If a discrepancy occurs between the information in the advertisement appearing on the Department of General Services, California State Contracts Register (CSCR) on the Cal eProcure website: www.caleprocure.ca.gov, and the information herein, the information in this notice and in the attached IFB shall take precedence.

It is the bidder's responsibility to monitor the website for any changes or updates. Bidders are advised to register at the website: www.caleprocure.ca.gov to receive notification in-reference to any changes or updates to this solicitation, and to receive notification of other bidding opportunities with the State of California.

I. Bid Due Date

II. Disabled Veteran Business Enterprise (DVBE) Participation Requirements

California Law requires Disabled Veteran Business Enterprise (DVBE) participation; however, the DVBE participation requirement has been waived by CHP for this solicitation. Bidders who opt to utilize DVBE participation are eligible to receive DVBE incentive. For more information regarding this option, see section M of the IFB entitled "Preference and Incentive Programs."

III. Funding Limit

The proposed agreement is valid and enforceable only if sufficient funds are made available by the Budget Act of the appropriate fiscal year for the purpose(s) of the Agreement. In addition, the proposed Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Legislature, which may affect the provisions, terms, or funding of the agreement in any manner. If full funding does not become available, CHP will either cancel the resulting Agreement or amend it to reflect reduced funding and reduced activities.

IV. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. By submitting a bid or proposal, Contractor represents that it is not a target of Economic Sanctions. Should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor's bid/proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the State.

V. Generative Artificial Intelligence (GenAI)

The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies.

Bidder / Offeror must notify the State in writing if it: (1) intends to provide GenAI as a deliverable to the State; or (2), intends to utilize GenAI, including GenAI from third parties, to complete all or a portion of any deliverable that materially impacts: (i) functionality of a State system, (ii) risk to the State, or (iii) Contract performance. For avoidance of doubt, the term "materially impacts" shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

Upon notification by a Bidder / Offeror of GenAI as required, the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject bids/offers that present an unacceptable level of risk to the State.

Government Code 11549.64 defines "Generative Artificial Intelligence (GenAI)" as an artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio that emulates the structure and characteristics of the system's training data.

- 1) At its sole discretion, CHP reserves the right to overlook, correct or require a bidder to remedy any obvious clerical or mathematical errors on a bid form.
- 2) If the correction of an error results in an increase or decrease in the total price, CHP shall give the bidder the option to accept the corrected price or withdraw their bid.
- 3) Bidders may be required to initial corrections to costs and figures on the Bid Form if the correction results in an alteration of the cost(s) offered.
- 4) If a mathematical error occurs in a total or extended price and a unit price is present, CHP will use the unit price to settle the discrepancy.

e. Right to remedy errors

CHP reserves the right to remedy errors caused by:

- 1) CHP office equipment malfunctions or negligence by agency staff.
- 2) Natural disasters (i.e., floods, fires, earthquakes, etc.).

f. No agreement award or IFB cancellation

The issuance of this IFB does not constitute a commitment by CHP to award an agreement. CHP reserves the right to reject all bids and to cancel this IFB if it is in the best interest of CHP to do so.

g. Agreement amendments after award

As provided in the Public Contract Code governing contracts (agreements) awarded by competitive bid, CHP reserves the right to amend the agreement after CHP makes an agreement award.

M. Preference and Incentive Programs

To confirm the identity of the lowest responsive bidder, CHP will adjust the total bid cost for applicable claimed preference(s) and/or incentive(s). CHP will apply preference and/or incentive adjustments to eligible bidders according to state regulations following verification of eligibility with Department of General Services (DGS), Office of Small Business and DVBE Services (OSDS).

1. Small/Micro Business Preference (preference not to exceed \$50,000)

- a. A responsive bidder, certified as a small/micro business in a relevant business category or type, will be granted a preference up to five percent (5%) of the lowest responsive bid. Small business means a responsive/responsible bidder that is certified by the California Department of General Services as a small business or micro business. The "service" category or business type will most likely apply to this procurement. Nonprofit Veteran Service Agencies (NVSA) are to view the instructions in section M of this IFB, entitled "Preference and Incentive Programs," paragraph 4.
- b. In granting small/micro business preference, no bid price will be reduced by more than five percent (5%). The cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.
- c. To be certified as a California small/micro business and eligible for a bidding preference the business concerned must meet the state's eligibility requirements and must have submitted an application for small/micro business status no later than 5:00 p.m. on the bid submission deadline.
- d. Firms desiring small/micro business certification must obtain the Small Business Certification Application (DGS PD 812) from DGS, OSDS or by downloading the application located at:
https://www.documents.dgs.ca.gov/dgs/fmc/gs/pd/pd_812.pdf and fully complete the application, and submit it to DGS as instructed in the application. Prospective bidding firms desiring small business certification assistance, may contact the Department of General Services by the following means:
 - 1) (916) 322-5060 (24-hour recording and mail requests), or
 - 2) (916) 375-4940 (Small business assistance) or (800) 559-5529 (live operator-central receptionist), or
 - 3) Internet address: <https://www.dgs.ca.gov/PD/Services> or
 - 4) Fax: (916) 375-4950, or
 - 5) Email: OSDSHelp@dgs.ca.gov

2. Non-Small Business Subcontractor Preference (preference not to exceed \$50,000)

- a. Non-small business means a responsive/responsible bidder that is not certified by the California Department of General Services as a small business or micro business.
- b. If the tentative low bidder is not a certified DVBE or small/micro business, a bid preference up to five percent (5%) is available to a responsive non-small business claiming twenty-five percent (25%) small business subcontractor participation with one or more small businesses. This preference is authorized pursuant to Title 2, California Code of Regulations Section 1896.6 (b) and Government Code Section 14835.
- c. If a bidder claims the non-small business subcontractor preference, the bid response must identify each proposed small business subcontractor, the participation percentage amount committed to each identified subcontractor, and substantial proof to enable verification of each subcontractor's small business status. The total small business subcontractor participation must equal no less than twenty-five percent (25%) of the total bid price or cost offered.
- d. To be granted preference, each proposed small business subcontractor must possess an active small business or micro business certification issued by the California Department of General Services, must perform a "commercially useful function" under the agreement, and the basic functions to be performed must be identified at the time of bidding.
- e. In granting the non-small business subcontractor preference, no bid price will be reduced by more than five percent (5%). The cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.
- f. Complete Attachment 3 (Non-Small Business Subcontractor Preference Request and Small/Micro Business Subcontractor/Supplier Acknowledgement Form) to request the non-small business subcontractor preference.
- g. Refer to section L of this IFB, entitled "Bid Requirements and Information," Item 6 (b) to learn how tie bids will be resolved.

3. Disabled Veteran Business Enterprise (DVBE) Incentive

In accordance with Section 999.5(a) of the Military and Veterans Code, an incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the state shall apply an incentive to bids that propose California certified DVBE participation and confirmed by the state. The incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. (Refer to Attachment 4, California DVBE Incentive Program.)

NOTE: When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed 10% or \$100,000, whichever is less.

4. Nonprofit Veteran Service Agency (NVSA) Small business Preference (preference not to exceed \$50,000)

- a. Pursuant to Military and Veteran Code Section 999.50 et seq., responsive/responsible nonprofit veteran service agencies (NVSAs) claiming small business/micro business preference and verified as such in the relevant category or business type prior to the bid submission due date will be granted a preference up to five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a small business/micro business. The "service" category is the business type that will most likely apply to this procurement.
- b. In granting small business preference to NVSAs, no bid will be reduced by more than five percent (5%). The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.
- c. To be eligible for the NVSA small business preference, the business concern must:
 - 1) Request preference at the time of bid submission, and
 - 2) Become certified as a small business or micro business by the appropriate office of the California Department of General Services prior to the bid submission due date.
- d. Refer to section L of this IFB, entitled "Bid Requirements and Information," Item 6 (b) to learn how tie bids will be resolved.

N. Agreement Terms and Conditions

The winning bidder must enter into an agreement that may contain the bidder's bid form or budget, a scope of work, standard agreement provisions, and one or more of the agreement forms and/or exhibits identified in the Proposed Agreement contained herein. Other exhibits, not identified herein, may also appear in the resulting agreement.

The exhibits identified in the Proposed Agreement contain agreement terms that require strict adherence to various laws and contracting policies. A bidder's unwillingness or inability to agree to the terms and conditions contained in any exhibit identified in this IFB may cause CHP to deem a bidder non-responsible and ineligible for an award. CHP reserves the right to use the latest version of any form or exhibit contained in this IFB in the resulting agreement if a newer version is available. CHP will not accept alterations to the General Terms and Conditions (GTC), the Special Terms and Conditions, or the Scope of Work; or alternate agreement/exhibit

language submitted by a prospective contractor. CHP will consider a bid containing such provisions "a counter proposal" and CHP may reject such a bid.

1. Resolution of differences between IFB and agreement language

If an inconsistency or conflict arises between the terms and conditions appearing in the final agreement and the proposed terms and conditions appearing in this IFB, any inconsistency or conflict will be resolved by giving precedence to the agreement.

Submitted hereon is the bid to provide Shop Clothing Linen Services per the specifications of this IFB. Bidder shall provide rate(s) in clear, legible figures in the spaces provided. Failure to provide the required rates shall be cause for rejection of your bid.

NOTE:

1. Any quantities listed on this bid request are CHP's estimates only and are offered as a basis for the comparison of bids. The State does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to omit portions of the work as may be deemed necessary or advisable by the State.
2. In the case of a discrepancy between the Unit Price (e.g., Hourly Rate, Cost per Service) and Item Total (e.g., Hourly Rate x Hours Worked = Item Total), the Unit Price shall prevail. However, if the Unit Price figure is ambiguous, illegible, uncertain, or is omitted, the Item Total shall be divided by the estimated usage (e.g., Hours Worked) to determine the Unit Price. In the case of a discrepancy between the Basis of Award and the sum of the Item Totals, the sum of the Item Totals shall prevail.

Any modification to this bid request shall render your bid non-responsive.

Non-Small Business Subcontractor Preference Request

Non-Small Business Subcontractor Preference	Non-small business bidders will be granted up to a five percent non-small business subcontractor preference on a bid evaluation when a responsive non-small business has submitted the lowest priced responsive bid and when a non-small business bidder: 1. Has included in its bid a notification that it commits to subcontract at least 25 percent of its total bid price with one or more small businesses; and 2. Has submitted a timely, responsive bid; and 3. Is determined to be a responsible bidder; and 4. Lists the small businesses it commits to subcontract with for a commercially useful function in the performance of the resulting agreement.
Commercially useful function	As defined in the Government Code Section 14837(d)(4)(A), a person or an entity is deemed to perform a commercially useful function if a person or entity does all of the following: 1. Is responsible for the execution of a distinct element of the work of the contract. 2. Carries out the obligation by actually performing, managing, or supervising the work involved. 3. Performs work that is normal for its business services and functions. 4. Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices. 5. A subcontractor will not be considered as performing a CUF if its role is limited to that of an extra participant in a transaction, agreement, or project through which funds are passed in order to achieve the appearance of DVBE participation.
How to calculate 25 percent subcontract participation	Unless otherwise instructed in the solicitation document, first determine the total dollar value or amount that will be bid for the entire agreement term, then multiply this figure by 25 percent to determine how much of the bid price must be committed to small business subcontracts that will perform commercially useful functions including but not limited to things such as labor, supplies, materials, equipment, or support services.
Use of proposed subcontractors and substitution	If awarded the agreement, the selected contractor must faithfully use each small business subcontractor proposed for use and identified in its preference request. Substitutions or alterations are NOT allowed after a bid is submitted. Substitutions are only allowed after agreement execution if the Contractor submits a Request for Substitution to the CHP SB/DVBE Advocate; and that request is subsequently approved/denied by the DGS.
Preference and/or Incentive request instructions	If preference(s)/incentive(s) are claimed, indicate this on the Bid Form and complete the appropriate Attachment identifying each small business, micro business or DVBE subcontractor that will be used in the performance of this contract. For each subcontractor identified on the appropriate Attachment, a completed and signed Small Business Subcontractor/Supplier Acknowledgment, STD 843, DVBE Bidder Declaration, and/or GSPD-05-105, Bidder declaration form must be obtained. Affix each form to the appropriate Attachment for submission with the bid response. If a signed Attachment 5 cannot be collected from each subcontractor in time for bid submission, indicate why. Submission of the appropriated signed Attachment(s) and form(s) for each subcontractor listed is a prerequisite for agreement award confirmation. Identify only currently certified small business, micro business, and/or DVBE subcontractors, as active certification is required, and certification possession will be verified. All proposed subcontracted services must appear in the Scope of Work.

The State has established goals for the Disabled Veteran Business Enterprise (DVBE) Program participating in State contracts. For the purpose of this solicitation, the DVBE Program participation requirement is **WAIVED**; however, this solicitation does provide a:

CALIFORNIA DVBE INCENTIVE

PLEASE READ INSTRUCTIONS THOROUGHLY

(Revised May 1, 2025)

AUTHORITY: The Disabled Veteran Business Enterprise (DVBE) Program is established in Military and Veteran Code (MVC) 999 §§ et seq., Public Contract Code (PCC) 10115 §§ et seq., and California Code of Regulations (CCR) Title 2, 1896 §§ et seq.

PURPOSE: The MVC 999 (a), known as the DVBE Program is established to address the special needs of disabled veterans seeking rehabilitation and training through entrepreneurship and to recognize the sacrifices of Californians disabled during military service. It is the intent of the Legislature that every state procurement authority honor California's disabled veterans by taking all practical actions necessary to meet or exceed the DVBE Program participation requirements (percentage/goal), hereafter referred to as DVBE participation, of at least the minimum of total contract value. (Refer to Section H, DVBE Program Definitions.)

INTRODUCTION: The DVBE Incentive is a state agency's option to formally exempt the legislatively mandated DVBE Participation Program requirements. However, the California Highway Patrol (CHP) is providing the prime contractor/bidder the opportunity to take advantage of the DVBE Incentive. Choosing this option, the prime contractor/bidder shall be required to commit to subcontracting with a California-certified DVBE to perform a Commercially Useful Function (CUF) of at least the minimum DVBE Incentive percentage goal. (Refer to Section H, DVBE Program Definitions.)

Information submitted by the prime contractor/bidder to comply with the DVBE Incentive requirements will be verified by the CHP. If, during the verification process, evidence of an alleged violation is found, the State shall initiate an investigation in accordance with the requirements of MVC 999 §§ et seq., PCC 10115 §§ et seq., and follow investigatory procedures by the CCR 1896.80. Prime contractors/bidders found to be in violation of certain provisions may be subject to loss of certification, monetary and/or civil penalties, and/or contract termination.

Only DVBE's certified by the State of California Department of General Services (DGS) Office of Small Business and DVBE Services (OSDS) may be used to satisfy the DVBE participation.

1. **THE DVBE INCENTIVE.** Under CCR, Title 2, 1896.99.100, PCC 10115, and MVC 999 – 999.6, the DVBE Incentive provides responsive and responsible contractors the opportunity to receive additional incentive calculations. The DVBE Incentive is applied at the time the solicitation is evaluated; and when a bidder/contractor

selects a DGS-certified DVBE subcontractor to provide commodities and/or services in support of the overall contract effort. Application of the DVBE Incentive may place the bidder/contractor in line for contract award. The following are key elements of the DVBE Incentive program:

- A. The DVBE Incentive is applied during the evaluation process and is **only** applied to responsive bids from responsible bidders/contractors proposing the required DVBE participation for the incentive specified in this solicitation.
- B. When requesting the incentive application, the prime contractor/bidder must complete and return the required forms identified in Section C, Required DVBE Forms. The prime contractor/bidder who **fails to submit all required forms and confirm the level of DVBE participation will be ineligible for the DVBE Incentive application.**

2. **MEETING DVBE PARTICIPATION REQUIREMENTS.** In accordance with MVC 999 §§ et seq and PCC 10115 §§ et seq, as the prime bidder/contractor, you **MUST** be certified as a DVBE in good standing by DGS OSDS, as defined in MVC 999.2 or have selected and mutually agreed to partner with a certified DVBE subcontractor/supplier to provide commodities and/or services related to the performance of services identified in this solicitation.

- A. Submission of the required DVBE form, Department of General Services Procurement Division (DGS PD) 843, Disabled Veteran Business Enterprise Declarations constitutes an agreement between the prime bidder/contractor and the certified DVBE subcontractor/supplier to fulfill the DVBE participation related to the final executed contract.

Any change, including substitution, to the DVBE subcontractor/supplier must be submitted in writing to the CHP Certified Business Advocate. (Refer to Section E, DVBE Substitutions.)

- B. The DVBE subcontractor/supplier identified in this bid **MUST** meet the definition of a "CUF" as defined under MVC 999-999.6. A DVBE subcontractor/supplier not meeting CUF regulations will render the responding prime contractor/bidder ineligible for the DVBE Incentive application.
- C. When returning the solicitation to CHP, prime contractors/bidders are to include a valid DVBE subcontractor/supplier's certification for each DVBE subcontractor/supplier to be used in the performance of this contract. DVBE certification status can be verified at <https://caleprocure.ca.gov/pages/PublicSearch/supplier-search.aspx>.

3. **REQUIRED DVBE FORMS.** The following **required** DVBE forms, also attached at the end of this document and can be view/downloaded at the CHP web site, www.chp.ca.gov/programs-services, click on Certified Business Advocate Program.

- A. DGS PD 843, Disabled Veteran Business Enterprise Declarations. A properly completed DGS PD 843, shall be included when returning the solicitation to CHP. The DGS PD 843 **MUST** be signed by each subcontractor/supplier used in the performance of this contract.
- B. DGS STD 817, Prime Contractor's Certification Subcontractor Report. A properly completed DGS STD 817 form shall be promptly submitted to CHP at the end of the contract term.
- C. DGS PD 05-105, Bidder Declaration. A properly completed DGS PD 05-105, if required, shall be included when returning the solicitation to CHP.
4. **THE DVBE INCENTIVE APPLICATION IS BASED ON LOW BID METHOD.** The DVBE Incentive amount for awards based on low bid will vary in conjunction with the DVBE commitment. For evaluation purposes only, the net bid price of responsive bids will be reduced by the Small Business Preference amount, **if applicable, and the DVBE Incentive amount as applied to the lowest responsive net bid.** The DVBE Incentive adjustment for awards based on low bid cannot exceed five (5) percent or \$100,000, whichever is less, of the number one ranked net bid price. When used in combination with a preference adjustment, the cumulative adjustment amount cannot exceed \$100,000. The following percentages will apply for awards based on the low bid method:

A. DVBE INCENTIVE TABLE

Confirmed DVBE Commitment:	DVBE Incentive:
5.00% or over	5% of lowest responsive bid
4.00 to 4.99% Inclusive	4% of lowest responsive bid
3.00 to 3.99% Inclusive	3% of lowest responsive bid
2.00 to 2.99% Inclusive	2% of lowest responsive bid
1.00 to 1.99% Inclusive	1% of lowest responsive bid

B. SAMPLE OF LOW BID METHOD CALCULATIONS:

Bidder:	A	B	C
Responsive/Responsible	Yes	Yes	Yes
Net Bid Price	\$8100	\$8150	\$8300
Eligible SB/MB Preference (5%)	None	SB	SB
SB/MB Preference Amount		\$405	\$405
Subtotal	\$8100	\$7745	\$7895
Initial Rank	3	1	2
Eligible DVBE Incentive	3%	3%	5%
Eligible Incentive amount	\$243	\$243	\$405
Evaluated Bid Price	\$7857	\$7502	\$7490
Final Rank	3	2	1
Results: Following the application of the SB preference, the lowest responsive, responsible bidder is a certified SB, Bidder B. All three bidders are eligible to receive the DVBE Incentive; therefore, the incentive calculation is performed.			
Step	Action		
1	Identify the net bid price of the #1 ranked bidder - Bidder A at \$8100.		

2	Using the lowest bid price as the figure to calculate the 5% SB preference for all three bidders. Bidder A $\$8100 \times 0 = \0.00 ; Bidder B and Bidder C: $\$8100 \times .05 = \405
3	Determine the corresponding percentage of DVBE Incentive for all three the bidders. Bidder A and B have 3% = \$243; Bidder C has 5% = \$405
4	Subtract the SB preference amount and/or the DVBE Incentive amount from the net bid price of all three bidders: Bidder A $\$8100 - \$243 = \$7857$ Bidder B $\$8150 - \$405 - \$243 = \7502 Bidder C $\$8300 - \$405 - \$405 = \7490
