August 27, 2026

Purchasing and
Contracting Branch

Subject: Addendum **2** to Invitation for Bid (IFB), Event #40049
Condor GPS Services
Camp Roberts and Camp SLO, California

NOTICE TO ALL PROSPECTIVE BIDDERS: Addendum No. **2** is being issued for the above-referenced IFB. Bids for this work shall be with the full understanding of this Addendum. The purpose of this addendum is to notify potential bidders of the California Military Department's response to questions and answers received and of changes to the Invitation for Bid that have been made and shall be part of the contract document issued from this solicitation:

The following are the questions and answers submitted for this solicitation:

1. For the maps that will be delivered, will they be delivered in hard copy (paper form) or will they be digital only?
Digital
2. Can a sample GPS dataset be provided?
No
3. What is the format of the GPS datasets?
Answer is not available at this time.
4. How many individual GIS/GPS datasets are there to be analyzed and included in the maps and reports?
Answer is not available at this time.
5. Do the datasets include all of the information that is required to be mapped (ie. ground perching, flight, and roosting behaviors; sex, age)?
The data needs to be sorted to determine behavior patterns and movements.
6. Will the Department facilitate or provide existing data-sharing agreements/access to the condor GPS datasets held by Ventana Wildlife Society, Pinnacles National Park, and USFWS, or is the awarded contractor responsible for independently negotiating data access with each entity?
CMD will facilitate data access with Ventana, Pinnacles, and USFWS.
7. Is there a minimum number of years of GIS/spatial density-analysis experience required for the named GIS analyst, and should that be documented via resume, work samples, or both in the proposal?
A minimum of 5 years is preferred, but not required.
8. What GIS deliverable specifications are required for the heat maps and shapefiles (coordinate system/datum, file format such as shapefile vs. geodatabase, and any agency-standard map template)?
NAD83 or WGS 84, UTM 10 Meter coordinate system, shapefiles, and SDFIE DoD data standards.

The bid opening has been extended to September 2, 2026, at 9 AM PST. All bids must be submitted to the Contracting Office no later than 2 PM local time on September 1, 2026.

ALL OTHER TERMS AND CONDITIONS REMAIN IN FULL FORCE AND EFFECT

Contractor is required to sign this document and return it with their Proposal Form to this office. Bids received without the signed Addendum may be determined as non-responsive by the Contracting Officer and may be cause for the rejection of your bid.
