Vendors MUST SECURE Defense Base Act (DBA) Insurance after award of contract. All DBA insurance information can be determined and acquired using the U.S. Department of Labor website. DBA is a 100% mandated requirement for all services outside of the U.S. that does not have a current waiver on file with the U.S. Department of Labor. The country of Peru does not have a waiver for DBA insurance. DBA is essentially a form of workman's compensation to ensure all workers are covered in case of an accident during performance of a service contract and is mandatory for all service contracts.
