ARMY ANTITERRORISM

iWATCH Army Training for Contractors
"See Something -- Say Something"

Unclassified

Training Objective

- Contractors and all associated subcontractors performing work on Army contracts must receive this training on the local iWATCH Army program.
- The objective of this training is to inform employees of the types of suspicious activity or behavior to watch for and instruct employees to report suspicious activity or behavior to the Contract Officer Representative (COR), military police, or local law enforcement.
- Training should be completed within 30 calendar days of contract award and within 5 calendar days of new employees' commencing performance on active contracts (in the case of personnel changes).
- The results of the training shall be reported to the COR.

Training Topics

- Origin of iWATCH Army
- iWATCH Army Public Service Announcement (PSA)
- Indicators of Suspicious Activity or Behavior
- "See Something Say Something"
  - What to Report
  - How to Report
- Source for Other Important Information
- Local Point of Contact

Origin of iWATCH Army

- iWATCH Army is a nation-wide modern version of neighborhood watch designed to encourage and enable members of the Army community to help protect their community by identifying and reporting suspicious activity or behavior that may be associated with terrorist activities.
- The Passive element of iWATCH Army is individual situational awareness of the surroundings.
- The Active element of iWATCH Army involves individuals taking action to report suspicious activity or behavior to military police or local law enforcement for investigation.

Origin: Headquarters, Department of the Army, ALARACT Message 110/2010, Army Implementation of iWATCH (Terrorist Watch Program), 15 April 2010

IWATCH Army PSA
