SOURCES SOUGHT NOTICE
FOR
Joint Range Extension system for Scott AFB, IL

The 375 Contracting Squadron seeks to identify interested businesses technically capable of providing the following items as part of a brand name Science Applications International Corporation (SAIC) Joint Range Extension (JRE) hardware and software enhancement packages and technical support services:

Item No.	Part Number	Description	Qty	Unit
0001	53011-3-F2-G2-US	**JRE 1U G3, Dual Channel 1553, US Plugs**	2	EA
0002	50125-26	**JRE Software Enhancement Package (JSEP)** for Year 2026 (Installed on Item 0001)	2	EA
0003	15206-26	**Help Desk, JRE** for Year 2026 (7/24 Help Line Support). Period of Performance: 12 months from date of order.	2	EA

The anticipated North American Industry Classification System (NACIS) code is 334111. The Government is contemplating a Firm Fixed Price (FFP) contract.

This notice is not a solicitation and interested vendors shall not submit quotes in response. If a solicitation is issued, it will be announced later, and all interested parties may respond to that solicitation announcement separately from the responses to this announcement. No reimbursement will be made for any costs associated with providing information in response to the Sources Sought or any follow-up information requests.

The information requested will be used within the Air Force to facilitate decision making and will not be disclosed outside the agency.

The following information is required from interested offerors:

- Business Name
- Points of contact name, email, and telephone number
- Cage Code and UEI
- Capabilities to perform and/or hire qualified personnel/subcontractors for this type of acquisition
- Applicable business size i.e. large business, small business, SBA Certified 8(a) Program Participant, SBA Certified HUB Zone, Service-Disabled Veteran Owned Business, Woman Owned Small Business
- GSA/NASA SEWP contract number, if applicable

Interested vendors shall submit a capability statement clearly identifying how the company is technically capable of fulfilling this requirement. Responses lacking sufficient capability information will not be considered when establishing the acquisition strategy for this requirement.

Interested offerors should send the above information via email to Ms. Shawna Kuebler at shawna.kuebler.1@us.af.mil and Ms. Margret West at margret.west@us.af.mil by Monday, 17 August 2026@10:00 am Central Time. The Subject line of all correspondence shall contain the title and notice number of this Sources sought.
