

MALIA M. COHEN
CALIFORNIA STATE CONTROLLER

August 21, 2026

To All Prospective Proposers:

Addendum 1 to Invitation for Bid (IFB) EDIS90626, Printing and Delivery for #10W Custom Envelopes

The purpose of this addendum is to notify potential proposers of responses to questions received for IFB EDIS90626.

Questions and Answers:

1. Just wanted to confirm that no recycling content is required for this bid?

Response: Post-Consumer Recycled Content is not required for this solicitation but is encouraged.

2. Can the three-year experience requirement be satisfied through the experience of the Bidder's principals, affiliated company, predecessor company, or proposed subcontractor/manufacturer?

Response: No, the Prime Contractor must meet the Bidder Minimum Qualifications.

3. Could you please provide with the previous winning contract pricing?

Response: The previous Contract was completed under a Small Business Option and was capped at \$250,000.00 for 7,500,000 envelopes.

All other information will remain the same.

Thank you,
SCO Bids
