PERFORMANCE WORK STATEMENT

The U.S. Southern Command (USSOUTHCOM)
Performance Work Statement (PWS)
Chemical Latrines/Hand washing stations

As of 20 July 2026

Part 1

General Information

1. **GENERAL:** This is a non-personal services contract under which the personnel rendering the services are not subject, either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees. The United States (U.S.) Government shall not exercise any supervision or control over the Contractor's employees performing the tasks herein. Such contract employees shall be accountable solely to the Contractor who, in turn shall be responsible to the U.S. Government.

1.1 Description of Services/Introduction: The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to provide chemical latrine and hand-washing station services as defined in this PWS except for those items specified as government furnished property (GFP) and government furnished services (GFS). The contractor shall perform to the standards in this contract.

1.2 Background: Chemical latrine and hand-washing station services for The U.S. Southern Command (USSOUTHCOM) (USSOUTHCOM, also referred to herein as "the Government") in support of ExSV-26.2 Peru.

1.3 Objectives: The Contractor provides the U.S. Government with chemical latrines and hand-washing station services throughout duration of the contract.

1.4 Scope: Contractor shall provide non-personal services to the Government with chemical latrine and hand-washing station services in the quantities and at the locations and dates specified in Table 1. The contractor shall accomplish services in coordination with the Contracting Officer (KO) and the Contracting Officer Representative (COR).

1.5 Period of Performance: The period of performance shall be from **1 September to 25 September 2026.**

1.6 General Information:

1.6.1 Quality Control Plan (QCP): Reserved.

1.6.2 Quality Assurance (QA): The government shall evaluate the contractor's performance under this contract in accordance with (IAW) the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government must do to ensure that the contractor has performed IAW the performance standards and contract quality requirements are met. Contract quality requirements" means the technical requirements in the contract relating to the quality of the product or service and those contract clauses prescribing inspection, and other quality controls incumbent on the contractor, to ensure the product or service conforms to the contractual requirements. It defines how the performance standards will be applied, the frequency of surveillance, the performance threshold, and deductions, if applicable.

1.6.3 Recognized Holidays: The Contractor shall be required to perform services on all holidays unless the the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings.

1.6.4 Hours of Operation: The contractor is responsible for conducting business between the hours of 8:00AM and 5:00PM Sunday through Saturday, except Federal holidays and when the Government facility is closed due to local

or national emergencies, administrative closings, or similar Government directed facility closings. The Contractor must, at all times, maintain an adequate workforce for the uninterrupted performance of all tasks defined within this PWS when the Government facility is not closed for the above reasons.

1.6.5 Place of Performance: The work to be performed under this contract will be performed at Sauce, Peru. Further disclosure on the specifics of locations, times, places, and duration of support activities associated with U.S., Partner Nation(s), and supporting agencies, if applicable, will be kept close hold and will only be shared for official business with personnel who have a need-to-know.

1.6.6 Type of Contract: The Government anticipates the award of a firm-fixed price type contract.

1.6.7 Access and General Protection Policy and Procedures:

1.6.7.1 FPCON: In addition to the changes otherwise authorized by the changes of clause of contract, should the US Government Force Protection Condition (FPCON) at any individual installation change, the Government may require changes in contractor security matters or process in accordance with DoDI 2000.16. During FPCONs Charlie and Delta, only contract services that have been deemed "mission essential" by the Government will continue. Contract services will resume when the FPCON is reduced to Bravo or lower.

1.6.7.2 Physical Security: Reserved.

1.6.7.3 Escorts: The Contractor and all associated sub-contractor employees performing services under this contract shall be escorted at all times by host nation security personnel or by an individual designated by the Contracting Officer Representative (COR) while accessing U.S. facilities, activities or controlled areas. Escorts will announce the presence of any visitors prior to entering any controlled facility or workspace in order to allow personnel to safeguard sensitive or critical information against undue disclosure.

1.6.7.4 Personnel Security Clearance Requirements: Reserved.

1.6.7.5 Background Checks: The Contractor shall ensure contractor employees and subcontractor employees performing services under this contract have passed a security check conducted by the Host Nation Police Department of their residence or the State Police Department of their U.S. residence. Security checks that have been completed as part of a personnel security clearance background investigation, or a previous background check that was a condition of employment, meet this requirement. The successful completion of a background check by itself does not authorize the contractor access to classified information. Documentation of these checks will be made available to the KO or COR within 10 days of request. The Government retains the right to exclude any employee from performance of duties under this contract if a background security check reveals an employee is a security risk. The exclusion of an employee for security reasons will not relieve the Contractor from performance of services required under this contract. If the Government determines additional background checks are required, at a minimum, and upon request from the Government, the Contractor shall provide to the KO or COR, the following information on any contractor or subcontractor employee performing services under this contract:

- Full birth name
- Married name (if applicable)
- SSN or local equivalent (ID card number)
- Date of birth
- Place of birth (city, country)

1.6.7.5.1 Background Check Notification Requirements: If a background check on any employee or subcontractor employee performing services under this contract, whether the check was conducted as a condition of employment or as part of the contract with the Government, reveals any information from any source (including host country law enforcement) of criminal activity by Contractor employees, subcontractors, or subcontractor employees, the

Contractor shall notify the KO and COR of that information within 24 hours. The Contractor shall make notification of:

(1) Traffic violations, other than parking, will be reported to the KO or COR only if the contract is for drivers for the Government;

(2) Any suspicious activity by Contractor employees, subcontractors, or subcontractor employees the Contractor believes may pose a risk to U.S. or host nation national security or imminent risk of deadly bodily harm to any person; and

(3) Any actions taken against Contractor employees, subcontractors, or subcontractor employees pursuant to this requirement.

1.6.7.5.2 Remedies. In addition to other remedies available to the Government, the Contractor's failure to comply with the requirements of this paragraph my result in requiring the Contractor to remove a Contractor employee or employees from the performance of the contract.

1.6.7.5.3 Subcontracts. The Contractor shall include the substance of this paragraph and the preceding paragraph in all subcontracts.

1.6.7.6 Uncleared Contractor Common Access Card (CAC) Credentialing and Access Procedures: Reserved.

1.6.7.6.1 Contractor Common Access Card (CAC) Eligible Requirements: Reserved.

1.6.7.6.1.1 Federal Installation/Facility Access: Contractor and all associated sub-contractor employees shall comply with applicable installation, facility and area commander installation/facility access and local security policies and procedures (provided by government representative). The employee performing services under this contract shall also provide all information required for background checks to meet installation access requirements to be accomplished by installation Provost Marshal Office, Director of Emergency Services, Security Office or the host nation equivalent.

1.6.7.6.2. Contractor Non CAC Eligible Requirements for DOW Facility and Installation Access: Reserved.

1.6.7.7 Employment Eligibility: The Contractor shall ensure that all Contractor employees and sub-contractor employees performing services under this contract are Peruvian nationals. Entry to Military bases by contractor with a out of country Visa will be denied and service will not be performed.

1.6.7.8 Access to Government Information Systems: Reserved.

1.6.7.9 Key Control: Reserved.

1.6.7.10 Lock Combinations: Reserved.

1.6.8 Post Award Conference/Contract Periodic Progress Meetings: The Contractor shall attend the post award conference convened by the contracting activity or contract administration office IAW Federal Acquisition Regulation (FAR) Subpart 42.5. The KO, COR, with other Government personnel, as appropriate, may meet periodically with the Contractor to review the Contractor's performance. At these meetings the KO will apprise the contractor of how the government views the Contractor's performance and the Contractor will apprise the Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. Items that impact the unit's ability to conduct its mission or support operations, as well as measures taken to resolve these shortcomings, will be kept close hold, and not be disseminated outside of need-to-know or publicly posted

outside of official channels or without a review and/or authorization. These meetings shall be at no additional cost to the government.

1.6.9 Contracting Officer Representative (COR): The COR will be identified by separate letter. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is authorized to perform the following functions: ensure the Contractor performs the technical requirements of the contract; perform inspections necessary in connection with contract performance; maintain written and oral communications with the Contractor concerning technical aspects of the contract; issue written interpretations of technical requirements, including Government drawings, designs, specifications; monitor Contractor's performance and notifies both the KO and Contractor of any deficiencies; coordinate availability of government furnished property; and provide site entry of Contractor personnel. A letter of designation issued to the COR, a copy of which is sent to the Contractor, states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates, or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order.

1.6.10 Key Personnel: The following contractor personnel are considered key personnel by the government: The Contractor shall provide a contract manager who shall be responsible for the performance of the work. The name of this person and an alternate, who shall act for the Contractor when the manager is absent, shall be designated in writing to the Contracting Officer within seven (7) days. Contract Manager and alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract.

Qualifications for all key personnel are listed below:

1.6.11 Special Qualifications or Certifications: Reserved.

1.6.11.1 IA/IT Training Certification: Reserved.

1.6.12 Identification of Contractor Employees: Contractor employees shall identify themselves as Contractor personnel and shall avoid representing themselves as Government employees. This identification includes meeting attendance, answering Government telephones, email communications, and working in other situations where Contractor status is not obvious. Contractor personnel identification shall be easily identifiable through the display of badges, name tags, lanyards, etc.

1.6.12.1 Badging of Contractor Employees: Reserved.

1.6.12.2 Uniform: The Contractor shall provide a standard uniform for all Contractor and subcontractor employees performing services under this contract, and ensure they wear the uniform during appointed duty hours. The uniform may consist of the same type and color shirt and slacks for all workers. Company logo is optional.

1.6.13 Contractor Travel: Reserved.

1.6.14 Other Direct Costs (ODC): Reserved.

1.6.15 Data Rights: Reserved.

1.6.16. Non-Disclosure Requirements: Performance under this contract may require the Contractor to access data and information proprietary to a Government agency, another Government Contractor, or of such nature that its dissemination or use other than as specified in this work statement would be adverse to the interests of the Government or others. Neither the Contractor, nor Contractor personnel, shall divulge, nor release data or information developed, or obtained under performance of this work statement, except to authorize Government personnel or upon written approval of the KO. The Contractor shall not use, disclose, or reproduce proprietary data, which bears a restrictive legend, other than as specified in this PWS. All documentation showing individual names or other personal information shall apply, and shall be controlled and protected under the provisions of the Privacy

Act of 1974, Public Law 93-579, 5 United States Code (U.S.C.) Section 552a.

1.6.16.1 Non-Disclosure Statements: The Contractor shall provide signed non-disclosure agreements to the Government prior to commencement of work under the contract. Disclosure of information by Contractor personnel may result in Contractor personnel removal from performance of duties under this contract.

1.6.16.2 Advertisement and Social Media: The Contractor shall NOT post information to public websites or social media locations, personal or professional, that in any way disclose names, locations, hotel data, participants, discussions, pictures, etc. before, during or after the contract period of performance without the express consent of the Government. The use of propaganda violates DOD Commercial Use of Imagery Guidelines stated at (www.dimoc.mil/resourcess/limitations/). The Contractor shall not cite any information (e.g., contract information, pictures, locations, etc.) obtained through this contract on any marketing tools to include its company website, tv/radio broadcasts, online forums and social media including content posted to accounts of family, friends or associates.

1.6.16.3 INFORMATION ASSURANCE: At no time will the Contractor or associated sub-contractor employees transmit government documents or information over using methods that do not meet the security requirements specified in the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-171, "Protecting Controlled Unclassified Information in Nonfederal Information Systems and Organizations" such as personal electronic mail accounts, public digital data storage sites (cloud storage), social media platforms or instant messaging. As per Office of Management and Budget guidance M-23-13 (27 Feb 2023) the "No TikTok on Government Devices Act" requires ceasing the use and installation removal of the application, and any subsequent product released by ByteDance that has substantially the same functionality and purpose of TikTok, on devices and systems used to process and store DoD related information due to the risks presented by the app to sensitive government data.

1.6.17 Organizational Conflict of Interest (OCI): Contractor and subcontractor personnel performing work under this contract may receive, have access to, or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications or work statements, etc.) or perform evaluation services which may create a current or subsequent Organizational Conflict of Interests (OCI) as defined in FAR Subpart 9.5. The Contractor shall notify the KO immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the KO to avoid or mitigate any such OCI. The Contractor's mitigation plan will be determined to be acceptable solely at the discretion of the KO and in the event the KO unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the KO may affect other remedies as he or she deems necessary, including prohibiting the Contractor from participation in subsequent contracted requirements which may be affected by the OCI.

1.6.18 Phase-in/Phase-Out (PIPO) Period: Reserved.

1.6.19 General Training Requirements: Reserved.

1.6.19.1 Anti-Terrorism (AT) Level I Training: Reserved.

1.6.19.2 OPSEC Awareness: If the Contractor, or a subcontractor, or employees of either disclose any information identified on the unit's Critical Information List that disrupts or harms the Government's operations or activities, then the Government retains the right to exclude any employee from performance of duties under this contract. The exclusion of an employee for security reasons will not relieve the Contractor from performance of services required under this contract. By way of example, personnel shall not sketch or take photos of government facilities or activities, unless related to service to be provided. All government paper products and removable digital storage material that is received, generated, or stored during the contract will be destroyed completely when no longer needed to preclude recognition of information. Approved methods of destruction may include, when feasible and allowed, cross-cut shredding, burning, pulping pulverizing and degaussing. The contractor shall immediately report

any incidents of anyone attempting to obtain sensitive or proprietary information by unauthorized individual(s) and remain alert to such attempts via social engineering, phishing, or online communication. A prepublication review is required by the COR/KO prior to releasing any information related to the activities, plans and operations associated with this support. Specific details and knowledge of the location, time and place of support activities associated with this US/Partner Nation(s) effort will be kept close hold and will only be shared with personnel who have a need-to-know.

1.6.19.3 Information Assurance (IA) Training: Reserved.

1.6.19.4 Information Assurance (IA)/Information Technology (IT) Training: Reserved.

1.6.19.5 Threat Awareness Reporting Program (TARP Training) : Reserved.

1.6.19.6 iWATCH Training: Reserved.

1.6.19.7 OPSEC Training: Reserved.

1.6.20.2 SERE Training: Reserved.

1.6.21 Foreign (OCONUS) Requirements: Reserved.

1.6.21.1 Theater and Country Clearance Requirements: Reserved.

1.6.21.2 Vetting: The Contractor company and all associated sub-contractor companies, must have been vetted by the US Embassy in the country which the contract will be performed. For the purposes of this contract, the company is considered vetted if the company is located in the country which the contract will be performed unless the company has been previously barred from performing services for the Government. If during a previous vetting process the company was barred from performing service for the Government, then that is grounds for termination of the contract. If the company is located outside of the country which the contract will be performed, the company must be vetted by the US Embassy in the country of performance. Vetting will be coordinated through the US Embassy's DOW Security Cooperation Office (SCO) in the country of performance. If during any previous vetting process in other countries, the company is found to be barred from performing services for the Government; this finding is grounds for termination of the contract.

1.6.21.3 Installation Access to DOW Facility or Host Nation Installation: Contractor and all subcontractor employees performing services under this contract shall comply with adjudication standards and procedures using the National Crime Information Center Interstate Identification Index (NCIC-III) (U.S. citizen and residents only), and Terrorist Screening Database (TSDB) (Army Directive 2014-05/AR 190-13), applicable installation, facility and areas commander installation/facility access and local security policies and procedures (provided by the COR or KO), and status of forces agreements or other diplomatic agreements. The employee performing services under this contract shall provide all information required for background checks to meet installation access requirements to the installation Provost Marshal Office, Director of Emergency Services, Security Office, or host nation equivalent.

1.6.21.4 Host Nation Installation Access with No DOW Facility: Contractor and all associated subcontractor employees shall comply with applicable installation, facility and area commander installation/facility access and local security policies and procedures. The employee performing services under this contract shall also provide all information required for background checks to meet installation access requirements to be accomplished by installation Provost Marshal Office, Director of Emergency Services, Security Office or the host nation equivalent.
