13. Subcontractors

Bidder may subcontract portions of the work as defined in the attached **Proposed Form of Agreement**. If subcontractors are used, complete the **Bidder Declaration (GSPD-05-105)**. The Payment Bond is due prior to the start date of work. No work may commence without receipt of a valid Payment Bond. The Payment Bond must be in effect at all times for the duration of the Agreement. If the Payment Bond expires during the term of the Agreement, a new Payment Bond must be provided to the Caltrans Contact Manager not less than 10 business days prior to its expiration. Failure to maintain a Payment Bond for the full term of this Agreement will be grounds for termination for default in addition to other legal remedies Caltrans may have. Inadequate or lack of a Payment Bond does not negate the Contractor's obligations under this Agreement.

17. Insurance

- A. The bidder who receives the Agreement award must provide a Certificate of Insurance providing proof of insurance to the Division of Procurement and Contracts within 10 working days from the date of notification of award. The State's Office of Risk and Insurance Management will review insurance certificates and/or proof of self-insurance documentation before execution of the Agreement. - B. The insurance carrier shall provide an endorsement for the additional insured statement as follows:

Caltrans, State of California, its officers, agents, and employees shall be included as additional insured, but only with respect to work performed for the State of California under this Agreement.

- C. The additional insured endorsement must accompany the certificate of insurance.

D. Satisfying a Self-Insured Retention (SIR)

All insurance required by this Agreement must allow, but not require, the State to pay any SIR and/or act as Contractor's agent in satisfying any SIR. The choice to pay any SIR and/or act as Contractor's agent in satisfying any SIR is at the State's discretion. If the State chooses to pay any SIR and/or act as Contractor's agent in satisfying any SIR, Contractor shall reimburse the State for the same.

E. Available Coverages/Limits

In the event the insurance coverages obtained by Contractor is broader in scope than, and/or the limits are higher than, those required under the Agreement, all such broader coverage and/or higher limits available to Contractor shall also be available and applicable to the State.

18. California Civil Rights Laws

Any person that submits a bid or proposal to, or otherwise proposes to enter into or renew an Agreement with, a State agency with respect to any Agreement in the amount of one hundred thousand dollars (\$100,000) or more shall certify, under penalty of perjury, at the time the bid or proposal is submitted or the Agreement is renewed, that they satisfy all of the conditions set forth in California Public Contract Code Section 2010 and they shall execute the **California Civil Rights Laws Certification (DOT ADM-0076)**, provided as a link in **Attachment 2, Required Documents**, completed, signed, and returned with its bid or proposal.

19. Darfur Contracting Act

- A. The Darfur Contracting Act, Public Contract Code Section 10475-10481, applies to any company that currently or within the previous three (3) years has had business activities or other operations outside of the United States. The Act was passed by the California Legislature and signed into law by the Governor to preclude State agencies generally from contracting with "scrutinized" companies that do business in the African nation of Sudan (of which the Darfur region is a part), for the reasons described in Public Contract Code Section 10475. All bidders shall complete the **Darfur Contracting Act Certification (DOT ADM-0077)**, provided as a link in **Attachment 2, Required Documents**, and submit with the proposal.
- B. If your company has not, within the previous three (3) years, had any business activities or other operations outside of the United States, complete **Option 1** on the Darfur Contracting Act Certification form.
- C. A scrutinized company is a company doing business in Sudan as defined in Public Contract Code Section 10476. Scrutinized companies are ineligible to, and cannot, bid on or submit a proposal for an Agreement with a State agency for goods or services (Pub. Cont. Code Section 10477(a)).
- D. Therefore, Public Contract Code Section 10478(a) requires a company that currently has (or within the previous three (3) years has had) business activities or other operations outside of the United States to certify that it is not a "scrutinized" company, during the Agreement award process with a State agency.
- E. A scrutinized company may still, however, submit a bid or proposal for a Contract with a State agency for goods or services if the company first obtains permission from the Department of General Services (DGS) according to the criteria set forth in Public Contract Code Section 10477(b).

20. Price Quote Submittal

- A. The Price Quote should be emailed as described below. All price quotes must be received by the Caltrans, Division of Procurement and Contracts (DPAC), by dates and times shown in **Section C, Price Quotation Requirements and Information**.

- B. The price quote email should be clearly marked with the IFPQ number, title, and **'PRICE QUOTATION SUBMITTAL'**, as shown in the following example:

IFPQ Number: 03A4189
PRICE QUOTATION SUBMITTAL

- C. All quotes shall include the documents identified in the IFPQ; see **Attachment 2, Required Documents**. Quotes not including the required documents may be deemed non-responsive. A non-responsive price quote is one that does not meet the basic quote requirements.
- D. Only an individual who is legally authorized to bind the proposing firm contractually shall sign all documents requiring a signature, and each document must bear a signature.
- E. **Email to:** nyle.coleman@dot.ca.gov
- F. Pursuant to Government Code Section 14838.7, Caltrans must receive at least two (2) price quotes from certified SB/MBs or at least two (2) price quotes from DVBES before it can make an Agreement award. Therefore, at Caltrans' discretion, if only one price quote is received, the timeframe for receipt of price quotes may be extended in order to receive the minimum number of quotes required by the Government Code. All prospective bidders will be notified via email of any extensions.
- G. Price quotes must include the performance of all the services described herein. Any attempt to modify the Price Quote Proposal document to deviate from the work specifications will not be considered and will cause a price quote to be rejected.
- H. A price quote may be rejected if it is conditional, incomplete, or if it contains any alterations of form or other irregularities of any kind. Caltrans may reject any price quote on the basis that it is not responsive or from responsible bidder and may waive any immaterial deviation in a quote. Caltrans' waiver of an immaterial defect shall in no way modify the IFPQ document or excuse the bidder from full compliance with all requirements if awarded the Agreement.
- I. Costs for developing price quotes and in anticipation of award of the Agreement are entirely the responsibility of the bidder and shall not be charged to Caltrans.
- J. A bidder may modify a price quote after its submission by first withdrawing the original price quote and then by resubmitting a new price quote prior to the price quote submittal deadline. Bidder modifications offered in any other manner, oral or written, will not be considered.
- K. A bidder may withdraw a price quote by, prior to price quote submission deadline, submitting a written withdrawal request to Caltrans, at nyle.coleman@dot.ca.gov, signed by the bidder or an agent authorized in accordance with **Section L**, below. A bidder may thereafter submit a new price quote prior to the price quote submittal deadline. Price quotes may not be withdrawn without cause subsequent to the price quote submittal deadline.
- L. Only an individual who is authorized to bind the bidding firm contractually shall sign the **Bid/Bidder Certification Sheet**. The signature must also indicate the title or position that the individual holds in the firm. An unsigned price quote may be cause for bid rejection.
- M. Caltrans may modify the IFPQ prior to the date fixed for submission of price quotations by the issuance of an addendum sent to all parties who received an IFPQ package.
- N. Caltrans reserves the right to reject all price quotes for reasonable cause.
- O. Bidders are cautioned not to rely on Caltrans during its evaluation process to discover and report to the bidder any defects and errors in the submitted documents. Before submitting their documents, bidders should carefully proof them for errors and full adherence to the IFPQ requirements.
- P. Where applicable, bidder should carefully examine work sites and specifications. Bidder shall investigate conditions, character, and quality of surface or subsurface materials or obstacles

that might be encountered. No additions or increases to the Agreement amount will be made due to a lack of careful examination of work sites and specifications.

- Q. Caltrans does not accept alternate Agreement language from a bidder. A price quote with such language will be considered a counter proposal and will be rejected. The State's General Terms and Conditions (GTC 02/2025) and Contractor Certification Clauses (CCC 04/2017) are not negotiable. The GTC 02/2025 may be viewed at Internet site <https://www.dgs.ca.gov/OLS/Resources/Page-Content/Office-of-Legal-Services-Resources-List-Folder/Standard-Contract-Language>.

21. Evaluation and Selection

- A. At the time of quote opening, price quotes will be checked for the presence or absence of required information in conformance with the submission requirements of this IFPQ.
- B. Caltrans will check the price quote submittal package to verify it received all required documents. Positive verification of required documents will be performed to determine its responsiveness to the State's needs.
- C. Price quotes that contain false or misleading statements, or which provide references, which do not support an attribute or condition claimed by the bidder, shall be rejected.
- D. The Agreement, if awarded, shall be awarded to the responsible bidder who submits the lowest price quote and meets all the specifications. A price quote meets the specifications if it complies with all the requirements in this solicitation. In the event of a tie quote, Caltrans will draw lots to determine the successful bidder. Only one (1) price quote may be submitted by an entity: individual, firm, partnership, corporation, joint venture, or combination thereof. Receipt of more than one (1) price quote from an entity will result in all quotes from that entity being rejected and returned to the bidder.

22. Standard Conditions of Service

- A. Service shall not begin before the start date set forth in the Agreement. After all approvals have been obtained, and the Agreement is executed should Contractor fail to commence work at the agreed upon time, Caltrans, upon five (5) days written notice to contractor, reserves the right to terminate the Agreement. In addition, contractor shall be liable to Caltrans for the difference between contractor's quote price and the actual cost of performing the work by the second low bidder or by another contractor.
- B. All performance under the Agreement shall be completed on or before the expiration date of the Agreement.
- C. Antitrust Provisions
 - 1) Bidder offers and agrees, and will require all of his other Subcontractors and suppliers to agree, that if the bid is accepted to assign to the awarding body all rights, title, and interest in and to all causes of action they may have under Section 4 of the Clayton Act (15 USC Section 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code) arising from purchases of goods, services, or materials pursuant to the public works Agreement or subcontract. The assignment made by Contractor and all additional assignments made by Subcontractors and suppliers shall be deemed to have been made and will become effective at the time the awarding body tenders final payment to Contractor without further acknowledgment or the necessity of tendering to the awarding body any written assignments.
 - 2) If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under Government Code Sections 4550-4554, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the

recovery, including treble damages, and attributable overcharges that were paid by the assignor but were not paid by the public body as a part of the price quote, less the expenses incurred in obtaining that portion of the recovery.

- 3) Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under Government Code Sections 4550-4554 if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action (See Government Code Section 4554).
- D. If bidder is awarded Agreement and refuses to sign Agreement presented for signature within time and manner required, bidder will be liable to Caltrans for actual damages resulting to Caltrans therefrom or 10 percent (10%) of the amount quoted, whichever is less.
- E. Loss Leader usage is prohibited in this Solicitation: It is unlawful for any person engaged in business within this State to sell or use any article or product as a "loss leader" as defined in Business and Professions Code Section 17030. "Loss Leader" means any article or product sold at less than cost: a) where the purpose is to induce, promote, or encourage the purchase of other merchandise; or b) where the effect is a tendency or capacity to mislead or deceive purchasers of prospective purchasers; or c) where the effect is to divert trade from or otherwise injure competitors.
- F. No oral understanding or agreement shall be binding on either party.

23. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order [N-6-22](#) (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law unless the contract has been Federalized (i.e. there is federal participation in any phase). By submitting a bid or proposal, Contractor represents that it is not a target of Economic Sanctions. Should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor's bid/proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the State.

24. Executive Order N-12-23 – Generative Artificial Intelligence (GenAI) Technology Use and Reporting

- A. The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies.
- B. Bidder / Offeror must notify the State in writing if it:
 - 1) Intends to provide GenAI as a deliverable to the State; or
 - 2) Intends to utilize GenAI as a deliverable to the State; including GenAI from third parties, to complete all or a portion of any deliverable that materially impacts:
 - a) Functionality of a State system,
 - b) Risk to the State, or
 - c) Contract performance.

Note: For avoidance of doubt, the term "materially impacts" shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

- C. Failure to report GenAI to the State may result in disqualification. The State reserves the right to seek any and all relief to which it may be entitled to as a result of such non-disclosure.

- D. Upon notification by a Bidder / Offeror of GenAI as required, the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject bids/offers that present an unacceptable level of risk to the State.
- E. Government Code 11549.64 defines “Generative Artificial Intelligence (GenAI)” as an artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio that emulates the structure and characteristics of the system’s training data.

- B. The amount of this forfeiture shall be determined by Labor Commissioner and shall be based on consideration of the mistake, inadvertence, or neglect of Contractor or Subcontractor in failing to pay the correct rate of prevailing wages, or the previous record of Contractor or Subcontractor in meeting their prevailing wage obligations, or a Contractor's willful failure to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rate of prevailing wages is not excusable if Contractor or Subcontractor had knowledge of the obligations under the Labor Code. Any contractor that executes and receives a copy of this Agreement is deemed to have knowledge of their obligations regarding the Labor Code's prevailing wage requirements. In addition to the penalty and pursuant to Labor Code Section 1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day, or portion thereof, for which each worker was paid less than the prevailing wage rate shall be paid to each worker by Contractor or Subcontractor.
- C. If a worker employed by a Subcontractor on a public works project is not paid the general prevailing per diem wages by Subcontractor, Prime Contractor of the project is not liable for any penalties described above unless Prime Contractor had knowledge of that failure of Subcontractor to pay the specified prevailing rate of wages to those workers or unless Prime Contractor fails to comply with all the following requirements:
- 1) The Agreement executed between Contractor and Subcontractor for the performance of work on the public works project shall include a copy of the provisions of Labor Code Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.
 - 2) Contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the Subcontractor to the employees by periodic review of the certified payroll records of the Subcontractor.
 - 3) Upon becoming aware of failure of Subcontractor to pay his or her workers the specific prevailing rate of wage, Contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited, to retaining sufficient funds due the Subcontractor for work performed on the public works project.
 - 4) Prior to making final payment to the Subcontractor for work performed on the public works project, Contractor shall obtain an affidavit signed under penalty of perjury for the Subcontractor that the Subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees on the public works project and any amounts due pursuant to Labor Code Section 1813.

Exhibit B

- D. Pursuant to Labor Code Section 1775, Caltrans shall notify Contractor on a public works project within 15 days of receipt of a complaint that a Subcontractor has failed to pay workers the general prevailing rate of per diem wages.
- E. If Caltrans determines that employees of a Subcontractor were not paid the general prevailing rate of per diem wages and if Caltrans did not retain sufficient money under the Agreement to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, Contractor shall withhold an amount of moneys due Subcontractor sufficient to pay those employees the general prevailing rate of per diem wages if requested by Caltrans.
- F. Any subcontract entered into as a result of this Agreement shall contain all the provisions of this clause.

Special Terms and Conditions

1. Settlement of Disputes

- A. Any dispute concerning a question of fact arising under this Agreement that is not disposed of by agreement shall be decided by Caltrans Contract Officer, who may consider any written or verbal evidence submitted by Contractor. The decision of the Caltrans Contract Officer, issued in writing, shall be Caltrans' final decision on the dispute.
- B. Neither the pendency of a dispute nor its consideration by Caltrans Contract Officer will excuse Contractor from full and timely performance in accordance with the terms of the Agreement.
- C. The final decision by Caltrans Contract Officer does not preclude subsequent litigation of the dispute in a court of competent jurisdiction.

2. Termination

- A. If, after award and execution of the Agreement, Contractor's performance is unsatisfactory, the Agreement may be terminated immediately for default. Additionally, Contractor may be liable to Caltrans for damages including the difference between Contractor's original bid price and the actual cost of performing the work by another Contractor. Default is defined as Contractor failing to perform services required by the Agreement in a satisfactory manner.
- B. Caltrans reserves the right to terminate this Agreement for any or no cause upon 30 days' written notice to Contractor. Upon such termination, no compensation shall be due or payable to Contractor except for compensation earned through the date of termination.
- C. The State may terminate this Agreement immediately for good cause. The term "good cause" may be defined as "impossibility of performance" or "frustration of purpose," but does not include material breach, default, or termination without cause. In this instance, the Agreement termination shall be effective as of the date indicated on the State's notification to Contractor.
- D. In the event that the total Agreement amount is expended prior to the expiration date, Caltrans may, at its discretion, terminate this Agreement with 30 days' notice to Contractor.

3. Retention of Records/Audits

- A. For the purpose of determining compliance with Government Code Section 8546.7, Contractor and Subcontractors shall maintain all books, documents, papers, accounting records, and other evidence pertaining to the performance of the Agreement, including but not limited to, the costs of administering the Agreement. All parties shall make such materials available at their respective offices at all reasonable times during the Agreement period and for three (3) years from the date of final payment under the Agreement. Caltrans, the State Auditor, Federal Highway Administration (FHWA), or any duly authorized representative of the Federal government having jurisdiction under Federal laws or regulations (including the basis of Federal funding in whole or in part) shall have access to Contractor's books, records, and documents that are pertinent to

- B. Any subcontract entered into as a result of this Agreement shall contain all the provisions of this clause.

4. Subcontractors

- A. Nothing contained in this Agreement or otherwise, shall create any contractual relation between Caltrans and any Subcontractors, and no subcontract shall relieve Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to Caltrans for the acts and omissions of its Subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Contractor. Contractor's obligation to pay its Subcontractors is an independent obligation from Caltrans obligation to make payments to Contractor.
- B. Contractor shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted, except for Subcontractors listed on the **Attachment 2, Bidder Declaration (GSPD-05-105)**.
- C. Contractor may only subcontract portions of the work to a qualified DGS-Certified Small Business (SB)/Micro Business (MB) or Disabled Veteran Business Enterprise (DVBE), with the same status of Contractor. No work may be subcontracted to any business not certified as a SB/MB or DVBE by DGS. Contractor must ensure that the Subcontractor(s) is/are DGS certified SB/MB or DVBE and have all necessary licenses, permits, certifications and/or equivalent to accomplish its portion of the work. Failure of a Subcontractor(s) to have the proper licenses, permits, certifications and/or equivalent, including the DGS SB/MB or DVBE Certification, may be cause for termination per Exhibit D, **Item 2 above**.
- D. Any subcontract in excess of \$25,000 entered into as a result of this Agreement shall contain all of the provisions stipulated in this Agreement to be applicable to Subcontractors.
- E. Any substitution of Subcontractors shall comply with the requirements of Public Contract Code Sections 4100 et seq. and must be approved in writing by Caltrans Contract Manager in advance of assigning work to a substitute Subcontractor.

5. Reporting Disabled Veteran Business Enterprise (DVBE) Utilization

- A. If this Agreement requires DVBE participation, it is the responsibility of Contractor to track DVBE participation requirement progress and Contractor must report the actual amount paid to certified Subcontractors. Contractors must comply with Government Code Section 14841 and Military and Veterans Code Sections 999.5(d) and 999.7 by reporting the actual utilization of certified Subcontractor(s) during the performance of this Agreement. Contractor shall prepare and submit the Report of Utilization of Small/Micro Business and Disabled Veteran Business Enterprise State Funded Contracts Only (ADM-3059) ([DVBE Utilization Report](#)) to Caltrans Contract Manager with each invoice.
- B. If Contractor fails to submit the ADM-3059 with the final invoice, Caltrans Contract Manager shall withhold \$10,000, or the full payment if it is less than \$10,000, from the final payment on the Agreement until Caltrans Contract Manager receives a complete and satisfactory ADM-3059. Caltrans Contract Manager shall notify Contractor by email

Exhibit D
Public Works–State

that Contractor must submit a complete and satisfactory ADM-3059 within 30 days from the date of the notice. If Contractor fails to fully complete and submit the ADM-3059 within this 30-day period, Caltrans shall permanently withhold payment of the final invoice.

- C. Upon Caltrans Contract Manager's request, Contractor shall provide proof of payment for the work performed by the DVBE subcontractor(s).

6. Payment to Subcontractor

- A. Contractor shall pay its Subcontractors within seven (7) calendar days from receipt of each payment made to Contractor by the State.
- B. Contractor shall return all moneys withheld in retention from a Subcontractor within 30 days after receiving payment for work satisfactorily completed, even if other Agreement work is not completed and has not been accepted in conformance with the terms of the Agreement. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to Contractor or Subcontractor in the event of a dispute involving late payment or non-payment to Contractor or deficient subcontract performance or noncompliance by a Subcontractor.

7. Reporting Small Business/Micro Business (SB/MB) Utilization

If SB/MB Subcontractor participation is a requirement of this Agreement, Contractor must report the actual amount paid to certified Subcontractors. Contractor must comply with Government Code Section 14841 by reporting the actual utilization of certified Subcontractor(s) during the performance of this Agreement. However, Contractor shall be fully informed respecting the California Public Contract Code Sections 10115 et seq., which is incorporated by reference. Contractor is urged to obtain DVBE Subcontractor participation should clearly defined portions of work become available.

9. Non-Solicitation

Contractor warrants by execution of this Agreement, that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained or contracted by Contractor for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or in its discretion, to deduct from the contract price or consideration, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

10. Laws to be Observed

Contractor shall keep fully informed of all existing and future laws, including: State and

Exhibit D
Public Works–State

Federal, county and municipal ordinances and regulations including but not limited to Senate Bill 1383 of 2016 Title 14, CCR, General Provisions section 18981.2, Public Resources Code sections 42652 et. seq., and of all such orders and decrees of bodies or tribunals having any jurisdiction or authority over the same, which in any manner affect those engaged or employed in the work, the materials used in the work, or which in any way affect the conduct of the work. Contractor shall at all times observe and comply with and shall cause all agents and employees to observe and comply with, all such existing and future laws, ordinances, regulations, orders, and decrees of bodies or tribunals having any jurisdiction or authority over the Agreement. Contractor shall protect and indemnify the State of California and all officers and employees thereof connected with the work against any claim, injury, or liability arising from or based on the violation of any such law, ordinance, regulation, order, or decree, whether by Contractor, its Subcontractor(s), or an employee(s). If any discrepancy or inconsistency is discovered in the plans, drawings, specification, or Agreement for the work in relation to any such law, ordinance, regulation, order, or decree, Contractor shall immediately report the same to Caltrans Contract Manager in writing.

11. Specific Legal References

Any reference to specific statutes, regulations, or other legal authority in this Agreement shall not relieve Contractor from the responsibility of complying with all existing and future laws, ordinances, regulations, orders, and decrees of bodies or tribunals having any jurisdiction or authority over the Agreement.

12. Equipment Indemnification

- A. Contractor shall indemnify Caltrans for any claims against Caltrans for loss or damage to Contractor's property or equipment during its use under this Agreement and shall, at Contractor's own expense, maintain such fire, theft, liability, or other insurance as deemed necessary for this protection. Contractor assumes all responsibility which may be imposed by law for property damage or personal injuries caused by defective equipment furnished under this Agreement or by operations of Contractor or Contractor's employees under this Agreement.
- B. Any subcontract entered into as a result of this Agreement shall contain all the provisions of this clause.

13. Force Majeure

- A. Except for defaults of Subcontractors, neither party shall be liable to the other for any delay in, or failure of, performance, nor shall any such delay in, or failure of, performance constitute default, if such delay or failure is (directly or indirectly) caused by "Force Majeure" without the fault, intentional act, or negligence of Contractor. As used in this section, "Force Majeure" shall include, but shall not be limited to, acts of God, fire, flood, earthquake, other natural disaster, nuclear accident, strike, lockout, riot, freight embargo, interruption in service by a regulated utility, or governmental statutes or regulations superimposed after the fact.
- B. If a delay in, or failure of, performance by Contractor arises out of a default of its Subcontractor, and if such default of its Subcontractor arises out of causes beyond the (direct or indirect) control of both Contractor and Subcontractor, and without the fault, intentional act, or negligence of either of them, Contractor shall not be liable for damages of such delay or failure, unless the supplies or services to be furnished by the

Exhibit D
Public Works—State

Subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule.

14. Employment of Undocumented Workers

By signing this Agreement, Contractor swears or affirms that it has not, in the preceding five (5) years, been convicted of violating a State or Federal law relative to the employment of undocumented workers.

15. Bonds

Payment Bond Requirement: If the total contract price exceeds \$25,000, Contractor shall furnish a Payment Bond for not less than one hundred percent (100%) of the total amount payable by the terms of this Agreement. The Payment Bond is due prior to the start date of work. No work may commence without receipt of a valid Payment Bond. The Payment Bond must be in effect at all times for the duration of the Agreement. If the Payment Bond expires during the term of the Agreement, a new Payment Bond must be provided to the Caltrans Contact Manager not less than 10 business days prior to its expiration. Failure to maintain a Payment Bond for the full term of this Agreement will be grounds for termination for default in addition to other legal remedies Caltrans may have. Inadequate or lack of a Payment Bond does not negate Contractor's obligations under this Agreement.

16. Assumption of Risk and Indemnification Regarding Exposure to Environmental Health Hazards

In addition to, and not a limitation of, Contractor's indemnification obligations contained elsewhere in this Agreement, Contractor hereby assumes all risks of the consequences of exposure of Contractor's employees, agents, Subcontractors, Subcontractors' employees, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, to any and all environmental health hazards, local and otherwise, in connection with the performance of this Agreement. Such hazards include, but are not limited to, bodily injury and/or death resulting in whole or in part from exposure to infectious agents and/or pathogens of any type, kind, or origin. Contractor also agrees to take all appropriate safety precautions to prevent any such exposure to Contractor's employees, agents, Subcontractors, Subcontractors' employees, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement. Contractor also agrees to indemnify and hold harmless Caltrans, the State of California, and each and all of their officers, agents and employees, from any and all claims and/or losses accruing or resulting from such exposure. Except as provided by law, Contractor also agrees that the provisions of this paragraph shall apply regardless of the existence or degree of negligence or fault on the part of Caltrans, the State of California, and/or any of their officers, agents and/or employees.

17. Mandatory Organic Waste Recycling

It is understood and agreed that pursuant to Public Resources Code Sections 42649.8 et seq., if Contractor generates two (2) cubic yards or more of organic waste or commercial solid waste per week, Contractor shall arrange for organic waste or commercial waste recycling services that separate/source organic waste for organic waste recycling. Contractor shall provide proof of compliance, i.e. organic waste recycling services or

In conformance with Public Contract Code Section 7200(b), in subcontracts between Contractor and a Subcontractor and in subcontracts between a Subcontractor and any Subcontractor thereunder, retention proceeds shall not be withheld, and the exceptions provided in Public Contract Code Section 7200(c), shall not apply. At the option of Contractor, Subcontractor(s) may be required to furnish payment and performance bonds issued by an admitted surety insurer.
- B. Any subcontract entered into as a result of this Agreement shall contain all the provisions of this clause.

19. Air or Water Pollution Violation

Under the laws of the State of California, Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

21. Electronic Signatures

Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures for this Agreement. Documents that are referenced by this Agreement may still require manual signatures.

22. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order [N-6-22](#) (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law unless the contract has been Federalized (i.e. there is federal participation in any phase). The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.
