	The purpose of this Amendment 0001 is to include Attachment 4 - Questions and Answers. The National Park Service (NPS) at Lassen Volcanic National Park (LAVO) has a requirement for supply and delivery of fuel. The project is located at Lassen Volcanic National Park, Tehama and Plumas Counties, CA. The Contractor shall provide all supervision, labor, equipment, testing, and supplies necessary to complete the work as identified in the project specifications and associated documents provided as attachments to the solicitation. The North American Industry Classification System (NAICS) Code for this requirement is 324191, with a corresponding size standard of 900 employees. This acquisition is a Total Small Business Set-Aside. Quotations are solicited only from small business concerns. Quotations received from concerns that are not small business concerns shall not be considered. The Government anticipates award of a firm-fixed-price purchase order resulting from this solicitation. Evaluation for award will be made in accordance with the simplified acquisition procedures outlined in FAR Part 13.106. The Government anticipates issuing an order resulting from this request for quotation to the responsible quoter whose quotation will be most advantageous to the Government, price and other factors considered. See Attachment 2: Specifications, for a detailed description of the requirement. Refer to provisions and clauses and other attachments for additional information about this requirement and instructions on how to submit a quotation. Submit questions only through email to the person identified in Section III B(a). Quotations must be received in their entirety Continued...
