and tolerances specified on the manufacturing data shall be listed in one column with the actual corresponding reading obtained from inspection of the part, listed in another column.

b. Material utilized in the manufacture of "First Article" item shall be identified and certified as conforming to applicable data requirements.

c. Certification that identification markings, i.e. part number per MIL-STD-130N(1) and Federal Supply manufacturer (FSCM) per H4-1 Cataloging Handbook (if applicable) have been complied with.

e. The test report will be certified by the responsible DCMA/QAR. (Authorization for any deviations from the requirements specified by the manufacturing data must be obtained from the procuring agency prior to inclusion in the test report).

BLK 7: The electronic receiving report shall be annotated with the Lot Number, National Stock Number, and Nomenclature. Electronic receiving report required via internet Wide Area Work Flow (WAWF) at https://wawf.eb.mil.

BLK 9: DISTRIBUTION STATEMENT B. Distribution authorized to U.S. Government agencies; CTI & Export Controlled. (Date of Contract Award). Other requests must be referred to AFLCMC/EBHJ.
