August 28, 2026

Purchasing and
Contracting Branch

Subject: Addendum **3** to Invitation for Bid (IFB), Event #40049
Condor GPS Services
Camp Roberts and Camp SLO, California

NOTICE TO ALL PROSPECTIVE BIDDERS: Addendum No. **3** is being issued for the above-referenced IFB. Bids for this work shall be with the full understanding of this Addendum. The purpose of this addendum is to notify potential bidders of the California Military Department's of changes to the Invitation for Bid that have been made and shall be part of the contract document issued from this solicitation:

ADDENDUM 3

The following Sections from the Statement of Work (SOW) have been updated:

- I. Background and Objectives
 - a. A. Background
 - b. B. Objectives
- V. Period of Service

Please see updated Sections below as follows:

Section	Original Language (as posted for bid)	Revised Language (as amended - Bolded)
1. Background	"An analysis of condor use at CR was completed in 2021 and CSLO in 2022 (Ventana Wildlife Society). These analyses provided critical information on condor presence and proximity to the installations. The CMD proposes to obtain updated information on condor use of CR and CSLO to inform natural resource management strategies on the installations."	"An analysis of condor use at CR was completed in 2021 and CSLO in 2022 (Ventana Wildlife Society). These analyses provided critical information on condor presence and proximity to the installations. The CMD proposes to obtain updated information on condor use of CR and CSLO to inform natural resource management strategies on the installations. <i>This analysis is required at five-year intervals by the U.S. Fish and Wildlife Service through the installations' Programmatic Biological Opinions in accordance with Section (7) Seven, Endangered Species Act (16 U.S.C.1531 et seq). The Camp Roberts Programmatic Biological Opinion provides, at measure 16: "Satellite Global Positioning System (GPS) studies of condor movement will be conducted every five years to evaluate changes in condor use or occurrence at Camp Roberts." The Camp San Luis Obispo Programmatic Biological Opinion provides, at Conservation Measure CACO 14: "Repeat satellite GPS studies of condor movement every five years to evaluate changes in condor use or occurrence at CSLO." The 2021 and 2022</i>

Section	Original Language (as posted for bid)	Revised Language (as amended - Bolded)
		<i>analyses satisfied the preceding five-year cycle. This Statement of Work covers the current cycle only."</i>
Objectives	"This Statement of Work (SOW) outlines tasks required for the analysis of condor use in and around (meaning within 2 miles) CR and CSLO. No field work will be required. This SOW has four objectives:"	"This Statement of Work (SOW) outlines tasks required for the analysis of condor use in and around (meaning within 2 miles) CR and CSLO. No field work will be required. This SOW has four objectives: <i>The services described in this Statement of Work are a discrete, non-recurring analysis performed once per five-year cycle. They are occasional in nature and do not constitute a continuing, ongoing, or year-round function.</i> "
Period of Service	"The overall period of service shall begin upon execution of the contract and not exceed 12 months."	"The overall period of service shall begin upon execution of the contract and not exceed 12 months. <i>This is a single fixed term with no option periods and no provision for renewal or extension of services. All deliverables shall be completed within that term. Any subsequent five-year analysis cycle will be procured separately; nothing in this Statement of Work creates an expectation of continuing, follow-on, or recurring work.</i> "

The bid opening has been extended to September 2, 2026, at 9 AM PST. All bids must be submitted to the Contracting Office no later than 2 PM local time on September 1, 2026.

ALL OTHER TERMS AND CONDITIONS REMAIN IN FULL FORCE AND EFFECT

Contractor is required to sign this document and return it with their Proposal Form to this office. Bids received without the signed Addendum may be determined as non-responsive by the Contracting Officer and may be cause for the rejection of your bid.
