

Question and Answer Set #2

Q#	Section/Document(s)	Page #	Question/Request for Change	Bidder's Rationale for Change Request	Answer
1	86	Attachment 12	The RFO states: For the purposes and context of the Bidder qualifications forms and reference forms only, the term "Project" is defined as an individual effort or contract where the Bidder was the Prime Contractor on the cited contract.	Would the State please confirm it will accept projects / project experience where the bidder was the system integrator or primary contractor performing the majority of the scope of work, for example in the case of a Software License Program project where the reseller is technically the prime contractor, but only providing the resale and contract management/invoicing? This allows vendors to provide experience for EDD and other relevant agencies where the work was substantially performed as the primary, without restriction to the 3-4 SLP resellers on the contract.	No, Per EDD RFP 3475 for Salesforce M&O Addendum 2, Part 2, ATTACHMENT 12: BIDDER QUALIFICATIONS FORM - INSTRUCTIONS, "the term "Project" is defined as an individual effort or contract where the Bidder was the Prime Contractor on the cited contract." Refer to Box 9, Bidder was Prime Contractor, "If the "No" box is checked, time spent on that project will not count towards Bidder experience."
