ADDENDUM NO. #2

REQUEST FOR QUALIFICATIONS (RFQ) NOTICE NUMBER #12A2404

Structure Construction Engineering and Inspection Services

The purpose of this Addendum is to provide a response to a proposer question.

Question:

1. Per the SOQ Submittal Instructions, Section III.2.5 -

Each consultant shall include a letter certifying that proposed personnel meet the requirements specified in the RFQ for their corresponding classification, including but not limited to: education, licensing, certifications and experience.

However, per the SOQ Responsiveness Checklist, Section 2 -

Note: Ensure the transmittal letter Includes verbiage certifying that proposed key and non-key personnel of the entire team meet the minimum qualification requirements specified in the RFQ. (No longer requiring separate letter certifying that proposed personnel meet the requirements specified in the RFQ for their corresponding classification.)

In order to fully comply in our response, which document takes precedence?

Department Response:

The SOQ Submittal Instructions take precedence over the SOQ Responsiveness Checklist.

All other terms and conditions of the original RFQ Notice dated 08/12/2026 and any addenda are unchanged.
