**COMBINED SYNOPSIS/SOLICITATION**

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulations (FAR) Subpart 12.2, as supplemented with additional information included in this notice.

**General Information**

| | |
|---|---|
| **Solicitation Type:** | Request for Quote, FAR part 12.201 |
| **Solicitation Number:** | N0017326QKN04 |
| **Posted Date:** | July 30, 2026 |
| **Response Date / Time:** | In accordance with the due date/time determination listed via SAM.gov |
| **NAICS Code:** | 334111 |
| **Size Standard:** | 1,250 (# of employee) |
| **Product or Service Code:** | 7B20 |
| **Set-Aside:** | Total Small Business Set-aside |
| **Contract Type:** | Firm Fixed-Price (FFP) |
| **Point(s) of Contact:** | Kevin Nguyen, Contract Specialist, kevin.nguyen3.civ@us.navy.mil<br>Brandon Zellers, Contracting Officer, brandon.s.zellers.civ@us.navy.mil |

All changes to this solicitation that occur prior to the closing date will be issued via amendment posted to the announcement on Contract Opportunities (www.SAM.gov). It is the responsibility of interested offerors to monitor the announcement for amendments that may be issued to this solicitation. For changes made after the closing date, only those offerors that provide a quote will be provided any changes/amendments and considered for future discussions and/or award.

**Questions must be submitted to the Point(s) of Contact listed above no later than three (3) days after the Posted Dat**e.

**Requirement Information**

The Laboratory for Autonomous Systems Research (LASR), Code 1700, located at the U.S. Naval Research Laboratory (NRL) in Washington, D.C., requires the procurement, installation, configuration, and support of high-performance computing platforms and an integrated control workstation.

The purpose of this procurement is to provide:

1. **A 4-server GPU/CPU rack** capable of multi-threaded processing, GPU-accelerated workloads, AI and simulation applications, and integration with a system equivalent to Omniverse-based digital twin and simulation environments
2. **A control workstation** for remote monitoring, asset management, and system integration with the server rack.

All systems and services must be fully compatible, operational, and support integrated management workflows.

The vendor shall provide all hardware, software, and services necessary to meet the technical specifications outlined in this document. All deliverables, including server systems, GPUs and CPUs, storage, memory, networking, and supporting infrastructure, shall be fully assembled, configured, tested, and operational.
All systems and services must be compatible with one another and suitable for high-performance computing, AI and simulation workloads, rendering, and digital twin applications

The anticipated line-item structure as follows is based on the items outlined in the Specifications (Attachment 1):

| Item | Schedule of Supplies/Services | Quantity | Unit | Amount |
|---|---|---|---|---|
| 0001 | High-performance GPU/CPU server in accordance with the attached specifications. | 1 | Lot | $ |
| 0002 | 1U Control Workstation in accordance with the attached specifications. | 1 | Lot | $ |

**Delivery and Other Requirement Information**

| | |
|---|---|
| **Delivery Date:** | Six months after the award date |
| **Place of Performance:** | Naval Research Laboratory<br>4555 Overlook Ave. SW<br>Washington, D.C. 20375 |
| **Inspection / Acceptance:** | Destination - All services/items delivered under this action will be inspected/accepted by the Government within thirty (30) days of delivery. |
| **FOB Point:** | FAR 52.247-35, F.O.B. Destination, Within Consignee's Premises |

**Quotation Submission Information**

(a) Submission: Quotations shall be submitted electronically via email to the Point(s) of Contact by the Response Date/Time identified in the General Information Section above. A confirmation of receipt will be provided, but it is the sole responsibility of the Offeror to ensure that its response is received in its entirety and in a timely manner.

(b) Company Information: The Offeror shall ensure the following information is submitted:

- Company Name
- Address
- CAGE / Unique Entity ID
- Web Page URL
- Company point of contract, phone # and mail

(c) System for Award Management (SAM): Offerors must be registered in SAM (www.sam.gov) in order be considered for award. Offerors shall complete provision FAR 52.212-3, Offeror Representations and Certifications-Commercial Items, included in full-text below. This provision requires the completion of reps and certs in SAM with the completion of paragraph (b) of the provision. If the Offeror has not completed the annual representations and certifications electronically in SAM, the Offeror shall complete only paragraphs (c) through (v) of this provision.

**Evaluation and Basis for Award**

(a) The Government will award a purchase order resulting from this request for quotation (RFQ) to the responsible Offeror whose quotation is determined to be technically acceptable and represents the lowest evaluated price in accordance with the requirements of this RFQ.

1. Compliance with Specifications:

Offeror's shall provide a technical description demonstrating how it's quote meets all of the Government's technical specifications located in Attachment 1, Specifications. This document should contain a maximum of ten (10) pages. The Government will evaluate the quote and supporting information based on how well the quote meets the requirements of the RFQ and Attachment 1. The offeror's overall capability will be evaluated from Acceptable to Unacceptable as detailed below:

| RATING | DESCRIPTION |
|---|---|
| Acceptable | Quote meets all minimum requirements |
| Unacceptable | Quote does NOT meet any minimum requirements |

In accordance with FAR 52.212-2 Evaluation—Commercial Products and Commercial Services, award will be made to the responsible Offeror who provides a quote that is evaluated as the lowest price, technically acceptable.

**Applicable Provisions / Clauses**

All clauses and provisions can be found on acquisition.gov.
