NOTICE OF INTENT-SOURCES SOUGHT

The Defense Information Systems Agency/Defense Information Technology Contracting Organization intends to negotiate a sole source contract with Tecolote Research, Inc. for the maintenance renewal of Automated Cost Estimating Integrated Tools (ACEIT) software.

The proposed contract action is for ACEIT Software Maintenance.

At this time, the incumbent contractor Tecolote Research, Inc. is the only source capable of providing all necessary software maintenance.

The statutory authority for other than full and open competition is 10 USC 2304 (c) (1), as implemented by FAR 6.103-1(c)(2) only one responsible source and no other supplies or services will satisfy agency requirements. Companies who believe they can provide this product must indicate their interest in writing within five (5) calendar days of this notification and include a detailed capability statement. No reimbursement for any cost connected with providing capability information will be provided. All responsible sources will be considered in evaluating the determination to issue a sole-source contract. Quotations or proposals received in response to this notice cannot be accepted since this synopsis cannot be considered a request for quote or a request for proposal. A solicitation will NOT be posted to SAM.gov due to the sole source nature of the requirement.

The North American Classification System (NAICS) code 513210 will be used for determining company size status.
