(916) 227-6000 | TTY 711

<https://dot.ca.gov/programs/procurement-and-contracts/>**August 21, 2026****Addendum No. 2****Invitation for Bid (IFB) #32A0729****Light Emitting Diode (LED) Replacement Services in Inyo County****NOTICE TO ALL PROSPECTIVE BIDDERS:**

Addendum No. 2 is being issued for the above-referenced IFB. Bids for this work shall be with the full understanding of this Addendum.

The following changes have been made for this IFB:

1. **IFB, Attachment 3, Exhibit A, Item 6. B.** has been revised to read:

Contractor shall furnish and install new interior and exterior lamp fixtures, LED bulbs, **switches**, and related components including additional wiring in locations as listed in Exhibit A and Attachment A, Site Map.

2. **IFB, Attachment 3, Exhibit A, Item 11. B.** has been revised to read:

Contractor shall install **two (2) three (3)** wall pack exterior lights m Elite OWP-FC-311-LED-9000L/12000L/15000L/18000L-DIM10-MVOLT-30K/40K/50K-BZ or equivalent on the north and west walls as per **Attachment A, Site Map**.

3. **IFB Attachment 1, Bid Proposal** is hereby revised to strike out switches from line item 2. **Bidder shall submit the revised Attachment 1, Bid Proposal, attached to this Addendum No. 2, with their bid submittal package, or their bid may be rejected.**

The following represents questions submitted for this IFB and the Department's responses:**Question 1:**

Permits / Title 24: Are permits required for the work, specifically for Title 24 compliance?

Answer 1:

No Title 24 permit is anticipated for this scope. If any local permitting is unexpectedly required, Contractor must notify the Caltrans Contract Manager for direction.

Question 2:

Electrical Plans & Drawings: Contractor required to have engineered drawings for this project?

Answer 2:

No.

Question 3:

Training & Certification: Please specify any other "training & certification" required to be able to work on site that is not listed on the RFP.

Answer 3:

The minimum qualifications are referenced in **IFB, Section B, Bidder's Minimum Qualifications.**

Question 4:

Work Hours: What shift or work hours will the project work be performed?

Answer 4:

Refer to **IFB Attachment 3, Exhibit A, Item 4.**

Question 5:

Building A – Interior Fixtures: Building A has a mix of fixture types. Are we required to make all interior fixtures uniform, or should we match/maintain the existing fixture types?

Answer 5:

All fixtures shall be uniformed. Refer to scope of work **IFB Attachment 3, Exhibit A, Item 7. A.**

Question 6:

Alteration Strategy: Is this a one for one fixture replacement work?

Answer 6:

Yes.

Question 7:

Wedco Brand: Please specify what fixture type/part number you want.

Answer 7:

WEDCO GE 93125012G, MODEL LED50ED23.5M/730, E26 BASE.

Question 8:

Materials: Does the materials needs to comply with BAA?

Answer 8:

No.

Question 9:

Existing Conditions: Are there any known existing conditions or deficiencies that the contractor should account for in the bid?

Answer 9:

Lifts or ladders will be required due to the height and locations of the lights on both the ceilings and walls.

Question 10:

Fixture Schedule: Will the owner provide a final fixture schedule or approved fixture specifications prior to award?

Answer 10:

No.

Question 11:

Controls: Are lighting controls, sensors, or control upgrades included in the scope beyond fixture replacement?

Answer 11:

No.

Question 12:

Disposal: Is removal and disposal/recycling of the existing fixtures and lamps included in the contractor's scope?

Answer 12:

Please refer to **IFB, Attachment 3, Exhibit A, Item 6. A.**

Question 13:

Lift/Access: Are there any specific access requirements, lift restrictions, or equipment requirements we should account for?

Answer 13:

Please refer to Answer 9. For all other equipment requirements or access needs, Contractor shall work with Caltrans Contract Manager.

Question 14:

Phasing: Will the work need to be phased around building occupancy or other ongoing operations?

Answer 14:

Yes.

Question 15:

After-Hours Work: Do you want us to bid this 2nd or 3rd Shift weekday work.

Answer 15:

Refer to **IFB Attachment 3, Exhibit A, Item 4.**

Question 16:

Submittals: Are there specific approved manufacturers or equal-product requirements we need to follow?

Answer 16:

The specific manufacturer requirements are identified in the **IFB, Attachment 3, Exhibit A.** If an approved manufacturer or an equivalent product is required, the contractor shall provide the specifications to Caltrans Contract Manager so we can ensure compliance. Contractor shall submit specifications of the proposed equivalent to the Caltrans Contract Manager to obtain written approval before purchase. Caltrans Contract Manager will have sole authority to determine the equivalency, or lack thereof, of any such proposed equivalent.

Question 17:

Could you please provide the manufacturer model number, specification sheet, or minimum required technical specifications for the **WEDCO brand LED lamp fixture and LED light bulbs?**

Answer 17:

Refer to Answers 7 and 16.

Question 18:

The solicitation states "WEDCO brand or equivalent," but we could not locate a specific model number or technical requirements needed to obtain accurate pricing for an equivalent product.

Answer 18:

Refer to Answer 7.

Question 19:

Please also confirm whether different WEDCO specifications apply to the fixtures/bulbs at Buildings A, B, C, and J.

Answer 19:

Refer to Answer 7.

Question 20:

Please clarify "Item 27.A. Standard Conditions of Service". I don't believe it's possible to start the job in 5 days since procurement can take 6 to 8 weeks.

Answer 20:

IFB, Attachment 3, Section 27.A, Section 27.A, Standard Conditions of Service, requires the Contractor to **commence work** within five (5) working days after receiving notification of the official starting date. It does **not** require the Contractor to complete all services within five days. This provision ensures timely mobilization once Caltrans issues the start notice. The clause governs the **initiation** of work, not the full project duration or completion timeline.

Question 21:

For Building A (Admin), there were a total of 10 hanging fixtures. Was the plan to keep the same kind of fixtures or to replace them to make the room look more uniform?

Answer 21:

Refer to Answer 5.

Question 22:

For Building G (Warehouse), during the walk we noticed 3 wall-packs instead of the two listed on the Public Works Exhibit A page. I just wanted to ensure this was noted to avoid any discrepancy.

Answer 22:

Please see revisions above.

Question 23:

We want to ensure we have the most complete and accurate information regarding the LED Replacement Services in Inyo County that is bidding on August 20 at 02:00 PM (PDT).

Confirm that the bid date and time listed above are unchanged.

Answer 23:

Please see Addendum 1.

Question 24:

Please confirm the estimated project value.

Answer 24:

The estimated budget is \$160,000.00.

Question 25:

Please provide the planholders list/bidders list.

Answer 25:

No bidders list was provided.

Question 26:

Please provide the Non-Mandatory Pre-Bid attendance list.

Answer 26:

The site visit was optional and no sign in sheet was required.

Question 27:

Have you issued an addendum? If so, please attach them to this response.

Answer 27:

Please see attached Addendum 1.

Question 28:

For form DOT ADM-1416, Items 4-6 - Organization Type: The form lists Sole Proprietorship, Partnership, and Corporation, but there is no option for LLC. Which box should a California LLC select? Item 8 - California Corporation Number: Since our company is an LLC rather than a corporation, should we enter our California Secretary of State LLC/entity number in Item 8, enter "N/A," or leave this field blank?

Answer 28:

Caltrans interprets an LLC as a registered corporate entity, similar to a corporation in this context. Enter your California Secretary of State LLC number in this field.

Question 29:

Please provide the total quantity, type, and locations of switches that are required to be replaced or newly installed under Exhibit A.

Answer 29:

Please see revisions above.

Question 30:

Please identify any areas where a scissor lift, boom lift, or other standard lifting equipment cannot access the fixture location, including height/width restrictions, floor loading restrictions, overhead cranes, equipment, or obstructions.

Answer 30:

Please see Answers 9 and 13.

Question 31:

Please provide the existing conditions for each type of light fixture to be removed/replaced, including, if available: ceiling type, mounting type, existing fixture type, wattage, number and type of lamps per fixture, approximate mounting/fixture height, presence and type of occupancy/motion/daylight sensors or other controls, and reference photographs of each typical fixture type. Please also identify any locations where the existing conditions differ from the typical condition.

Answer 31:

Refer to **IFB Attachment 3, Exhibit A.**

Question 32:

Please provide floor plans/reflected ceiling plans.

Answer 32:

Refer to **IFB Attachment 3, Attachment A.**

Question 33:

I am writing to request soft copies of the Pre-bid/Site tour Sign-in-sheet/Attendees list or Planholders List related to Light Emitting Diode (LED) Replacement Services - Caltrans Equipment Shop 9 Facility.

Answer 33:

The site visit was optional and no sign in sheet was required.

Question 34:

Can you please send over the job walk sign-in sheet for the Light Emitting Diode (LED) Replacement Services project? It is Event ID 32A0729.

Answer 34:

The site visit was optional and no sign in sheet was required.

All other terms and conditions set forth in the IFB remain in full force and effect.

Sincerely,

Shannon Miller

Contracts Analyst

BID PROPOSAL

ADM-1412 (REV. 9/2025)

Attachment 1 - REVISED**Contractor's Name (Please Print):**

Item Number	Estimated Quantity	Unit of Measure	Item	Unit Price (Price Per Unit of Measure)	Total (Estimated Quantity X Unit Price)
1	1	Each	All labor, tools, equipment, parts, materials, supplies, travel, and incidentals necessary to remove and legally dispose of all existing lights, lamp fixtures, bulbs, and related materials per STD 213, Exhibit A, Scope of Work.		\$
2	1	Each	All labor, tools, equipment, parts, materials, supplies, travel, and incidentals necessary to furnish and install new interior and exterior lamp fixtures, LED bulbs, and related components including additional wiring in locations, per STD 213, Exhibit A, Scope of Work.		\$
3	16	Per Hour	Hourly rate for all labor, tools, equipment, travel, and incidentals necessary to effectuate unforeseen unanticipated work needed to complete services (not included in Items 1-2 above) per STD 213, Exhibit A, Scope of Work.	\$	\$
Subtotal:					\$
4	Maximum allowable expenditure for all parts, materials, supplies, fees, and permits per Exhibit A, Item 15 . Actual cost will be reimbursed based on submitted original receipts. This Amount Shall be 10 percent (10%) of the Actual Subtotal Amount (0.10 x Subtotal). Enter 10% in Total column.				\$
1) The above quantities are estimates only and are given as a basis for comparison of bids. No guarantee is made or implied as to the exact quantity that will be needed. 2) In case of discrepancy between the unit price and the total set forth for a unit basis item, the unit price shall prevail. 3) Do not alter, modify, or change this bid proposal sheet. Any alterations, modifications, or changes to this bid proposal sheet will be grounds to reject the bid. 4) Each line item must be bid. Do not leave any unit price column blank or this bid proposal sheet will be deemed non-responsive.				Total This Proposal (Subtotal + Line 4)	\$
