The California Department of Corrections and Rehabilitation (CDCR) intends to contract with a firm for construction management services for a New Potable Water Wells project at the Valley State Prison (VSP) and the Central California Women's Facility (CCWF), both located in Chowchilla, California.

The project(s) includes the design and construction of two potable water wells. The scope of services also includes new pumps, motors, piping, valves, electrical and communication to supervisory control and data acquisition system.

CDCR anticipates the budget for this project to be approximately \$9,821,500.00.

CDCR anticipates selecting a firm to provide the required services for this project with funding authorized in fiscal year 2026/2027 and concluding in fiscal year 2029/2030 assuming no budget delays are encountered to obtain future funding. Services are required for the following phases: working drawings; bid and award; construction and commissioning. The project delivery method shall be "design-bid-build" using standard state procedures.

An executed agreement for construction management services for this project is subject to budgetary, legislative and control agency approval of the proposed projects.

CDCR strongly encourages Disabled Veteran Business Enterprises and Small Business participation.

A pre-proposal conference WILL NOT be conducted.
