   [see vendor sign-in sheet]

2. The Contracting Officer began with an overview of the solicitation, emphasizing the following key points:

   - This project is located in a controlled area of the POL facility. All work will need to be accomplished under escort by a federal employee. Awardee will be responsible for coordinating work schedules with the Government.
   - Unpublished revisions to the PWS were distributed to attendees, with a commitment to post to SAM.gov later in the day.

3. Following the briefing, the group visited the site for the POL Gate Repair project. Vendors were able to inspect the areas and ask project-specific questions.

4. The meeting concluded with a reminder that all formal questions must be submitted in writing to the Contracting Office.
