SUMMARY OF CHANGES

Section A - Solicitation/Contract Form

The following changes have been made:

INFORMATION	FROM	TO
Response Due Date	04 Aug 2026	27 Aug 2026

Miscellaneous text in this section has been modified to:

The purpose of this amendment is to:

1) Extend the solicitation closing date from 3:00 p.m. EST 4 August 2026 to 3:00 p.m. EST 27August 2026.

2) Answer the following questions that were received in response to the solicitation issuance:

Question 1: Are you anticipating extending the proposal submission deadline?

Answer 1: The submission deadline will be extended from 4 August 2026 to 27 August 2026 3:00 p.m. EST.

Question 2: Are opportunities of this nature typically issued periodically, or is this a one-time solicitation?

Answer 2: The Government continually evaluates its mission requirements. While this specific solicitation addresses a current operational need, future requirements of a similar nature may be solicited periodically as dictated by evolving mission needs.

Question 3: For the past performance requirement, must the references be from U.S. Government contracts, or may we also provide relevant past performance with private-sector customers?

Answer 3: Private sector past performance is acceptable. If submitting private sector past performance records, with no CPARS record, the Offeror shall submit one (1) Past Performance Questionnaire, Attachment 02 in Section J, to each of its customer POCs identified in the Recent and Relevant Past Performance References. Please refer to Section L - Instructions, Conditions, & Notices to Offerors or Quoters.

Question 4: The Government states in "Volume 2: Past Performance" that "Past Performance Information shall be provided for the Prime and all subcontractors in order to develop an Offeror's past performance rating". The Government also states in the same section that if there is a CPARS Record the Offeror shall provide up to three references listed on the past performance reference sheet (Attachment 01 in Section J). Attachment 01 requires information pertaining to the offeror's past-performance reference but does not clearly delineate what information, if any, needs to be provided as it pertains to subcontractors.

Can the Government confirm that the extent of subcontractor past-performance should be provided in Attachment 01 as part of the narrative describing the offeror's experience?

Answer 4: Subcontractor past performance should be provided using the same reference sheets (Attachment 01 and 02 as applicable) as the Offeror. This ensures a thorough and fair evaluation of the entire team's past performance.

In the interest of time, the Government will no longer be addressing questions received in response to this solicitation, unless they are considered to be of a critical nature and will add value to potential offeror's submissions.
