JUSTIFICATION FOR OTHER THAN FULL AND OPEN COMPETITION UNDER AUTHORITY OF 10 U.S.C. § 3204(a)(1) MAINTENANCE, REPAIR, AND OPERATIONS (MRO) PROGRAM

1. Defense Logistics Agency (DLA) Troop Support, Construction and Equipment Supply Chain, is the contracting activity.

2. The action being approved is the award of DLA requirements on an Other than Full and Open Competition basis.

3. The proposed acquisition is for a bridge contract for a period of 487 days to provide for the purchasing of facilities maintenance, repair, and operations (MRO) materials and other supplies including, but not limited to: Heating, Ventilation, and Air Conditioning (HVAC); plumbing supplies (including bath and shower items); electrical products (including generators, wire, connectors, sockets, outlets, lights, etc.); tools of various kinds; chemical, lubricating, and rubber products and products including same; construction supplies (including but not limited to cement, lumber and plywood, bricks, blocks, steel, aluminum, and other metal products, conduits, prefabricated structures, etc.); perimeter security items such as barriers, barbed wire, concertina wire, and sand bags (also used for erosion prevention); communication devices (such as walkie-talkies, two-way radios, etc. used by maintenance personnel); and various other MRO supplies and incidental services needed by war-fighters stationed in the Southeast Region Zone 1. The proposed maximum dollar value [redacted] is $90,000,000.00 for a period of 487 days. The original five (5) year contract for this region, SPE8EG-14-D-0011, was awarded to SupplyCore, Inc. with an effective date of August 29, 2014; the contract expired on August 28, 2019. The first bridge contract, SPE8E3-19-D-0009, was awarded with an effective date of August 29, 2019, and expired on November 28, 2020. The second bridge contract, SPE8E3-21-D-0001, was awarded with an effective date of November 29, 2020, and expired on November 28, 2021. The third bridge contract, SPE8E3-22-D-0003, was awarded on November 29, 2021, and expired on November 15, 2022. The fourth bridge contract, SPE8E3-23-D-0009, was awarded on November 16, 2022, and expired on March 15, 2024. The fifth bridge contract, SPE8E3-24-D-0009, was awarded on March 16, 2024, and expired on June 15, 2025. The sixth (current) bridge contract, SPE8E3-25-D-0018, was awarded on June 16, 2025, and is set to expire on August 2, 2026. The proposed action will be the seventh bridge contract for the Southeast Region Zone 1.

   The proposed bridge contract will have an effective period of August 3, 2026 through December 2, 2027. This time period is necessary to provide support to the region during the award process of the competitive follow-on contract and the implementation period of sixty (60) days following award of the competitive contract. Sixty (60) days is the standard implementation period for the next generation of MRO contracts for zones which do not support storefronts. If a competitively awarded contract is issued ahead of the

projected timeframe and the contract guaranteed minimum of $50,000.00 is satisfied, orders will no longer be placed under the bridge contract.

4. The applicable statutory authority permitting other than full and open competition is 10 U.S.C. § 3204(a)(1), as implemented by Class Deviation 2026-O0017 Revision 1 – Revolutionary Federal Acquisition Regulation (FAR) Overhaul Part 6, Defense FAR Supplement (DFARS) Part 206, and Revolutionary FAR Overhaul Part 6.103-1, Only one responsible source and no other supplies or services will satisfy agency requirements.

6. This requirement will be published to Contract Opportunities. In addition, this justification will be made available for public inspection after award, in accordance with Class Deviation 2026-O0017 Revision 1 – Revolutionary FAR Overhaul Part 6, DFARS Part 206, FAR Part 6.301(b).

7. As the Contracting Officer, I hereby determine that the anticipated cost to the Government will be fair and reasonable based on price analysis, including comparison to available commercial pricing, General Services Administration (GSA) pricing, and other Government contracts.

8. With the exception of synopsizing this requirement, no additional market research will be conducted, and no other firms will be solicited since the required supplies and services are only available from the incumbent contractor in the required timeframe.

9. There are no other facts supporting the use of other than full and open competition. The proposed seventh bridge contract, to be awarded to SupplyCore, is required to support customer requirements until a follow-on initiative is competitively awarded.

10. While no other sources have expressed a written interest in this acquisition, it is anticipated that SupplyCore will be interested in this bridge contract.

11. The proposed bridge contract covers the Southeast Region Zone 1. The award for the follow-on contract is expected to be implemented by [redacted]. Future solicitations are expected to be issued competitively.
