Section 3 - Contract Clauses

2852.212-4 Contract Terms and Conditions, Commercial Items (FAR Deviation) (NOV 2020)

When a commercial item is contemplated (using FAR part 12 procedures or otherwise) and the contract will include FAR 52.212-4, the following replaces subparagraph (g)(2); paragraph (h); subparagraph (i)(2); paragraph (s); and paragraph (u), Unauthorized Obligations, of the basic FAR clause, and adds paragraph (w), as follows:
(g)(2) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment act regulations at 5 CFR part 1315, as modified by subparagraph (i)(2), *Prompt payment,* of this clause.
* * * * *
(h) *Patent indemnity.* Contractor shall indemnify and hold harmless the Government and its respective affiliates, officers, directors, employees, agents, successors and assigns (collectively, “Indemnities”) from and against any and all liability and losses incurred by the Indemnities that are (i) included in any settlement and/or (ii) awarded by a court of competent jurisdiction arising from or in connection with any third party claim of infringement made against Indemnities asserting that any product or service supplied under this contract constitutes infringement of any patent, copyright, trademark, service mark, trade name or other proprietary or intellectual right. This indemnity shall not apply unless Contractor shall have been informed within a reasonable time by the Government of the claim or action alleging such infringement and shall have been given such opportunity as is afforded by applicable laws, rules, or regulations to participate in its defense. This indemnity also shall not apply to any claim unreasonably settled by the Government which obligates Contractor to make any admission or pay any amount without written consent signed by an authorized officer of Contractor, unless required by final decree of a court of competent jurisdiction.
* * * * *
(i)(2) *Prompt payment.* The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations (5 CFR part 1315), with the following modification regarding the due date: For the sole purpose of computing an interest penalty due the Contractor, the Government agrees to inspect and determine the acceptability of any supply delivered or service performed specified in the invoice within thirty (30) days of receipt of a proper invoice from the Contractor, after which time, if no affirmative action has been taken by the Government to accept such supply or service, the supply or service will be deemed accepted and payment due thirty (30) days from the date of deemed acceptance. If the Government makes the determination that the item delivered or service performed is deficient or otherwise unacceptable, or the invoice is otherwise determined not to be a proper invoice, the terms and conditions of this paragraph regarding prompt payment will apply to the date the Contractor corrects the deficiency in the item delivered or service performed or submits a proper invoice. If actual acceptance occurs within the constructive acceptance period, the Government will base the determination of an interest penalty on the actual date of acceptance. The constructive acceptance requirement does not, however, compel Government officials to accept supplies or services, perform contract administration functions, or make payment prior to fulfilling their responsibilities.
* * * * *
(s) *Order of precedence.* Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:
(1) The schedule of supplies/services.
(2) The Assignments, Payments, Invoice, Other Compliances, and Compliance with Laws Unique to Government Contracts provisions of the basic FAR clause at 52.212-4, and the Unauthorized Obligations and Contractor's Commercial Supplier Agreements—Unenforceable Clauses provisions of JAR 2852.212-4.
(3) FAR 52.212-5.
(4) Other paragraphs of the basic FAR clause at 52.212-4, with the exception of paragraph (o), Warranty, and those paragraphs identified in this deviation of 52.212-4.
(5) Addenda to this solicitation, contract, or order, including contractor's Commercial supplier agreements incorporated into the contract.
(6) Solicitation provisions if this is a solicitation.
(7) Paragraph (o), Warranty, of the basic FAR clause at 52.212-4.
(8) The Standard Form 1449.
(9) Other documents, exhibits, and attachments.
(10) The specification.
* * * * *
(u) *Unauthorized obligations.*
(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract or order is subject to any Commercial supplier agreement that includes any language, provision, or clause requiring the Government

to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (see 31 U.S.C. 1341), the following shall govern:
(i) Any such language, provision, or clause is unenforceable against the Government.
(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the commercial supplier agreement. If the commercial supplier agreement is invoked through an "I agree" click box or other similar mechanism (*e.g.,* "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.
(iii) Any such language, provision, or clause is deemed to be stricken from the commercial supplier agreement and have no effect.
(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.
* * * * *
(w) *Commercial supplier agreements—unenforceable clauses.* When any supply or service acquired under this contract or order is subject to a contractor's commercial supplier agreement, the following shall be deemed incorporated into such agreement and modifies and replaces any similar language, provision, or clause in such agreement. As used herein, "this agreement" means any contractor commercial supplier agreement:
(1) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the U.S. Government, the following shall apply:
(i) *Applicability.* This agreement is a part of a contract between commercial supplier and the U.S. Government for the acquisition of the supply or service that necessitates a license or other similar legal instrument (including all contracts, task orders, and delivery orders under FAR part 12).
(ii) *End user.* This agreement shall bind the Government as end user but shall not operate to bind the Government employee or person acting on behalf of the Government in his or her personal capacity.
(iii) *Law and disputes.* This agreement is governed by Federal law.
(A) Any language, provision, or clause purporting to subject the U.S. Government to the laws of any U.S. state, territory, district, or municipality, or the laws of a foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted and shall have no effect.
(B) Any language, provision, or clause requiring dispute resolution in a specific forum or venue that is different from that prescribed by applicable Federal law is hereby deleted and shall have no effect.
(C) Any language, provision, or clause prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted and shall have no effect.
(iv) *Continued performance.* Notwithstanding any other provision in this agreement, if the Contractor believes the Government to be in breach of this contract, order, or agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in subparagraph (d), Disputes, of FAR 52.212-4.
(v) *Arbitration; equitable or injunctive relief.* In the event of a claim or dispute arising under or relating to the contract, order, or this agreement, (A) binding arbitration shall not be used unless otherwise specifically authorized by agency guidance, and (B) equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the Government only when explicitly provided by statute.
(vi) *Updating terms.*
(A) After award, the contractor may unilaterally revise terms if they are not material. Material terms are defined as:
(1) Terms that change Government rights or obligations;
(2) Terms that increase Government prices;
(3) Terms that decrease the overall level of service; or
(4) Terms that limit any other Government right addressed elsewhere in this contract.
(B) For revisions that materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.
(C) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provisions of this contract shall not be enforceable against the Government, and the Government shall not be deemed to have consented to them.
(vii) *Order of precedence.* Any Order of Precedence clause in any commercial supplier agreement is not enforceable against the Government. The applicable Order of Precedence for this contract, order, or agreement is FAR 52.212-4(s), as revised by JAR 2812.302 and 2852.212-4(s).
(viii) *No automatic renewals.* If any license or service tied to period payment is provided under this agreement (*e.g.,* annual software maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by a properly warranted contracting officer, and any provision or term of any license or service purporting to provide for automatic renewal is unenforceable against the Government.
(ix) *Indemnification by the Government or end-user.* Any language, provision, or clause of this commercial supplier agreement requiring the Government or End-user to indemnify the commercial supplier or licensor is not enforceable against the Government.

(x) *Indemnification by the commercial supplier or licensor.* Any clause of this agreement requiring or permitting the commercial supplier or licensor to defend the Government as a condition of indemnifying the Government for any claim of infringement is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.
(xi) *Audits.* Any language, provision, or clause of this commercial supplier agreement permitting Contractor to audit the end user's compliance with this agreement is not enforceable against the Government. To the extent any language, provision or clause of this agreement permits Contractor to audit the Government's compliance under this contract, order, or agreement, such language, provision, or clause of this agreement is hereby stricken and replaced as follows:
“(A) If Contractor reasonably believes that the Government has violated the terms of this agreement with regard to the restrictions on authorized use and/or the number of authorized users, upon written request from Contractor, including an explanation of the basis for the request, DOJ will provide a redacted version of the Government's most recent Security Assessment and Authorization package (SAA) to Contractor on a confidential basis, so that Contractor may reasonably verify the Government's compliance with its obligations under this agreement. Contractor understands and agrees that the Government will remove or redact any information from the SAA that it reasonably believes may compromise (a) the security of the Government's information technology environment; (b) the confidentiality of any third-party proprietary or confidential information; (c) any confidential, sensitive law enforcement information; and (d) any other information that the Government believes may compromise a past, current, or prospective investigation, prosecution, or litigation. Notwithstanding the preceding, and subject to the Government's policies and procedures for such review, including but not limited to complying with all Government security requirements prior to being granted access to the Government's facilities, including the execution of appropriate confidentiality and/or non-disclosure agreements, the Government will arrange, upon Contractor's written request, for Contractor to view an un-redacted version of the SAA on Government premises. Contractor understands that Contractor will be provided a copy of the un-redacted SAA on Government premises only and that no un-redacted copy of the SAA, or any medium containing information relating to it, will be permitted to be removed from Government premises.
(B) The Contractor also understands and agrees that the Contractor shall make a request under this paragraph no more than on an annual basis and only during the period of the contract, and that any activities performed by Contractor under this clause will be performed at Contractor's expense, without reimbursement by the Government.
(C) Discrepancies found with regard to the restrictions on authorized use and/or the number of authorized users may result in a charge by Contractor to the Government. Any resulting invoice must comply with the proper invoicing and payment requirements specified in the contract. This charge, if disputed by the Government, will be resolved through the Disputes clause at 52.212-4(d); no payment obligation shall arise on the part of the Government until the conclusion of the dispute process.”
(xii) *Taxes or surcharges.* Any taxes or surcharges which the Contractor seeks to pass along to the Government as end user will be governed by the terms of the underlying Government contract and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the Government contract.
(xiii) *Non-assignment.* This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government's prior approval, except as expressly permitted under FAR 52.212-4 (b), Assignment.
(xiv) *Confidential information.*
(A) During the term of this contract or order, either party may identify information as “confidential information,” and there shall be no disclosure, dissemination, or publication of any such information except to the extent required for the performance of this contract or order and otherwise provided in this clause or by statute or regulation. Specifically, the parties agree that the party receiving confidential information may only disclose such information to its employees and contractors on a “need-to-know” basis to carry out the obligations of this contract or order, and that subcontractors performing under this Agreement are subject to the same stipulations provided in this provision. The parties also agree that this provision shall survive the termination of this contract or order, and any confidential information obtained or received which comes within these restrictions shall remain confidential, provided that the obligation to treat information as confidential shall not apply to information which is or becomes publicly available through no improper action of the receiving party; is or comes to be in the receiving party's possession independent of its relationship with the disclosing party; is developed by or becomes known to the receiving party without use of any confidential information of the disclosing party; or is obtained rightfully from a third party not bound by an obligation of confidentiality. Additionally, nothing in this contract or order shall restrict disclosure by the receiving party pursuant to any applicable law, including but not limited to the Freedom of Information Act, 5 U.S.C. 552, *et seq.,* or an order of any court of competent jurisdiction, provided that in either such case the receiving party gives prompt notice to the disclosing party to allow the disclosing party to interpose an objection to such disclosure, take action to assure confidential handling of the confidential information, or take such other action as it deems appropriate to protect its confidential information.
(B) The Government considers and hereby identifies as confidential any and all information related to any inquiries and/or searches performed by the Government or by contractor at the Government's direction under this contract or order, including the subject of any such inquiry or search and any and all search terms, regardless of whether provided in writing or orally to Contractor, and Contractor agrees that it may only disclose such information to its employees and contractors

on a “need-to-know” basis to carry out the obligations of this contract or order and that it will not share, reveal, divulge, disclose, disseminate, or publicize any such information to any third party except as provided in this provision without the prior written approval of the Contracting Officer. Contractor also understands and agrees that any subcontractors performing under this contract or order are subject to the same stipulations and that Contractor may be held responsible for any violations of confidentiality by a subcontractor.
(C) These provisions are consistent with and do not supersede, conflict with, or otherwise alter an employee's obligations, rights, or liabilities created by existing statute or Executive order relating to (1) classified information, (2) communications to Congress, (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety, or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by Executive orders and statutory provisions relating to whistleblower protection are incorporated into this contract and are controlling.
(D) The Government may share the terms, conditions and prices set forth in this Order with, and provide a copy of the Order to, other Executive branch agencies of the U.S. Government, provided that the Government shall ensure that other Executive branch agencies to which it provides such information will be required to treat all such information consistent with terms and conditions set forth in this Order.
(E) Notwithstanding anything in this agreement, the Government may retain any confidential information as required by law, regulation, or its internal document retention procedures for legal, regulatory, or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of this Order.
(xv) *Authorized users.* Authorized users may include full and part-time employees of the Government, including those working at or from remote locations, and contractors and contractor employees working within the scope of their contract with the Government, including those at or from remote locations.
(xvi) *Authorized use.* Authorized users are authorized to use the product or service acquired under this contract in performing business on behalf of the Government. Any information obtained or acquired by the Government under this contract may be used by the Government in the performance of Government business.
(2) If any language, provision, or clause of this agreement conflicts or is inconsistent with the preceding paragraph (w)(1), the language, provisions, or clause of paragraph (w)(1) shall prevails to the extent of such inconsistency.

52.212-4 (DEV) Terms and Conditions-Commercial Products and Commercial Services (Nov 2023) (DEVIATION NOV 2025)

(a) *Definitions*. The clause at Federal Acquisition Regulation (FAR) 52.202-1, Definitions, is incorporated by reference.

(b) *Inspection/Acceptance*. The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post acceptance rights—

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(c) *Assignment*. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (*e.g.,* use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(d) *Changes*. Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(e) *Disputes*. This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal, or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause FAR 52.233-1, Disputes, which is incorporated in this contract by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(f) *Excusable delays*. The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence. Examples of occurrences include acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. When an excusable delay occurs, the Contractor shall—

(1) Notify the Contracting Officer in writing as soon as possible;

(2) Remedy the delay as quickly as possible; and

(3) Notify the Contracting Officer when the occurrence is over.

(g) Invoice. The Government will handle invoices according to the Prompt Payment Act (31 U.S.C. 3903) and 5 CFR part 1315. The Contractor shall submit invoices to the address designated in the contract to receive invoices. An invoice must include the information required by 5 CFR part 1315.9(b).

(h) *Patent indemnity*. The Contractor shall indemnify the Government and its officers, employees, and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark, or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) *Payment*—

(1) *Items accepted*. Payment shall be made for items accepted by the Government that have been delivered to the delivery destinations set forth in this contract.

(2) *Prompt payment*. The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(3) *Discount*. In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(4) *Overpayments*. If the Contractor becomes aware of a duplicate contract financing or invoice payment or that the Government has otherwise overpaid on a contract financing or invoice payment, the Contractor shall—

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the—

(A) Circumstances of the overpayment (*e.g.*, duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected line item or subline item, if applicable;

(D) Contractor point of contact; and

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(5) *Interest*.

(i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) *Final decisions*. The Contracting Officer will issue a final decision as required by FAR part 33 if–

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt within 30 days;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see FAR part 32).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a termination for cause.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on-

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures for interest credits prescribed in FAR part 32 in effect on the date of this contract.

(j) *Risk of loss*. Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon—

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes*. The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the Government's convenience*. The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

(m) *Termination for cause*. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. The Government will send a cure notice to the Contractor, unless the reason for the termination is late delivery. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title*. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty*. The Contractor warrants and implies that the items delivered under this contract are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability*. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(r) *Order of precedence*. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services;

(2) The Disputes, Payments, Invoice, Compliance with Laws Unique to Government Contracts, and Unauthorized Obligations paragraphs of this clause;

(3) Other contract clauses incorporated in the solicitation or contract;

(4) Addenda to this solicitation or contract;

(5) Solicitation provisions incorporated in the solicitation;

(6) Other paragraphs of this clause;

(7) Other documents, exhibits, and attachments; and

(8) The specification.

(s) *Unauthorized obligations*.

(1) Except as stated in paragraph (s)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government-authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (s)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(t) *Comptroller General examination of record*. This paragraph applies if this contract was awarded using other than sealed bid procedures and is in excess of the simplified acquisition threshold on the date of award of this contract.

(2) The Contractor shall make available at its offices, at all reasonable times, the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR part 4, longer period required by statute, or periods specified in other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This clause does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(u) *Incorporation by reference*. The Contractor's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(End of clause)

52.212-4 Alt I (DEV) Terms and Conditions-Commercial Products and Commercial Services (Nov 2023) - Alternate I (Nov 2021) (DEVIATION NOV 2025)

(a) The clause at Federal Acquisition Regulation (FAR) 52.202-1, Definitions, is incorporated by reference. As used in this clause—

Direct materials means those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product or service.

Hourly rate means the rate(s) prescribed in the contract for payment for labor that meets the labor category qualifications of a labor category specified in the contract that are—

(1) Performed by the contractor;

(2) Performed by the subcontractors; or

(3) Transferred between divisions, subsidiaries, or affiliates of the contractor under a common control.

Materials means—

(1) Direct materials, including supplies transferred between divisions, subsidiaries, or affiliates of the contractor under a common control;

(2) Subcontracts for supplies and incidental services for which there is not a labor category specified in the contract;

(3) Other direct costs (e.g., incidental services for which there is not a labor category specified in the contract, travel, computer usage charges, etc.);

(4) The following subcontracts for services which are specifically excluded from the hourly rate: _____ *[Insert any subcontracts for services to be excluded from the hourly rates prescribed in the schedule.]*; and

(5) Indirect costs specifically provided for in this clause.

Subcontract means any contract, as defined in FAR 2.101, entered into with a subcontractor to furnish supplies or services for performance of the prime contract or a subcontract including transfers between divisions, subsidiaries, or affiliates of a contractor or subcontractor. It includes, but is not limited to, purchase orders, and changes and modifications to purchase orders.

b) *Inspection/Acceptance*.

(1) The Government has the right to inspect and test all materials furnished and services performed under this contract at all places and times before acceptance. The Government will perform inspections and tests in a manner that will not unduly delay the work.

(2) If the Government performs inspection or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish and shall require subcontractors to furnish all reasonable facilities and assistance for the safe and convenient performance of these duties.

(3) Unless otherwise specified in the contract, the Government will accept or reject services and materials at the place of delivery as promptly as practicable after delivery, and they will be presumed accepted 60 days after the date of delivery, unless accepted earlier.

(4) At any time during contract performance, but not later than 6 months (or such other time as may be specified in the contract) after acceptance of the services or materials last delivered under this contract, the Government may require the Contractor to replace or correct services or materials that at time of delivery failed to meet contract requirements. Except as otherwise specified in paragraph (b)(6) of this clause, the cost of replacement or correction shall be determined under paragraph (i) of this clause, but the “hourly rate” for labor hours incurred in the replacement or correction shall be reduced to exclude that portion of the rate attributable to profit. Unless otherwise specified below, the portion of the “hourly rate” attributable to profit shall be 10 percent. The Contractor shall not tender for acceptance materials and services required to be replaced or corrected without disclosing the former requirement for replacement or correction, and, when required, shall disclose the corrective action taken. _____ *[Insert portion of labor rate attributable to profit.]*
(5)(i) If the Contractor fails to proceed with reasonable promptness to perform required replacement or correction, and if the replacement or correction can be performed within the ceiling price (or the ceiling price as increased by the Government), the Government may—

(A) By contract or otherwise, perform the replacement or correction, charge to the Contractor any increased cost, or deduct such increased cost from any amounts paid or due under this contract; or

(B) Terminate this contract for cause.

(ii) Failure to agree to the amount of increased cost to be charged to the Contractor shall be a dispute under the Disputes clause of the contract.

(6) Notwithstanding paragraphs (b)(4) and (5) of this clause, the Government may, at any time, require the Contractor to remedy by correction or replacement, without cost to the Government, any failure by the Contractor to comply with the requirements of this contract, if the failure is due to—

(i) Fraud, lack of good faith, or willful misconduct on the part of the Contractor’s managerial personnel; or

(ii) The conduct of one or more of the Contractor’s employees selected or retained by the Contractor after any of the Contractor’s managerial personnel has reasonable grounds to believe that the employee is habitually careless or unqualified.

(7) This clause applies in the same manner and to the same extent to corrected or replacement materials or services as to materials and services originally delivered under this contract.

(8) The Contractor has no obligation or liability under this contract to correct or replace materials and services that at time of delivery do not meet contract requirements, except as provided in this clause or as may be otherwise specified in the contract.

(9) Unless otherwise specified in the contract, the Contractor's obligation to correct or replace Government-furnished property shall be governed by the clause pertaining to Government property.

(c) *Assignment*. The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (*e.g.,* use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(d) *Changes*. Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(e) *Disputes*. This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal, or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause FAR 52.233-1, Disputes, which is incorporated in this contract by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(f) *Excusable delays*. The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence. Examples of occurrences include acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. When an excusable delay occurs, the Contractor shall—

(1) Notify the Contracting Officer in writing as soon as possible;

(2) Remedy the delay as quickly as possible; and

(3) Notify the Contracting Officer when the occurrence is over.

(g) Invoice. The Government will handle invoices according to the Prompt Payment Act (31 U.S.C. 3903) and 5 CFR part 1315. The Contractor shall submit invoices to the address designated in the contract to receive invoices. An invoice must include the information required by 5 CFR part 1315.9(b).

(h) *Patent indemnity*. The Contractor shall indemnify the Government and its officers, employees, and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark, or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) *Payments*.

(1) *Work performed*. The Government will pay the Contractor as follows upon the submission of commercial invoices approved by the Contracting Officer:

(i) *Hourly rate*.

(A) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the contract by the number of direct labor hours performed. Fractional parts of an hour shall be payable on a prorated basis.

(B) The rates shall be paid for all labor performed on the contract that meets the labor qualifications specified in the contract. Labor hours incurred to perform tasks for which labor qualifications were specified in the contract will not be paid to the extent the work is performed

by individuals that do not meet the qualifications specified in the contract, unless specifically authorized by the Contracting Officer.

(C) Invoices may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer) to the Contracting Officer or the authorized representative.

(D) When requested by the Contracting Officer or the authorized representative, the Contractor shall substantiate invoices (including any subcontractor hours reimbursed at the hourly rate in the schedule) by evidence of actual payment, individual daily job timecards, records that verify the employees meet the qualifications for the labor categories specified in the contract, or other substantiation specified in the contract.

(E) Unless the Schedule prescribes otherwise, the hourly rates in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis.

(*1*) If no overtime rates are provided in the Schedule and the Contracting Officer approves overtime work in advance, overtime rates shall be negotiated.

(*2*) Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes clause of this contract.

(*3*) If the Schedule provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Contracting Officer.

(ii) *Materials*.

(A) If the Contractor furnishes materials that meet the definition of a commercial product at FAR 2.101, the price to be paid for such materials shall not exceed the Contractor's established catalog or market price, adjusted to reflect the—

(*1*) Quantities being acquired; and

(*2*) Any modifications necessary because of contract requirements.

(B) Except as provided for in paragraph (i)(1)(ii)(A) and (D)(2) of this clause, the Government will reimburse the Contractor the actual cost of materials (less any rebates, refunds, or discounts received by the contractor that are identifiable to the contract) provided the Contractor—

(*1*) Has made payments for materials in accordance with the terms and conditions of the agreement or invoice; or

(*2*) Makes these payments within 30 days of the submission of the Contractor's payment request to the Government and such payment is in accordance with the terms and conditions of the agreement or invoice.

(C) To the extent able, the Contractor shall—

(*1*) Obtain materials at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and

(*2*) Give credit to the Government for cash and trade discounts, rebates, scrap, commissions, and other amounts that are identifiable to the contract.

(D) Unless listed below, other direct and indirect costs will not be reimbursed.

(*1*) *Other direct costs*. The Government will reimburse the Contractor on the basis of actual cost for the following, provided such costs comply with the requirements in paragraph (i)(1)(ii)(B) of this clause: None

(*2) Indirect costs (material handling, subcontract administration, etc.)*. The Government will reimburse the Contractor for indirect costs on a pro-rata basis over the period of contract performance at the following fixed price: $0

(2) *Total cost*. The total cost to the Government for the performance of this contract shall not exceed the ceiling price set forth in the Schedule. The Contractor agrees to use its best efforts to perform the work specified in the Schedule and all obligations under this contract within such ceiling price. If at any time the Contractor has reason to believe that the hourly rate payments and material costs that will accrue in performing this contract in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price in the Schedule, the Contractor shall notify the Contracting Officer giving a revised estimate of the total price to the Government for performing this contract with supporting reasons and documentation. If at any time during the performance of this contract, the Contractor has reason to believe that the total price to the Government for performing this contract will be substantially greater or less than the stated ceiling price, the Contractor shall so notify the Contracting Officer, giving a revised estimate of the total price for performing this contract, with supporting reasons and documentation. If at any time during performance of this contract, the Government has reason to believe that the work to be required in performing this contract will be substantially greater or less than the stated ceiling price, the Contracting Officer will so advise the Contractor, giving the revised estimate of the total amount of effort to be required under the contract.

(3) *Ceiling price*. The Government will not be obligated to pay the Contractor any amount in excess of the ceiling price in the Schedule, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule, unless and until the Contracting Officer notifies the Contractor in writing that the ceiling price has been increased and specifies in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

(4) *Access to records*. At any time before final payment under this contract, the Contracting Officer (or authorized representative) will have access to the following (access shall be limited to the listing below unless otherwise agreed to by the Contractor and the Contracting Officer):

(i) Records that verify that the employees whose time has been included in any invoice meet the qualifications for the labor categories specified in the contract;

(ii) For labor hours (including any subcontractor hours reimbursed at the hourly rate in the schedule), when timecards are required as substantiation for payment—

(A) The original timecards (paper-based or electronic);

(B) The Contractor’s timekeeping procedures;

(C) Contractor records that show the distribution of labor between jobs or contracts; and

(D) Employees whose time has been included in any invoice for the purpose of verifying that these employees have worked the hours shown on the invoices.

(iii) For material and subcontract costs that are reimbursed on the basis of actual cost—

(A) Any invoices or subcontract agreements substantiating material costs; and

(B) Any documents supporting payment of those invoices.

(5) *Overpayments/Underpayments*. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices, that are found by the Contracting Officer not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments. The Contractor shall promptly pay any such reduction within 30 days unless the parties agree otherwise. The Government will pay any such increases within 30 days, unless the parties agree otherwise. The Contractor's payment will be made by check. If the Contractor becomes aware of a duplicate invoice payment or that the Government has otherwise overpaid on an invoice payment, the Contractor shall—

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the—

(A) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected line item or subline item, if applicable; and

(D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) *Interest*.

(i) All amounts that become payable by the Contractor to the Government under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury, as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, and then at the rate applicable for each six-month period as established by the Secretary until the amount is paid.

(ii) The Government may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) The Contracting Officer will issue a final decision if—

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt in a timely manner;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer.

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on—

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures prescribed in FAR part 32 in effect on the date of this contract.

(viii) Upon receipt and approval of the invoice designated by the Contractor as the “completion invoice” and supporting documentation, and upon compliance by the Contractor with all terms of this contract, any outstanding balances will be paid within 30 days unless the parties agree otherwise. The completion invoice, and supporting documentation, shall be submitted by the Contractor as promptly as practicable following completion of the work under this contract, but in no event later than 1 year (or such longer period as the Contracting Officer may approve in writing) from the date of completion.

(7) *Release of claims*. The Contractor, and each assignee under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, a release discharging the Government, its officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this contract, subject only to the following exceptions:

(i) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible to exact statement by the Contractor.

(ii) Claims, together with reasonable incidental expenses, based upon the liabilities of the Contractor to third parties arising out of performing this contract, that are not known to the Contractor on the date of the execution of the release, and of which the Contractor gives notice in writing to the Contracting Officer not more than 6 years after the date of the release or the date of any notice to the Contractor that the Government is prepared to make final payment, whichever is earlier.

(iii) Claims for reimbursement of costs (other than expenses of the Contractor by reason of its indemnification of the Government against patent liability), including reasonable incidental expenses, incurred by the Contractor under the terms of this contract relating to patents.

(8) *Prompt payment*. The Government will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

(9) Discount. In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(j) *Risk of loss*. Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon—

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes*. The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the Government’s convenience*. The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work under this contract and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid an amount for direct labor hours (as defined in the Schedule of the contract) determined by multiplying the number of direct labor hours expended before the effective date of termination by

the hourly rate(s) in the contract, less any hourly rate payments already made to the Contractor plus reasonable charges the Contractor can demonstrate to the satisfaction of the Government using its standard record keeping system that have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(m) *Termination for cause*. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon written request, with adequate assurances of future performance. The Government will send a cure notice to the Contractor, unless the reason for the termination is late delivery. Subject to the terms of this contract, the Contractor shall be paid an amount computed under paragraph (i), Payments, of this clause, but the "hourly rate" for labor hours expended in furnishing work not delivered to or accepted by the Government shall be reduced to exclude that portion of the rate attributable to profit. Unless otherwise specified in paragraph (b)(4) of this clause, the portion of the "hourly rate" attributable to profit shall be 10 percent. In the event of termination for cause, the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title*. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty*. The Contractor warrants and implies that the items delivered under this contract are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability*. Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

(q) *Compliance with laws unique to Government contracts*. The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 40 U.S.C. chapter 37, Contract Work Hours and Safety Standards; 41 U.S.C. chapter 87, Kickbacks; 49 U.S.C. 40118, Government-financed air transportation; and 41 U.S.C. chapter 21 relating to procurement integrity.

(r) *Order of precedence*. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services;

(2) The Disputes, Payments, Invoice, Compliance with Laws Unique to Government Contracts, and Unauthorized Obligations paragraphs of this clause;

(3) Other contract clauses incorporated in the solicitation or contract;

(4) Addenda to this solicitation or contract;

(5) Solicitation provisions incorporated in the solicitation;

(6) Other paragraphs of this clause;

(7) Other documents, exhibits, and attachments; and

(8) The specification.

(s) *Unauthorized obligations*.

(1) Except as stated in paragraph (s)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government-authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an “I agree” click box or other comparable mechanism (e.g., “click-wrap” or “browse-wrap” agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (s)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(t) *Comptroller General examination of record*. This paragraph applies if this contract was awarded using other than sealed bid procedures and is in excess of the simplified acquisition threshold on the date of award of this contract.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor’s directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices, at all reasonable times, the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR part 4, longer period required by statute, or periods specified in other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This clause does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(u) *Incorporation by reference*. The Contractor’s representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(2) The Contractor is responsible for the currency, accuracy, and completeness of the information provided within SAM, and for any liability resulting from the Government’s reliance on inaccurate or incomplete information.

(c) *Novation and change-of-name agreements*.

(1) If the Contractor has legally changed its business name or "doing business as" name (whichever is shown on the contract), or has transferred the assets used to perform the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in part 42 of the Federal Acquisition Regulation (FAR), the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to —

(d) *Assignees*.

SORNs may be updated at any time.

(2) Prohibition on Performing Work Outside a Government Facility/Network/Equipment

Except where use of Contractor networks, IT, other equipment, or Workplace as a Service (WaaS) is specifically authorized within this contract, the Contractor shall perform all tasks on authorized Government networks, using Government-furnished IT and other equipment and/or WaaS and Government information shall remain within the confines of authorized Government networks at all times. Any handling of Government information on Contractor networks or IT must be approved by the Senior Component Official for Privacy of the component entering into this contract. Except where remote work is specifically authorized within this contract, the Contractor shall perform all tasks described in this document at authorized Government facilities; the Contractor is prohibited from performing these tasks at or removing Government-furnished information to any other facility; and Government information shall remain within the confines of authorized Government facilities at all times. Contractors may only access classified materials on government furnished equipment in authorized government owned facilities regardless of remote work authorizations.

(3) Prior Approval Required to Hire Subcontractors

The Contractor is required to obtain the Contracting Officer's approval prior to engaging in any contractual relationship (Subcontractor) in support of this contract requiring the disclosure of information, documentary material and/or records generated under or relating to this contract. The Contractor (and any Subcontractor) is required to abide by Government and Agency guidance for protecting sensitive and proprietary information.

(4) Separation Checklist for Contractor Employees

The Contractor shall complete and submit an appropriate separation checklist to the Contracting Officer before any employee or Subcontractor employee terminates working on the contract. The Contractor must submit the separation checklist on or before the last day of employment or work on the contract. The separation checklist must verify: (1) return of any Government-furnished equipment; (2) return or proper disposition of personally identifiable information (PII)[2], in paper or electronic form, in the custody of the employee or Subcontractor employee including the sanitization of data on any computer systems or media as appropriate; and (3) termination of any technological access to the Contractor's facilities or systems that would permit the terminated employee's access to PII or other sensitive information.

In the event of adverse job actions resulting in the dismissal of a Contractor or Subcontractor employee before the separation checklist can be completed, the Prime Contractor must notify the Contracting Officer within 24 hours and confirm receipt of the notification. In the case the Contractor is unable to notify the Contracting Officer, then the Contractor should notify the Contract Officer's Representative (COR).

The Contractor must ensure that all employees take appropriate privacy training, including Subcontractors who have access to PII as well as the creation, use, dissemination and/or destruction of PII at the outset of the employee's work on the contract and every year thereafter. Training must include procedures on how to properly handle PII, including heightened security requirements for the transporting or transmission of sensitive PII, and reporting requirements for a suspected breach or loss of PII. These courses, along with more information about DOJ security and training requirements for Contractors, are available at https://www.justice.gov/jmd/learndoj. The Federal Information Security Modernization Act of 2014 (FISMA) requires all individuals accessing DOJ information to complete training on records management, cybersecurity awareness, and information system privacy awareness. Contractor employees are required to sign the "Privacy Rules of Behavior," acknowledging and agreeing to abide by privacy law, policy, and certain privacy safeguards, prior to accessing DOJ information. These Rules of Behavior are made available to all new users of DOJ's computer network and to trainees at the conclusion of DOJ-OPCL-CS-0005.

Contractor employees must comply with DOJ Order 0904 and other guidance published to the publicly-available Office of Privacy and Civil Liberties (OPCL) Resources page[3] relating to the safeguarding of PII, including the use of additional controls to safeguard sensitive PII (e.g., the encryption of sensitive PII). This requirement flows down from the Prime Contractor to all Subcontractors and lower tiered subcontracts.

(3) Non-Disclosure Agreement Requirement

Prior to commencing work, all Contractor personnel that may have access to PII or other sensitive information shall be required to sign a Non-Disclosure Agreement (NDA) and the DOJ IT Rules of Behavior. The Non-Disclosure Agreement:

(a) prohibits the Contractor from retaining or divulging any PII or other sensitive information, or derivatives therefrom, furnished by the Government or to which they may otherwise come in contact as a result of their performance of work under the contract/task order that is otherwise not publicly available, whether or not such information has been reduced to writing; and

(b) requires the Contractor to report any loss of control, compromise, unauthorized disclosure, or unauthorized acquisition of PII or other sensitive information to the component-level or headquarters Security Operations Center within one (1) hour of discovery.

The Contractor should maintain signed copies of the NDA for all employees as a record of compliance. The Contractor should also provide copies of each employee's signed NDA to the Contracting Officer before the employee may commence work under the contract/task order.

(4) Prohibition on Use of PII in Vendor Billing and Administrative Records

The Contractor's invoicing, billing, and other financial or administrative records or databases is not authorized to regularly store or include any sensitive PII or other confidential government information that is created, obtained, or provided during the performance of the contract without the written permission of the Senior Component Official for Privacy (SCOP). It is acceptable to list the names, titles and contact information for the Contracting Officer, COR, or other personnel associated with the administration of the contract in the invoices as needed.

The Contractor must cooperate with DOJ’s inquiry into the incident and efforts to minimize risks to DOJ or individuals, including remediating any harm to potential victims.

(b) The Contractor must report any such breach by its employees or Subcontractors to the DOJ Security Operations Center (dojcert@usdoj.gov, 202-357-7000); Component-level Security Operations Center and Component-level Management Team, where appropriate; the COR; and the Contracting Officer within one (1) hour of the initial discovery.

(c) The Contractor must provide a written report to the DOJ Security Operations Center (dojcert@usdoj.gov, 202-357-7000) within 24 hours of discovery of the breach by its employees or Subcontractors. The report must contain the following information:

(i) Narrative or detailed description of the events surrounding the suspected loss or compromise of information.[6] Date, time, and location of the incident.
(ii) Amount, type, and sensitivity of information that may have been lost or compromised, accessed without authorization, etc.

(vii) Recommendations to prevent similar situations in the future, including whether the security plan needs to be modified in any way and whether additional training may be required.

(d) The Contractor shall provide full access and cooperation for all activities determined by the Government to be required to ensure an effective incident response, including providing all requested images, log files, and event information to facilitate rapid resolution of sensitive information incidents.

(e) At the Government’s discretion, Contractor employees or Subcontractor employees may be identified as no longer eligible to access PII or to work on that contract based on their actions related to the loss or compromise of PII.

(6) Victim Remediation

At DOJ’s request, the Contractor is responsible for notifying victims and providing victim remediation services in the event of a breach of PII held by the Contractor, its agents, or its Subcontractors, under this contract. Victim remediation services shall include at least 18 months of credit monitoring and, for serious or large incidents as determined by the Government, call center help desk services for the individuals whose PII was lost or compromised. When DOJ requests notification, the Department Chief Privacy and Civil Liberties Officer and SCOP will direct the Contractor on the method and content of such notification to be sent to individuals whose PII was breached. By performing this work, the Contractor agrees to full cooperation in the event of a breach. The Contractor should be self-insured to the extent necessary to handle any reasonably foreseeable breach, with another source of income, to fully cover the costs of breach response, including but not limited to victim remediation.

C. Government Records Training, Ownership, and Management

(1) Records Management Training and Compliance

(a) The Contractor must ensure that all employees and Subcontractors that have access to PII as well as to those involved in the creation, use, dissemination and/or destruction of PII take the *DOJ Records and Information Training for New Employees (RIM)* training course or another training approved by the Contracting Officer or COR. This training will be provided at the outset of the Subcontractor's/employee's work on the contract and every year thereafter. The Contractor shall maintain copies of certificates as a record of compliance and must submit an email notification annually to the COR verifying that all employees working under this contract have completed the required records management training.

(b) The Contractor agrees to comply with Federal and Agency records management policies, including those policies associated with the safeguarding of records containing PII and those covered by the Privacy Act of 1974. These policies include the preservation of all records created or received regardless of format, mode of transmission, or state of completion.

(2) Records Creation, Ownership, and Disposition

(a) The Contractor shall not create or maintain any records not specifically tied to or authorized by the contract using Government IT equipment and/or Government records or that contain Government Agency information. The Contractor shall certify, in writing, the appropriate disposition or return of all Government information at the conclusion of the contract or at a time otherwise specified in the contract. In accordance with 36 CFR 1222.32, the Contractor shall maintain and manage all Federal records created in the course of performing the contract in accordance with Federal law. Records may not be removed from the legal custody of DOJ or destroyed except in accordance with the provisions of the agency records schedules.

(b) Except as stated in the Performance Work Statement and, where applicable, the Contractor's Commercial License Agreement, the Government Agency owns the rights to all electronic information (electronic data, electronic information systems or electronic databases and all supporting documentation and associated metadata created as part of this contract. All deliverables (including all data and records) under the contract are the property of the U.S. Government and may be considered federal records, for which the Agency shall have unlimited rights to use, dispose of, or disclose such data contained therein. The Contractor must deliver sufficient technical documentation with all data deliverables to permit the agency to use the data.

(c) The Contractor shall not retain, use, sell, disseminate, or dispose of any government data/records or deliverables without the express written permission of the Contracting Officer or Contracting Officer's Representative. The Agency and its contractors are responsible for preventing the alienation or unauthorized destruction of records, including all forms of mutilation. Willful and unlawful destruction, damage or alienation of Federal records is subject to the fines and penalties imposed by 18 U.S.C. § 2701. Records may not be removed from the legal custody of the Agency or destroyed without regard to the provisions of the Agency records schedules.

D. Data Privacy and Oversight

(1) Restrictions on Testing or Training Using Real Data Containing PII

The use of real data containing PII from any source for testing or training purposes is generally prohibited. The Contractor shall use synthetic or de-identified real data for testing or training whenever feasible.

(2) Requirements for Contractor IT Systems Hosting Government Data

The Contractor is required to obtain an Authority To Operate (ATO) for any IT environment owned or controlled by the Contractor or any Subcontractor on which Government data shall reside for the purposes of IT system development, design, data migration, testing, training, maintenance, use, or disposal.

(3) Requirement to Support Privacy Compliance

(a) If this contract requires the development, maintenance or administration of information technology[9], the Contractor shall support the completion of the Initial Privacy Assessment (IPA) document, if requested by Department personnel. An IPA is the first step in a process to identify potential privacy issues and mitigate privacy risks. The IPA asks basic questions to help components assess whether additional privacy protections may be needed in designing or implementing a project[10] to mitigate privacy risks, and whether compliance work may be needed. Upon review of the IPA, the OPCL determines whether a Privacy Impact Assessment (PIA) document

and/or SORN, or modifications thereto, are required. The Contractor shall provide adequate support to complete the applicable risk assessment and PIA document in a timely manner, and shall ensure that project management plans and schedules include the IPA, PIA, and SORN (to the extent required) as milestones. Additional information on the privacy compliance process at DOJ, including IPAs, PIAs, and SORNs, is located on the DOJ OPCL website (https://dojnet.doj.gov/privacy/), including DOJ Order 0601, Privacy and Civil Liberties. The Privacy Impact Assessment Guidance and Template outline the requirements and format for the PIA.

(b) If the contract involves an IT system build or substantial development or changes to an IT system that may require privacy risk assessment and documentation, the Contractor shall provide adequate support to DOJ to ensure DOJ can complete any required assessment, and IPA, PIA, SORN, or other supporting documentation to support privacy compliance. The Contractor shall work with personnel from the program office, OPCL, the Office of the Chief Information Officer (OCIO), and the Office of Records Management and Policy to ensure that the privacy assessments and documentation are kept on schedule, that the answers to questions in the documents are thorough and complete, and that questions asked by the OPCL and other offices are answered in a timely fashion. The Contractor must ensure the completion of required PIAs and documentation of privacy controls consistent with federal law and standards, e.g. NIST 800-53, Rev. 5; and compliance with the Privacy Act of 1974, E-Government Act of 2002, Federal Information Security Modernization Act of 2014, and key OMB guidelines, e.g., OMB Circular A-130.

[1] “[T]he term ‘record’ means any item, collection, or grouping of information about an individual that is maintained by an agency, including, but not limited to, his education, financial transactions, medical history, and criminal or employment history and that contains his name, or the identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or a photograph.” 5 U.S.C. § 552a(a)(4). “[T]he term ‘system of records’ means a group of any records under the control of any agency from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.” 5 U.S.C. § 552a(a)(5).
[2] As stated in FAR 52.224-3 and Office of Management and Budget (OMB) Circular A-130, Managing Federal Information as a Strategic Resource (2016), “’personally identifiable information’ means information that can be used to distinguish or trace an individual's identity, either alone or when combined with other information that is linked or linkable to a specific individual.” Regarding “sensitive PII,” “[t]he sensitivity level of the PII will depend on the context, including the purpose for which the PII is created, collected, used, processed, stored, maintained, disseminated, disclosed, or disposed. For example, the sensitivity level of a list of individuals’ names may depend on the source of the information, the other information associated with the list, the intended use of the information, the ways in which the information will be processed and shared, and the ability to access the information.” OMB Circular A-130, at App. II-2.

[4] As stated in DOJ Instruction 0900, “Contractors must notify the Contracting Officer, the Contracting Officer’s Representative, and JSOC (or component-level SOC) within 1 hour of discovering any incidents, including breaches, consistent with this Instruction, guidance issued by the CPCLO, NIST standards and guidelines, and the US-CERT notification guidelines.”

[6] As stated in DOJ Instruction 0900, the description should include the type of information that constitutes PII; purpose for which PII is collected, maintained, and used; extent to which PII identifies a peculiarly vulnerable population; the determination of whether the information was properly encrypted or rendered partially or completely inaccessible by other means; format of PII (e.g., whether PII was structured or unstructured); length of time PII was exposed; any evidence confirming that PII is being misused or that it was never accessed.
[7] As stated in DOJ Instruction 0900, the report should include the nature of the cyber threat (*e.g.*, Advanced Persistent Threat, Zero Day Threat, data exfiltration) for cyber incidents.
[8] As stated in DOJ Instruction 0900, the report should include analysis on whether the data is accessible, usable, and intentionally targeted.
[9] As defined in 40 U.S.C. § 11101, the term “information technology” means any equipment or interconnected system or subsystem of equipment, used in the automatic acquisition, storage, analysis, evaluation, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information by the executive agency, if the equipment is used by the executive agency directly or is used by a contractor under a contract with the executive agency that requires the use (i) of that equipment or (ii) of that equipment to a significant extent in the performance of a service or the furnishing of a product; includes computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources; but does not include any equipment acquired by a federal contractor incidental to a federal contract.
[10] In this instance, the term “project” is used to scope the activities (e.g., creating, collecting, using, processing, storing, maintaining, disseminating, disclosing, or disposing of information) covered by an IPA. A project is intended to be

technology-neutral, and may include an information system, a digital service, an information technology, a combination thereof, or some other activity that may create potential privacy issues or privacy risks that would benefit from an IPA. The scope of a project covered by an IPA is discretionary, but components should work with their SCOP and OPCL.

DOJ-03 Personnel Security Requirements For Contractor Employees (Nov 2021)

Work performed under this contract will involve any one or more of the following: access to DOJ Information, which may include Controlled Unclassified Information (CUI), i.e., unclassified, sensitive DOJ information, and/or access to DOJ Information Technology (IT) systems, and/or unescorted access to DOJ space or facilities. Contractor employees will occupy Public Trust Positions, unless clause alternates are applied.

1. General Requirements

(a) (1) All references to "contract(or) personnel" and "contract(or) employee" in this clause means all individuals, without limitation, to include individuals employed by the contractor, team member, subcontractor, consultant, and/or independent contractor, who will have access to information of the Department of Justice (DOJ) or information that is within the custody and control of the DOJ, access to DOJ IT systems, and/or unescorted access to DOJ facilities/space in connection with the performance of this contract. "Employment" as used herein does not create nor imply an employer/employee relationship between the DOJ and contractor employees.

(b) (1) The type of security investigation required for each contractor employee will be governed by the type and risk level of information made available to the contractor employee. The contractor will not be permitted to commence performance under this contract until a sufficient number of its personnel, as determined by the Security Programs Manager (SPM), in consultation with the Contracting Officer's Representative if one is appointed, have received the requisite security approval.

(c) Except where specifically noted otherwise, the federal government will be responsible for the cost and conduct of the investigation.

(d) The contractor shall ensure that no contractor employee commences performance prior to receipt of a written authorization from the contracting officer, COR, or the SPM that performance by the respective contractor employee is authorized.

(e) The data and other information to which the contractor may have access as a result of this contract is the property of, and/or within the custody and control of, the Department, and its disclosure to third parties is governed by various statutes and regulations, the violation of which may subject the discloser to criminal penalties.

2. Citizenship and Residency Requirements

(a) Residency Requirement. (1) Contractor employees in Public Trust positions, both U.S. citizens and non-U.S. citizens, must meet the Department's residency requirement if they will require access to DOJ information, IT systems, or unescorted access to facilities. For three years (not necessarily consecutive years) out of the last five years immediately prior to employment under the Department contract the contractor employee must have: (i) resided in the U.S.; (ii) worked for the U.S. in a foreign country as either an employee or contractor in a federal civilian or military capacity; or, (iii) been a dependent of a federal civilian or military employee or contractor working for the U.S. in a foreign country. At the Department's sole discretion, the residency requirement may be waived by the Department Security Officer (DSO) for contractor employees on a case-by-case basis where justified by extenuating circumstances. The residency requirement does not apply to contractor employees residing in foreign countries that are hired to work in American embassies/ consulates/missions located outside of the United States and who require access to DOJ information, IT systems, or unescorted access *provided that* an adequate background investigation can be conducted, with favorable adjudication, as determined by the DSO.

(b) Citizenship. (1) Aside from the specific exceptions set forth in Section 1.2(b)(2), for Public Trust positions, the DOJ requires that contractor employees be U.S. citizens and nationals, or lawful permanent residents seeking U.S. citizenship. Any prospective non-U.S. citizen contractor employee who requires access to DOJ information systems, DOJ information, and/or unescorted facilities access must also have been granted a waiver as described below in paragraphs 1.2(d) and/or

(e). The contractor is responsible for verifying that the non-U.S. citizens working under this contract are lawful permanent residents seeking U.S. citizenship.

(2) *Exception for Certain Non-U.S. Citizen Contractor Employees*: (i) Non-U.S. citizen expert witnesses, litigative consultants, and interpreters in rare foreign languages are not required to be lawful permanent residents seeking U.S. citizenship. However, they must be granted a waiver for access to unclassified DOJ information, whether CUI or not, DOJ IT systems, and/or unescorted facility access, as described below in paragraph 1.2(d) and (e), regardless of the duration of their duties. (ii) Non-U.S. Citizen contractor employees residing in foreign countries who are hired to work for the Department of Justice in American embassies/consulates/missions outside of the United States are not required to be lawful permanent residents seeking U.S. citizenship.

(c) Dual Citizenship. (1) U.S. citizens who hold dual citizenship with a foreign country are considered U.S. citizens within the meaning of this clause, and may be considered for, but are not entitled to, contract employment as U.S. citizens consistent with this clause. The means by which the contractor employee obtained or exercises his or her dual citizenship status will be a consideration in the Public Trust Investigation (PTI) adjudication, and/or waiver approval processes discussed in this clause.

(d) Access to DOJ Information Technology Systems. Non-U.S citizens are not authorized to access DOJ information technology (IT) systems or assist in the development, operation, management, or maintenance of DOJ IT systems, including providing IT system support, unless a waiver has been granted by the Head of the DOJ component or designee, with the prior concurrence of both the DSO and the DOJ Chief Information Officer, allowing computer access by the non-U.S. citizen. Such a waiver will be granted only in exceptional and unique circumstances on a case-by-case basis. It should be noted that the Justice Consolidated Office Network (JCON) is a sensitive DOJ IT system and any contractor employee who will need access to JCON must be a U.S. citizen or have received a waiver. In order for a waiver to be considered for approval: (1) There must be a compelling reason for using this individual as opposed to a U.S. citizen; (2) The type of personnel security vetting that has been conducted on the individual, and vetting results, that would mitigate risk; and (3) The waiver must be in the best interest of the federal government.

(e) Access to Unclassified DOJ Information and Unescorted Access to DOJ Facilities or Space. (1) Except as provided under 1.2(b)(2), non-U.S. citizens are not authorized to access DOJ information and/or unescorted access to DOJ facilities or space, unless a waiver has been granted by the DSO, allowing access by the non-U.S. citizen. Such a waiver will be granted on a case-by-case basis where justified at the discretion of the DSO.

3. Background Investigation Requirements

(a) (1) Unless otherwise stated below, all contractor personnel are subject to a Public Trust Investigation (PTI). The SPM will determine the type of investigation for each contractor employee based on the risk category (i.e., the nature of the position and degree of harm that could be caused by the individual in that position) and whether the position is long-term or short-term. The PTI risk categories are listed below.

(i) High Risk Positions. The minimum background investigation required is a Tier 4 (T4) investigation, and the five-year reinvestigation required is a Tier 4R (T4R) investigation. The 2017 version of the Standard Form (SF) 85P, Questionnaire for Public Trust Positions, is required.
(ii) Moderate Risk Positions. The minimum background investigation required is a Tier 2 (T2) investigation. The five-year reinvestigation required is a Tier 2R (T2R) investigation. The 2017 version of the SF-85P is required.
(iii) Low Risk/Non-Sensitive Positions. The minimum background investigation required for Low Risk/Non-Sensitive positions is a Tier 1 (T1) investigation and the required five-year reinvestigation is also a Tier 1 (T1) investigation. The SF 85, Questionnaire for Non-Sensitive Positions, is required.

(b) *Exception for Expert Witnesses*. Expert Witnesses, litigative consultants, and interpreters in rare foreign languages may not be subject to full background investigation requirements if alternative security requirements are approved by the DSO.

(c) *Short-Term U.S. Citizen Contractor Employees*. Other than the exception in Section 1.3(b), short-term contractor employees (6 months or less) who are U.S. citizens are not subject to a full background investigation, however, must receive an approved pre-employment background investigation waiver. The required forms to complete and submit are listed in Section 1.4(b) and (c)(2).

(d) *Long-Term U.S. Citizen Contractor Employees*. Other than the exception in Section 1.3(b), all long-term U.S. citizen employees (longer than 6 months) are subject to a full background investigation in the risk category appropriate to the position they will hold.

(e) *Non-U.S. Citizen Contractor Employees*. Other than the exception in 1.3(b), all non-U.S. citizen contractor employees regardless of performance duration (short or long term) are subject to a full background investigation in the risk category appropriate to the position they will hold.

(f) *Reciprocity*. (1) A Public Trust Investigation will be accepted under reciprocity if it meets the following guidelines: (i) the investigation is current (investigations are considered current if completed within the last five years) and favorably adjudicated, or the reinvestigation has been deferred; (ii) the investigation meets or exceeds the level of investigation required for the DOJ contractual instrument; (iii) there has been no continuous (not cumulative) break in federal contract/ service employment of two years or more; (iv) there is no derogatory information since the favorable fitness determination or adjudication that calls into question the individual's fitness based on character or conduct; and (v) the investigative record does not show conduct that is incompatible with the core duties of the new contract position. A "core duty" is a continuing responsibility that is of particular importance to the relevant covered position or the achievement of an agency's mission. Core duties will vary from position to position.

4. Background Investigation Process

(a) *e-QIP (or its successor)*. Public Trust background investigations/reinvestigations of contractor employees will be performed by the DCSA. The investigative process requires contractor employees to complete the Electronic Questionnaires for Investigations Processing (e-QIP) and provide additional information as specified in paragraph 1.4(b) below. Immediately after contract award, the contractor shall designate an employee as its "e-QIP Initiator" and provide the name of this person to the SPM. The e-QIP Initiator must have, at a minimum, a favorably adjudicated Tier 1 investigation and the appropriate DOJ security approval before being given access to e-QIP. After the e-QIP Initiator's security approval is granted, the Contractor will be configured in e-QIP as a sub-agency to DOJ. The contractor will then be responsible for initiating investigations for all contract personnel, whose previous investigation does not meet reciprocity, in e-QIP for completion of the security questionnaire form and forwarding the electronic form with the remainder of the security package to the SPM. Subject to the prior written approval of the SPM, the contractor may designate an e-QIP Initiator for each subcontractor. Subcontractor e-QIP Initiators must have, at a minimum, a favorably adjudicated Tier 1 investigation and the appropriate DOJ security approval before being provided access to e-QIP.

(b) *Additional Documentation*. (1) In addition to completing the e-QIP questionnaire (see 1.4(a), above), the contractor shall ensure that each contractor employee occupying Public Trust Positions, including short-term employees, completes and submits the following information through the contractor's Corporate Security Officer:

(i) Digital Fingerprinting/FD-258 Applicant Fingerprint Card. Two sets are required per applicant. The contractor may schedule appointments with the SPM to be digitally fingerprinted; otherwise, fingerprinting by the FBI or other law enforcement entity, as approved by the SPM, is required to ensure the identity of the person being fingerprinted and for printing quality. All pertinent information must be completed by the individual taking the fingerprints (FBI or other). Use of the physical FD-258 Applicant Fingerprint Card should only be used in extenuating circumstances.
(ii) DOJ-555 Fair Credit Reporting Act Disclosure. Authorizes DOJ to obtain one or more consumer/credit reports on the individual. This form will be required if the Component SPM determines a credit check is necessary for its Low Risk Level 1 contractor positions.
(iii) OF-306, Declaration for Federal Employment.
(iv) Foreign National Relatives or Associates Statement. This is only required if foreign national relatives or associates were not disclosed on the security questionnaire form.
(v) Self-Reporting Requirements for All Contractor Personnel. This is an acknowledgement and acceptance statement that every contractor must sign.
(vi) Additional information as may be required based on the review of the security questionnaire form.

The contractor shall review all forms/documents to ensure each is complete, accurate and meets all DOJ requirements, including applicable residency and citizenship requirements. The contractor shall resolve any issues or discrepancies with the contractor employee, including resubmission of corrected forms or documentation. Completed forms/documents shall be submitted to the SPM (or designee, which may include the COR) within five (5) calendar days after being finalized.

(c) Adjudication and Pre-Employment Background Investigation Waivers

(1) Except as set forth in this section, background investigations must be conducted and favorably adjudicated for each contractor employee prior to commencing their work on this contract. Where programmatic needs do not permit the federal government to wait for completion of the entire background investigation, a pre-employment background investigation waiver for *public trust contractors* can be granted by the SPM, in consultation with the cognizant COR. Pre-employment waivers cannot be used to circumvent delays in clearing classified contractors through the DCSA, if access to classified information is required.

(2) As directed by the SPM, the contractor shall initiate pre-employment waivers for Public Trust Positions when necessary. This may entail performing credit history checks and submission of these checks as part of the security package, including satisfactory resolution of any issues prior to submission to the federal government. A waiver will be disapproved if it develops derogatory information that cannot be resolved in the contractor employee's favor. When a waiver has been disapproved, the CO, in consultation with the SPM and COR, will determine (i) whether the contractor employee will no longer be considered for work on a DOJ contract or (ii) whether to wait for the completion and favorable adjudication of the background investigation before the contractor employee commences work on a Department contract. The pre-employment background investigation waiver requirements include:

1. Verification of citizenship (copy of a birth certificate, naturalization certificate, or U.S. passport);
2. Verification of compliance with the *DOJ Residency Requirement* of this Clause;
3. Favorable review of the security questionnaire form;
4. Favorable FBI fingerprint results;
5. Favorable credit report;
6. Favorable review of the OF-306 form, Declaration for Federal Employment;
7. Verification of the initiation of the appropriate background investigation (for long-term personnel); and
8. Receipt of the signed DOJ *Self-Reporting Requirements for All Contractor Personnel* (see Section 6, below).

(3) The investigating agency (DCSA) will provide the SPM with the results of each proposed contractor employee's Public Trust investigation. Upon receipt of the investigation and any other pertinent documents from the investigating agency, the SPM will determine whether each proposed contractor employee should be granted employment security approval.

(4) The COR will notify the contractor of the results of Public Trust background investigations as they are completed and adjudicated, including any individual who is found ineligible for employment security approval. For any individual found ineligible for employment on a Department contract, the contractor shall propose a replacement and initiate the background investigation process consistent with this clause.

5. Identity Proofing and Badging

(a) Access to DOJ Information, federally-controlled IT systems, and/or unescorted access to federally-controlled facilities or space (regardless of whether the contractor employee will be issued a DOJ PIV card or building access badge) shall be made available after each respective contractor employee has (1) met the identity proofing requirements outlined below, and (2) completed all other security requirements stated elsewhere in this contract.

(b) (1) Public Trust contractor employees must appear in person at least once before a DOJ official or an official of a trusted contract company (i.e., has a facility security clearance) who is responsible for checking two forms of identification in original form prior to commencement of work by the contractor employee and PIV card or building access badge issuance (as applicable). Approval will be documented by the DOJ official or an official of a trusted contract company. (Acceptable documents are listed in Form I 9, Employment Eligibility Verification, and at least one document must be a valid state or federal government issued picture ID).

(c) [Reserved]

(d) All contractor employees requiring unescorted access to a DOJ controlled facility or space shall comply with the PIV card or building access badge requirements outlined below:

(i) When any contractor employee enters a DOJ building for the first time, he/she shall allow one hour for security processing and the creation and issuance of a building access badge. PIV cards require additional processing time and will not likely be issued on the same day.

(ii) Building access badges shall be subject to periodic review by the contractor employee's supervisor and checked against his/her personal identification. The contractor employees shall present themselves for the issuance of renewed badges when required by the government as scheduled by the COR or his/her designee. The contractor shall notify the COR when contractor employee badges are lost, and must immediately apply for reissuance of a replacement badge. The contractor shall pay for reissued building access badges at no cost to the government. It is the contractor employee's responsibility to return badges to the COR or his/her designee when a contractor employee is dismissed, terminated or assigned to duties not within the scope of this contract.

6. Employee Reporting Requirements

(a) All contractor employees must sign the DOJ *Self-Reporting Requirements for All Contractor Personnel* statement acknowledging and accepting the DOJ requirement that they immediately self-report certain information using the Department's iReport system. The COR or SPM will provide the Self-Reporting statement as well as a list of reportable information, which varies by position sensitivity designation, to the contractor employee before commencing work under the contract. If the contractor employee does not have access to the DOJ iReport System, the COR or SPM will provide a fillable form for the contractor employee to complete and submit.

(b) The COR and SPM will review the written report and documentation and make a determination regarding continued employment on a DOJ contract.

(c) DOJ reporting requirements are in addition to the DCSA reporting requirements and the contractor's internal reporting requirements.

7. Replacement Personnel

(a) The contractor shall make every effort to avoid costs to the government for security investigations for replacement of contractor employees, and in so doing shall ensure that otherwise satisfactorily performing and physically able contractor employees remain in contract performance for the duration of the contract. The contractor shall take all necessary steps to ensure that contractor personnel who are selected for assignment to this contract are professionally qualified and personally reliable, of reputable background and sound character, and able to meet all other requirements stipulated in the contract.

(b) The fact that the government performs security investigations shall not in any manner relieve the contractor of its responsibility to ensure that all contract personnel are reliable and of reputable background and sound character. Should a security investigation conducted by the government and/or a contractor's self-report or failure to self-report render ineligible a contractor employee, the contracting officer will determine whether the contractor has violated this clause. The contracting officer may direct the contractor, at its own expense, to remove and replace any contractor personnel who fails to comply with or violates applicable requirements of this contract. Such action may be taken at the government's direction without prejudice to its rights under any other provision of this contract, including termination for default, and the contractor may be held liable, at a minimum, for all reasonable and necessary costs incurred by the government to (i) provide coverage (performance) through assignment of individuals employed by the government or third parties in those cases where absence of contractor personnel would cause either a security threat or DOJ program disruption and (ii) conduct security investigations in excess of those which would otherwise be required.

(c) Nothing in this clause shall require the contractor to bear costs involved in the conduct of security investigations for replacement of a contractor employee who separates from the contractor of his/her own accord, is incapacitated, or is deceased.

(d) The contractor shall comply with the terms and conditions set forth under this clause and assumes all liability for failure to comply. The rights and remedies conferred upon the government by this clause are in addition to all and other rights and remedies pursuant to the contract and as established by law.

(End of Clause)

DOJ-08 Continuing Contract Performance During a Pandemic Influenza or other National Emergency (OCT 2007)

During a Pandemic or other emergency we understand that our contractor workforce will experience the same high levels of absenteeism as our federal employees. Although the Excusable Delays and Termination for Default clauses used in government contracts list epidemics and quarantine restrictions among the reasons to excuse delays in contract

performance, we expect our contractors to make a reasonable effort to keep performance at an acceptable level during emergency periods.

The Office of Personnel Management (OPM) has provided guidance to federal managers and employees on the kinds of actions to be taken to ensure the continuity of operations during emergency periods. This guidance is also applicable to our contract workforce. Contractors are expected to have reasonable policies in place for continuing work performance, particularly those performing mission critical services, during a pandemic influenza or other emergency situation. The types of actions a federal contractor should reasonably take to help ensure performance are:

- Encourage employees to get inoculations or follow other preventive measures as advised by the public health service.
- Contractors should cross-train workers as backup for all positions performing critical services. This is particularly important for work such as guard services where telework is not an option.
- Implement telework to the greatest extent possible in the workgroup so systems are in place to support successful remote work in an emergency.
- Communicate expectations to all employees regarding their roles and responsibilities in relation to remote work in the event of a pandemic health crisis or other emergency.
- Establish communication processes to notify employees of activation of this plan.
- Integrate pandemic health crisis response expectations into telework agreements.
- With the employee, assess requirements for working at home (supplies and equipment needed for an extended telework period). Security concerns should be considered in making equipment choices; agencies or contractors may wish to avoid use of employees' personal computers and provide them with PCs or laptops as appropriate.
- Determine how all employees who may telework will communicate with one another and with management to accomplish work.
- Practice telework regularly to ensure effectiveness.
- Make it clear that in emergency situations, employees must perform all duties assigned by management, even if they are outside usual or customary duties.
- Identify how time and attendance will be maintained.

It is the contractor's responsibility to advise the government contracting officer if they anticipate not being able to perform and to work with the Department to fill gaps as necessary. This means direct communication with the contracting officer or in his/her absence, another responsible person in the contracting office via telephone or email messages acknowledging the contractor’s notification. The incumbent contractor is responsible for assisting the Department in estimating the adverse impacts of nonperformance and to work diligently with the Department to develop a strategy for maintaining the continuity of operations.

The Department does reserve the right in such emergency situations to use federal employees. employees of other agencies, contract support from other existing contractors, or to enter into new contracts for critical support services. Any new contracting efforts would be acquired following the guidance in the Office of federal Procurement Policy issuance "Emergency Acquisitions", May, 2007 and Subpart 18.2. Emergency Acquisition Flexibilities, of the Federal Acquisition Regulations.

(End of Clause)

DOJ-09 Large Language Models (MAR 2026)

(a) Definitions.

1. "Large language model" (LLM) means a generative Artificial Intelligence (AI) model trained on vast, diverse datasets that enable the model to generate natural-language responses to user prompts.
2. "Restricted Intellectual Property" means computer code (whether machine readable or written in a programming language) and model weighting information.

(b) Compliance with Unbiased AI Principles. Any LLM provided under this contract, including an LLM integrated into another software product or service, must adhere to the Unbiased AI Principles, truth-seeking and ideological neutrality, as set forth in Executive Order 14319, *Preventing Woke AI in the Federal Government* (July 23, 2025).

(c) End-User Feedback. LLMs provided under this contract must provide a meaningful option for an end-user to submit feedback and provide notice on outputs, including those that violate the Unbiased AI Principles (such as a general inbox, specific product point of contact, or similar mechanism).

(d) Disclosure Obligations. The Offeror (or, in the event of an existing contract, the Contractor) must clearly disclose any planned or potential provision of an LLM as part of the Offer (or, in the event of an existing contract, in a separate disclosure provided within ten days of the date on which this clause is incorporated into the contract). This disclosure must include the following information:

1. The LLM acceptable use policy;
2. LLM model, system, and/or data cards, ordinarily including summaries of the training process, identified risks and mitigations, and model evaluation scores on LLM benchmarks;
3. Architecture decision records, application programming interface documentation and specifications, data lineage and dataset descriptions;
4. Development artifacts including contextual documentation, project blueprints and boilerplates;
5. Process and governance artifacts including product requirements documents, traceability reports, security checklists and risk assessments, and evaluation and test results;
6. Explanation of the proposed user-interface and user-experience (human-centered) design approach,
7. If the proposed LLM utilizes model merging or model blending, documentation of details on this process,
8. Key characteristics including format, version control, purpose, and proposed evaluation and quality assurance plans;
9. Recommended architectural and data workflow diagrams on where the proposed model would reside, how the model would address data inputs and outputs, and what connections and safeguards it hosts in relation to other versions, models, or iterations external to the proposed model residence;
10. End-user resources for the LLM (*e.g.*, product tutorials, developer guides, or other best tools to help customers ensure proper use of the LLM and maximize utility);
11. Details regarding the mechanism(s) for end user feedback; and
12. Any additional information identified as necessary to assess compliance with the Unbiased Principles either explicitly required in the solicitation or, for existing contracts, in an agency request.

Nothing in this paragraph shall require the Offeror to disclose Restricted Intellectual Property.

(e) Materiality of Performance. The requirements stated in this section are material to eligibility, performance, and payment under the contract. In the event that the Contracting Officer notifies the Contractor that an LLM provided under this contract fails to comply with the provisions of this section, and the Contractor fails to cure the violation within a reasonable period, the Department shall be entitled to terminate the contract for default (or in the case of a commercial contract, for cause) and the Contractor shall be responsible for all resulting costs and other damages, including those associated with decommissioning the LLM.

(f) Subcontractor Obligations. The requirements in this section shall be flowed-down to and shall apply to LLMs provided by subcontractors at all tiers.

(End of Clause)

OBD-01 Electronic Signatures (MAY 2019)

(a) The Department of Justice is committed to doing business in the most efficient and effective way possible, and to facilitate paperless processes. In furtherance of this goal, the Contracting Officer may apply their digital signature to procurement documents in the Portable Document Format (PDF) through the use of their government issued Personal Identity Verification (PIV) Card with a valid public key certificate. A digital signature made with these certificates is evidence that a specific individual signed the electronic record and that it was not altered. The recipient of a signed document can rely on the digital signature as evidence for a third party that the signature was generated by the claimed signer.

(b) For procurement documents that require a signature from a representative of the Contractor, the Contractor may utilize manual or electronic signature. Should the Contractor utilize an electronic signature, by returning the document with an electronic symbol affixed to the appropriate signature block, the Contractor representative signing on behalf of the Contractor certifies that:

(1) Electronic Form of Signature: The Contractor representative has knowingly adopted, applied or affixed an electronic symbol to the document;

(2) Intent to Sign: The Contractor representative has applied an electronic symbol with the intent to legally bind the Contractor;

(3) Association of Signature to Record: the Contractor representative's signature is attached to the electronic record being signed;

(4) Identification and Authentication of Signer: The Contractor has a means to identify and authenticate a particular person as the signer; and

(5) Integrity of Signed Record: The Contractor can attest to the integrity of the signed record between the time of signature and the returned record to the government.

This clause applies to this document and any subsequent documents (e.g., modifications, task/delivery orders) associated with this action.

Therefore, Offerors are required to inform the Contracting Officer of any unavailability or changes to proposed key personnel, including substitutions, before contract award if any are made following initial Quotation submission. All CLINs with an estimated quantity must have a unit price or state N/C. All pricing and costs associated to provide the requisite services stated in this SOW herein shall be included within the quotation. (1) Offerors are responsible for submitting offers and any modifications or revisions to the Government office designated in the solicitation by the time specified in the solicitation.

(2) Any offer, modification, or revision received after the time specified for receipt of offers is "late" and will not be considered unless it is received before award is made and the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition. However, a late modification of an otherwise successful offer that makes its terms more favorable to the Government will be considered at any time it is received and may be accepted.

(3) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(4) Offerors may withdraw their offers by written notice to the Government received at any time before award.

(d) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with Offerors. Therefore, the Offeror's initial offer should contain the Offeror's best terms. However, the Government reserves the right to conduct discussions, if necessary. The Government may reject any or all offers if such action is in the public interest, accept other than the lowest offer, and waive informalities and minor irregularities in offers received.

(e) *Debriefings*. If a postaward debriefing is given to requesting Offerors, the Government will disclose the following information, if applicable:

(1) The agency's evaluation of the significant weak or deficient factors in the debriefed Offeror's offer.

(2) The overall evaluated cost or price and technical rating of the successful Offeror and the debriefed Offeror and past performance information on the debriefed Offeror.

A.2 ADDENDUM TO FAR 52.212-1, Addendum to 52.212-1 - Instructions, Conditions and Notices to Offerors (SEP 2023)

Provisions By Full Text

[END OF ADDENDUM TO FAR 52.212-1]

Addendum 52.212-2 Addendum to FAR 52.212-2 - Evaluation Criteria (NOV 2021)

Addendum to FAR 52.212-2 - Evaluation Criteria (NOV 2021)

Clause fill-in for 52.212-2(a):

1. Key Personnel
2. Past Performance
3. Price

The Government plans to award one (1) single IDIQ contract award for the location listed to the Offeror whose quote represents the best value solution, price and non-price (technical) factors combined. The CO may reasonably determine that a superior technical solution/approach merits a higher price, and therefore represents the best value to the Government or may determine a lower rated, but still technically acceptable solution/approach merits a lower price. The CO, using sound business judgment will base the selection decision on the integrated assessment of the Offeror's ability to successfully perform the requirements of the Statement of Work and the Offeror's demonstrated capability as measured against the below evaluation factors.

Quotation shall be prepared in accordance with and comply with the instructions contained within this RFQ. Each quote will be evaluated in accordance with the evaluation factors listed herein.

The following factors shall be used to evaluate offerors as follows:

Factor 1: Key Personnel

Key Personnel - The Offeror shall provide qualified personnel who have sufficient experience, education, training, and skills to satisfactorily perform the requirements of this Statement of Work. Key personnel will be rated based upon their technical expertise and experience, as demonstrated on submitted resumes, in relation to the requirements listed throughout this Statement of Work.

Additional merit or weight may be assigned during evaluations if the Key Personnel proposed demonstrate more than five (5) years of stenographer court reporting qualifications and experience in similar scope, size, and complexity of requirements to that of this RFQ.

Factor 2: Organizational Past Performance

The Offeror will be evaluated based on its past performance. The Offeror shall submit up to three (3) past performance references of similar work and scope completed within three (3) years of this Solicitation closing . Evaluation will be based on the relevancy of recent efforts accomplished by the Offeror. Higher merit may be assigned to past performance examples where the vendor demonstrates successful experience with stenographer court reporting using real time transcription in setting similar in size, scope and complexity to that of this RFQ.

Other information that may be obtained, including how well the Offeror cooperated with the client, the quality and timeliness of work delivered, and if costs were properly controlled (if applicable) will also be evaluated. Past performance information may be accessed by the Government from available online databases, including sources such as the Contractor Performance Assessment Rating System (CPARS) and Systems for Award Management.

Factor 3: Price

Price will be evaluated in accordance with FAR Part 13. The Government may require additional pricing information to assist in determining the extent to which the quoted price is fair and reasonable, and the pricing information shall be provided if requested.

The Government will evaluate quotes for award purposes by adding the total price for all CLINs to determine the total quoted price for each period of performance. Those sub-total prices will then be used to add the told of all option periods to the total price for the base year requirement to determine the total quoted price, base and all option years considered. Evaluation of options will not obligate the Government to exercise the option(s).

All non-price (technical) factors are equal in importance to each other, and when combined, are significantly more important than Price. However, the Contracting Officer will not select an Offeror for award on the basis of a superior capability without consideration of the amount of its price. Likewise, a lower priced technically acceptable quote will not be selected solely because of a lower price alone. A trade off may be conducted where necessary to determine which Offeror provides the best value solution for the Government. Price will become increasingly more important as evaluation ratings for the non-price factors approach equality between Offerors.

52.212-2 (DEV) Evaluation-Commercial Products and Commercial Services (Nov 2021)
(DEVIATION NOV 2025)

Evaluation—Commercial Products and Commercial Services (Nov 2025)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:Technical, Past Performance, Price.

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
