When completing the declaration, bidders must identify all subcontractors proposed for participation in the contract, including equipment manufacturers, equipment distributors, and resellers. A subcontractor is any person, firm, corporation, or organization contracting to perform any part of the prime's contract. Bidders awarded a contract are contractually obligated to use the subcontractors for the corresponding work identified unless the State agrees to a substitution, and it is incorporated by amendment to the contract. All certified Small Businesses (SBs) and/or Disabled Veteran Business Enterprises (DVBES) must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837 (d)(4). At the State's option prior to award, bidders may be required to submit additional written clarifying information. Failure to submit the required written information as specified may be grounds for bid rejection.

SUBCONTRACTING: The maximum amount of subcontracting shall not exceed 40%. If the amount of subcontracting exceeds 40%, the responding bidder must include a letter of explanation clearly defining the need for further subcontracting. Any bid submission that is received by the CDCR that indicates more than 40% subcontracting, as noted on the Bidder Declaration GSPD-05-105, and does not include a letter of explanation, will be deemed non-responsive by the CDCR and subsequently disqualified from further evaluation of this bid.

When applicable, the completed form must be included with the bid response.

RECYCLED CONTENT PRODUCTS: State agencies are required to report purchases in many product categories. In order to comply with those requirements, bidders are required to complete and return the attached Postconsumer Recycled-Content Certification form (CalRecycle 74) with their bid response. Failure to complete and return the form may disqualify your bid from consideration. More information is located at: <https://www.calrecycle.ca.gov>

PAYEE DATA RECORD & CDCR SUPPLEMENT: The successful bidder *may* be required to submit a Payee Data Record (STD 204) and/or a CDCR Supplement Vendor Payee Data form listing payee information and their Taxpayer Identification Number (if currently not on file with CDCR or if there are business information updates needed).

CALIFORNIA CIVIL RIGHTS LAWS CERTIFICATION: Pursuant to Public Contract Code Section 2010, a person that submits a bid to, or otherwise proposes to enter into or renew a contract with, a state agency with respect to any contract in the amount of one hundred thousand dollars (\$100,000.00) or more shall certify, under penalty of perjury, at the time the bid is submitted or the contract is renewed, compliance with the Unruh Civil Rights Act (Section 51 of the Civil Code) and the Fair Employment and Housing Act (Section 12960 of the Government Code).

The DGS list of entities prohibited from contracting with public entities in California per the Iranian Contracting Act, 2010, can be found at: <https://www.dgs.ca.gov>.

TARGET AREA CONTRACT PREFERENCE ACT (TACPA) PREFERENCE (STD 830): This solicitation provides for the optional TACPA preference. Bidders are not required to apply for this preference. Denial of the TACPA preference request is not a basis for rejection of the bid. The TACPA workplace and workforce preferences will be evaluated for this solicitation. California-based companies seeking TACPA preferences will need to complete and submit preference request forms with the bid. Visit <https://www.dgs.ca.gov/PD> for required preference request forms and an interactive map to determine if a business is located within a TACPA qualified zone. By submitting TACPA forms, a bidder given a TACPA preference agrees to the TACPA contract provisions required by Government Code Section 4535 and provided in Section 1896.40 of Title 2 of the California Code of Regulations (CCR) in addition to requirements specified on the TACPA form STD 830.

PCC Section 10295.4. Contractors included on tax delinquency lists; contracts void and unenforceable; (a) Notwithstanding any other law, a state agency shall not enter into any contract for the acquisition of goods or services with a contractor whose name appears on either list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Any contract entered into in violation of this subdivision is void and unenforceable. (b) This section shall apply to any contract executed on or after July 1, 2012.

EXECUTIVE ORDER N-6-22 - RUSSIA SANCTIONS: On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. By submitting a bid or proposal, Contractor represents that it is not a target of Economic Sanctions. Should the State determine that the Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor's bid/proposal any time prior to contract execution or, if determined after contract execution, shall be grounds for termination by the State.

SB/DVBE CERTIFICATION: The Department of General Services (DGS) Procurement Division (PD), Office of Small Business and DVBE Services (OSDS) is the State's certifying agency. Suppliers claiming preferences and/or incentives must provide their California Small Business (SB), Micro Business (MB), or Disabled Veteran Business Enterprise (DVBE) certification number on page 1 of this RFQ. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the bid due date and the OSDS must be able to approve the application as submitted. SB/Nonprofit Veteran Service Agencies (NVSA's) must possess certification by California prior to the day and time bids are due. Online applications are available at <https://caleprocure.ca.gov>. Questions regarding certification should be directed to the OSDS at OSDSHelp@dgs.ca.gov or (916) 375-4940.

SMALL BUSINESS PREFERENCE: Section 14838 et seq. of the California Government code requires that a 5% preference be given to bidders who qualify as a certified small business. If applicable, a bidder can claim the small business preference by providing their small business certification number on page 1 of this RFQ.

NON-SMALL BUSINESS SUBCONTRACTOR PREFERENCE: A 5% bid preference is available to non-small business claiming 25% California certified small business subcontractor participation. If applicable, claim the preference on page 1 of this RFQ and provide the small business subcontractor information and percentages on the Bidder Declaration (GSPD-05-105) form included in this solicitation packet.

SMALL BUSINESS NONPROFIT VETERAN SERVICE AGENCIES (SB/NVSA): SB/NVSA prime bidders meeting requirements specified in the Military and Veterans Code Section 999.50 et seq. and obtaining a California certification as a small business are eligible for the 5% small business preference. If applicable, provide certification number on page 1 of this RFQ.

DVBE PROGRAM REQUIREMENTS: The State has established goals for DVBE participation in State contracts. The intent of the DVBE participation requirement and incentive is to encourage DVBE certified suppliers to participate in bidding opportunities, and to encourage non-DVBE firms to seek and include DVBE's as sub-contractors. For the purposes of this solicitation, the department elects to exempt the DVBE Program Requirements but opts to include the DVBE Incentive. This solicitation does not include a required minimum DVBE participation percentage or goal.

DVBE INCENTIVE: A DVBE incentive will be given to bidders who provide DVBE participation. For evaluation purposes only, the State shall apply a DVBE bid incentive to bids that propose a California certified DVBE participation as identified on the Bidder Declaration, GSPD-05-105, and confirmed by the State. Bidders that fail to submit the required Bidder Declaration to confirm the level of DVBE participation will not be eligible to receive the DVBE incentive. The DVBE incentive amount for awards based on low price will vary in conjunction with the percentage of DVBE participation. The net bid price of responsive bids will be reduced, for evaluation purposes only, by the amount of DVBE incentive as applied to the lowest net bid price. If the #1 ranked responsive, responsible bid is a California certified small business, the only bidders eligible for the DVBE incentive will be California certified small businesses. The following incentive percentages will apply to this solicitation:

Confirmed DVBE Participation of:	DVBE Incentive:
5% or greater	5%
4% to 4.99% inclusive	4%
3% to 3.99% inclusive	3%
2% to 2.99% inclusive	2%
1% to 1.99% inclusive	1%

DVBE SUBCONTRACTING – REPORTING REQUIREMENTS: Contractor understands and agrees to comply with the requirements set forth in Military and Veterans Code Section 999 et seq. Should award of this contract be based in part on their commitment to use the DVBE subcontractor(s) identified in their bid or offer, per Military and Veterans Code Section 999.5 (g), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by both the awarding department and the DGS prior to the commencement of any work by the proposed subcontractor. Changes to the scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment. Failure of Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State, and penalties as outlined in MVC Section 999.9; Public Contract Code (PCC) Section 10115.10. Upon completion of this Contract, the department requires the prime contractor to certify information using the Prime Contractor's Certification – DVBE Subcontracting Report (STD 817). If for this Contract, the Contractor made a commitment to achieve the DVBE participation goal by subcontracting to a DVBE, the Department will withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, until the Contractor complies with the certification requirements above. A Contractor that fails to comply with the certification requirement shall, after written notice, be allowed to cure the defect. Notwithstanding any other law, if, after 30 calendar days from the date of written cure notice, the prime contractor refuses to comply with the certification requirements, the department shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (MVC Section 999.7) A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (MVC Section 999.5(d); Govt. Code Section 14841). Contractor agrees to comply with the rules, regulations, ordinances, and statutes that apply to the DVBE program as defined in Section 999 of the MVC, including, but not limited to, the requirements of Section 999.5(d). (PCC Code Section 10230). DVBE subcontractors will be notified at the time of award that their firm has been listed for participation in an agreement. Upon request, the prime contractor shall also provide proof of payment to the DVBE for subcontractor work.

RESPONSIVE BID: A bid that clearly substantiates compliance, without material deviation, with all specifications, requirements, and the terms and conditions of the solicitation. If a bidder has been determined to be non-responsive, the bid shall be rejected.

RESPONSIBLE BIDDER: Bidders may be required to submit evidence of their qualifications at such times and under conditions as the State may deem necessary. The question of whether a particular bidder is a responsible bidder may involve an evaluation of the bidder's experience, type of facility, expertise, or financial resources regarding the items requested by the pertinent solicitation. If a bidder has been determined to be non-responsible, the bid shall be rejected.

BID EVALUATION – TIE BETWEEN BIDDERS: In the event of a precise tie between bidders, the CDCR procurement official will conduct a coin toss. At least one witness must observe and document the coin toss. Affected bidders will be given the opportunity to attend the tie breaker coin toss. An email notification will be sent to the affected bidders at least 24 hours prior to the coin toss. Note: In the event of a precise tie between two SB suppliers in which one is also a DVBE, the award shall go to the SB that is also a DVBE. [Government Code, Section 14838 (f) and Title 2 CCR, Section 1896.8(f)].

CONFIDENTIALITY: During the evaluation of bids received in response to a competitive solicitation and prior to contract award, information relating to bid evaluation is confidential. Any disclosure of confidential information by the bidder during the procurement process is a basis for rejecting the bidder's proposal and finding the bidder ineligible. Total confidentiality during the procurement process is vital to preserve the integrity of the process.

AWARD OF CONTRACT: For IT solicitations over \$100,000, award of contract, if made, will be in accordance with the RFQ information on evaluation to a responsible bidder whose bid complies with all the requirements of the RFQ documents and an addenda thereto, except for such immaterial defects as may be waived by the State. Award, if made, will be made within forty-five (45) days after the scheduled date for Contract Award as specified in the RFQ; however, a bidder may extend the offer beyond 45 days in the event of a delay of contract award. Written notification of the State's intent to award will be made to all bidders. If a bidder, having submitted a bid, can show that its bid, instead of the bid selected by the State, should be selected for contract award, the bidder will be allowed five (5) working days to submit a Notice of Intent to Protest, according to the instructions contained in the paragraph titled "Protests" of this RFQ.

PROTESTS: For IT solicitations over \$100,000, any bidder's issues regarding solicitation requirements must be resolved (or attempts to resolve them must have been made) *before* a protest may be submitted according to the procedure below. These issues will first be resolved by the contact for the solicitation or if they result in a protest, the protest will be submitted to DGS Procurement Division Deputy Director to hear and resolve issues and whose decision will be final. If a bidder has submitted a bid which it believes to be responsive to the requirements of the RFQ and to be the bid that should have been selected according to the evaluation procedures in the solicitation and the bidder believes the State has incorrectly selected another bidder for award, the bidder may submit a protest of the selection as described below. Protests regarding selection of the "successful bidder" will be heard and resolved by the Victim Compensation and Government Claims Board whose decision will be final. All protests of award must be made in writing, signed by an individual authorized to bind the bidder contractually and financially, and contain a statement of the reason(s) for protest; citing the law, rule, regulation or procedure on which the protest is based. The protester must provide facts and evidence to support the claim. Protests must be mailed or delivered to: Deputy Director, Procurement Division, 707 Third Street, Second Floor South, West Sacramento, CA 95605, Facsimile No.: (916) 375-4611, Email: PDProtest@dgs.ca.gov

All protests to the RFQ or protests concerning the evaluation, recommendation, or other aspects of the selection process must be received by DGS Procurement Division Deputy Director as promptly as possible, but not later than the date indicated in the Notification of Intent to Award. Certified or registered mail must be used unless delivered in person; in which case the protester should obtain a receipt of delivery.

The State Agency Buy Recycled Campaign (SABRC) is a state mandated program that requires the reporting of all purchases made within 16 specified product categories. All state agencies are required to verify the recycled-content of all products purchased within each of these categories.

All businesses shall certify the minimum percentage in writing to the contracting officer or his or her representative, if not the exact percentage, of postconsumer recycled-content (PCRC) material in the products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the minimum content requirements specified in law (see reverse side). The certification shall be furnished under penalty of perjury. The certification shall be provided regardless of content, even if the product contains no recycled material. A State agency may waive the certification requirement if the percentage of postconsumer material in the products, materials, goods, or supplies can be verified in a written advertisement, including, but not limited to, a product label, a catalog, or a manufacturer or vendor Internet website.
